C'era una volta un
coccodrillo molto
affamato.

...

Once there was a very
hungry crocodile.

Cercava il cibo piano e
lentamente. E poi..

...

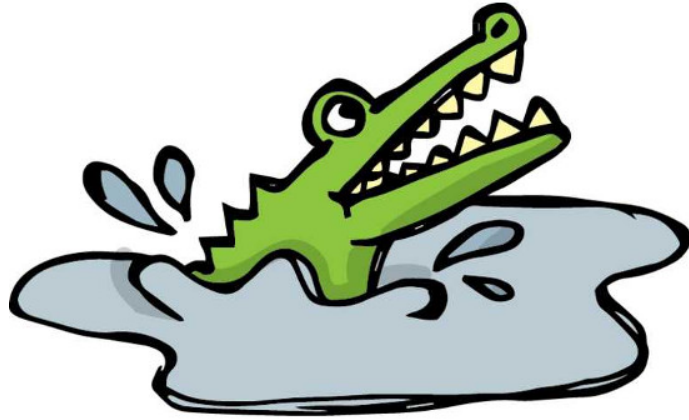

He searched for food
slowly and quietly. And
then...

Fino a quando non gli
tornò la fame.

...

Until he gets hungry again.

BOOM! Il coccodrillo colpì!

...

POW!!! The crocodile strikes!

Dopo l'attacco, non fu più affamato e fu felice.

...

After that he is no longer hungry, and he is happy.
