Det var en gång en mycket
hungrig krokodil.

...

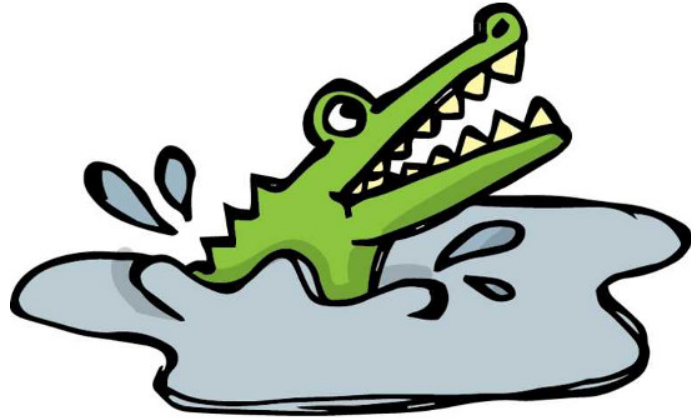

Once there was a very
hungry crocodile.

Han letade efter mat
långsamt och tyst. Och
sedan ...
He searched for food
slowly and quietly. And
then...

Tills han blir hungrig igen.
...
Until he gets hungry again.

Pang! Krokodilen slår till!

...

POW!!! The crocodile strikes!

Efteråt är han inte hungrig längre och han är nöjd.

...

After that he is no longer hungry, and he is happy.
