🌐 svenska / English en sv

En dag fick mamma mycket frukt.

...

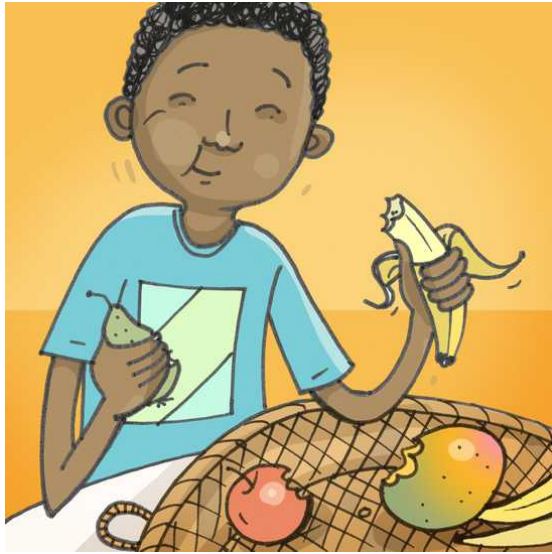

One day, mama got a lot of fruit.

“When can we have some fruit?” we ask.  
“We will have the fruit tonight,” says  
mama.

...

“När kan vi få lite frukt?” frågar vi.  
“Vi ska äta frukten ikväll”, säger mamma.

Min bror Rahim är girig. Han smakar på  
alla frukter. Han äter mycket av den.

...

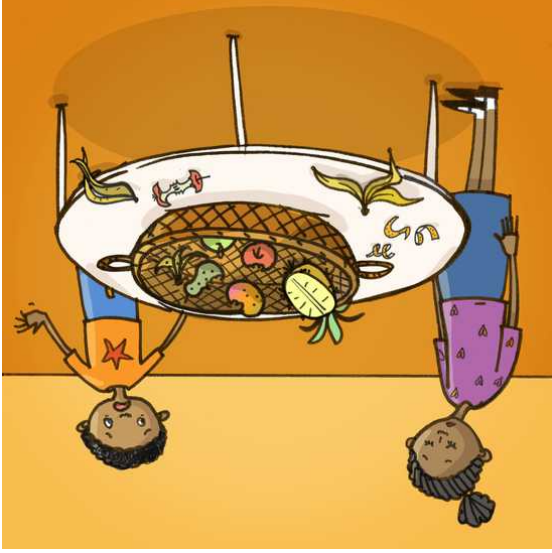

My brother Rahim is greedy. He tastes  
all the fruit. He eats a lot of it.

Senare ber Rahim oss om ursäkt. "Jag  
ska aldrig vara så girig igen", lovar han.  
Vi tror alla på honom.

...

Later, Rahim says sorry to us. "I will  
never be so greedy again," he promises.  
And we all believe him.

”Titta vad Rahim har gjort!” ropar min  
lillebror. ”Rahim är olydig och självisk”,  
säger jag.

...

”Look at what Rahim did!” shouts my  
little brother. ”Rahim is naughty and  
selfish,” I say.

Mamma visste att detta skulle hända.  
Frukten straffar Rahim!

...

Mama knew this would happen. The  
fruit is punishing Rahim!

Mamma är arg på Rahim.

...

Mother is angry with Rahim.

"Jag har så ont i magen", viskar Rahim.

...

"My tummy is so sore," whispers Rahim.

Rahim starts to feel sick.

...

Rahim börjar må illa.

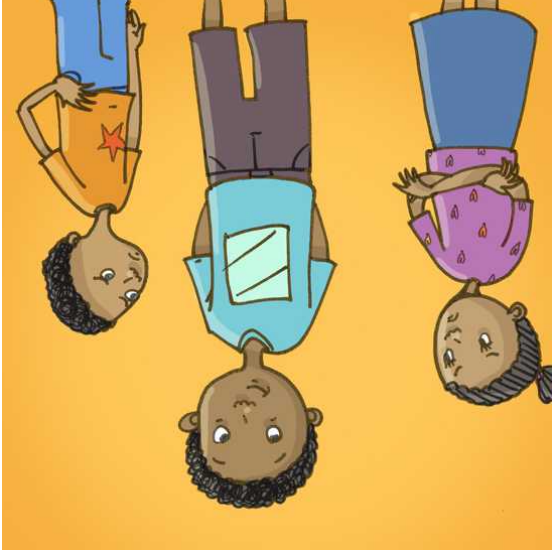

Rahim is not sorry.

We are also angry with Rahim. But

...

ängtrar sig inte.

Vi är också arga på Rahim. Men Rahim

"Ska du inte straffa Rahim?" frågar lillebror.

...

"Aren't you going to punish Rahim?" asks little brother.

"Rahim, du kommer snart ångra dig", varnar mamma.

...

"Rahim, soon you will be sorry," warns mama.
