Ged, Hund og Ko var gode venner. En dag tog de på tur i en taxa.

...

Goat, Dog, and Cow were great friends. One day they went on a journey in a taxi.

Da de nåede frem, bad chaufføren dem om at betale for turen. Ko betalte for sin billet.

...

When they reached the end of their journey, the driver asked them to pay their fares. Cow paid her fare.

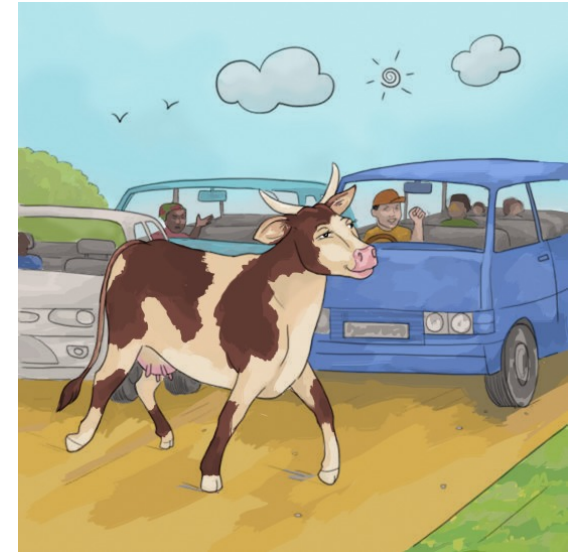

Hund betalte lidt ekstra, for han havde ikke lige penge.

...

Dog paid a bit extra, because he did not have the correct money.

Og Ko er ligeglad, når der kommer en bil. Ko giver sig god tid, når hun går over vejen, fordi hun ved, at hun har betalt for hele sin billet.

...

And Cow is not bothered when a car is coming. Cow takes her time crossing the road because she knows she paid her fare in full.

Chaufføren skulle lige til at give Hund  
penge tilbage, da Ged løb væk uden at  
betale.

...

The driver was about to give Dog his  
change when Goat ran away without  
paying anything.

Ged løber væk, når hun hører lyden af  
en bil. Hun er bange for at blive  
arresteret, fordi hun ikke har betalt sin  
billet.

...

Goat runs away from the sound of a car.  
She is afraid she will be arrested for not  
paying her fare.

Chaufføren blev meget sur. Han kørte væk uden at give Hund penge tilbage.

...

The driver was very annoyed. He drove away without giving Dog his change.

Det er derfor, at Hund selv i dag løber efter biler og kigger ind i dem for at finde den chauffør, der skylder ham penge.

...

That is why, even today, Dog runs towards a car to peep inside and find the driver who owes him his change.
