Il était une fois un
crocodile qui avait très
faim.

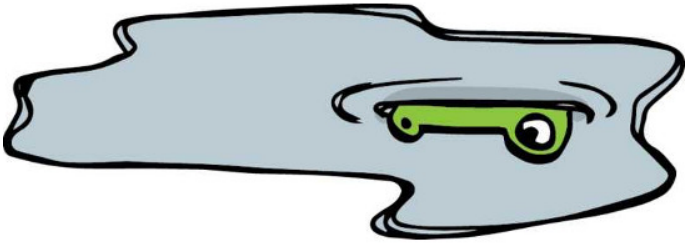

...

Once there was a very
hungry crocodile.

He searched for food
slowly and quietly. And
then...

...

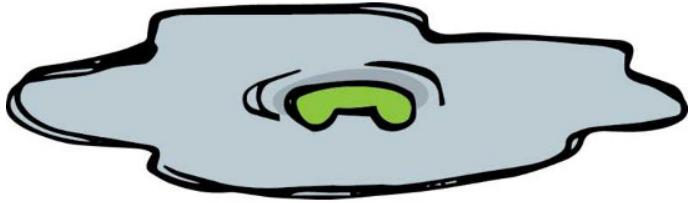

Il cherchait de quoi
manger, doucement et
sans faire de bruit. Et
soudain ...

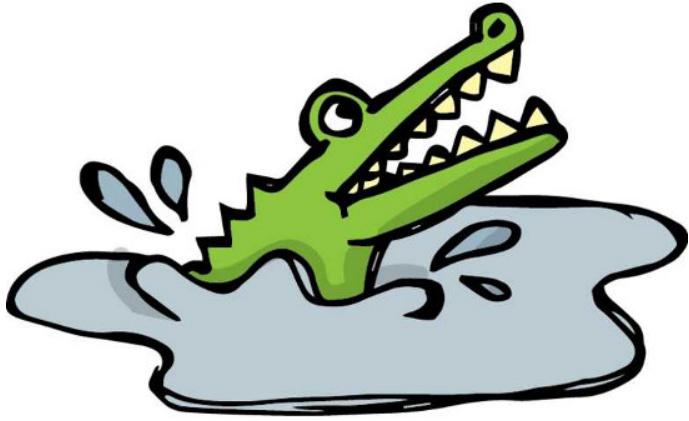

Until he gets hungry again.

...

Jusqu'à ce qu'il ait faim de
nouveau.

TCHAK !!! Le crocodile
attaque !

...

POW!!! The crocodile
strikes!

Après cela, sa faim est
calmée, et il est content.

...

After that he is no longer
hungry, and he is happy.
