A fost odată un crocodil  
foarte flămând.

...

Once there was a very  
hungry crocodile.

Căuta de mâncare  
 încetisor si fără zgomot. Si  
 apoi...  
 ...  
 He searched for food  
 slowly and quietly. And  
 then...

Până i se face foame din  
 nou.  
 ...  
 Until he gets hungry again.

Pleosc!! Crocodilul atacă!

...

POW!!! The crocodile strikes!

După aceea, nu mai e flămând și e fericit.

...

After that he is no longer hungry, and he is happy.
