Hii ni hadithi ya Ngede, ambaye ni ndege
mpenda asali, na mvulana mmoja mlafi
anayeitwa Gingile. Siku moja Gingile alipokuwa
akiwinda alisikia mwito wa Ngede. Kinywa chake
kilianza kutokwa mate kwa kufikiria asali.
Alisimama, akasikiliza na kuangalia vizuri hadi
alipomwona yule ndege akiwa ametua kwenye
matawi yaliyokuwa juu ya kichwa chake. "Chitik-
chitik-chitik," yule ndege mdogo alitatarika
aliporuka na kutua kwenye mti mmoja hadi
mwingine, na mwingine tena. "Chitik-chitik-
chitik," aliita, huku akinyamaza na kuhakikisha
kwamba Gingile alikuwa amemfuata.

...

This is the story of Ngede, the Honeyguide, and
a greedy young man named Gingile. One day
while Gingile was out hunting he heard the call
of Ngede. Gingile's mouth began to water at the
thought of honey. He stopped and listened
carefully, searching until he saw the bird in the
branches above his head. "Chitik-chitik-chitik,"
the little bird rattled, as he flew to the next tree,

and the next. "Chitik, chitik, chitik," he called, stopping from time to time to be sure that Gingile followed.

Baada ya nusu saa, walifika kwenye mti wa matini. Ngede aliruka kama mwenda wazimu kutoka tawi moja hadi jingine. Kisha alitulia kwenye tawi moja na kupindua kichwa chake akimwangalia Gingile kana kwamba anasema, "Ipo hapa! Njoo sasa! Kwa nini unachukua muda mrefu?" Gingile hakuweza kuona nyuki wowote kutoka chini ya mti, lakini alimwamini Ngede.

...

After half an hour, they reached a huge wild fig tree. Ngede hopped about madly among the branches. He then settled on one branch and cocked his head at Gingile as if to say, "Here it is! Come now! What is taking you so long?" Gingile couldn't see any bees from under the tree, but he trusted Ngede.

Kwa hivyo wakati watoto wa Gingile wanaposikia hadithi ya Ngede, wanamheshimu yule ndege. Kila wanapotoa asali, huhakikisha kwamba wanamwachia Kiongozi fungu kubwa!

...

And so, when the children of Gingile hear the story of Ngede they have respect for the little bird. Whenever they harvest honey, they make sure to leave the biggest part of the comb for Honeyguide!

So Gingile put down his hunting spear under the tree, gathered some dry twigs and made a small fire. When the fire was burning well, he put a long dry stick into the heart of the fire. This wood was especially known to make lots of smoke while it burned. He began climbing, holding the cool end of the smoking stick in his teeth.

...

Kwa hiyo Gingile alimweka mukui wake alioatumia kuvinda chini ya mti, akakusanya vijiti vilivyo kauka na kuwasha moto mdogo. Moto ulipokua ukwaka vizuri, alichomeka kijiti kirefu kwenye moto. Mti huu ulijulikana kwa kutoa moshi mwangi ulipokua unaungua. Alianza kukwea mti huko akihsika kijiti kwa meno upande usiofuka moshi.

Before Leopard could take a swipe at Gingile, he rushed down the tree. In his hurry he missed a branch, and landed with a heavy thud on the ground twisting his ankle. He hobbled off as fast as he could. Luckily for him, Leopard was still too sleepy to chase him. Ngede, the Honeyguide, had his revenge. And Gingile learned his lesson.

...

Gingile alikuwa amejifunza funzo lake. Kiongazi alikuwa ameliopia kisasi chake na amelala kwa hiyo hakumfukaza. Ngede, aliyowenza. Kwa bahati nzuri, Chui alikuwa bado wake. Alirkaruka akienda kwa haraka kuanuguka kwa kishindo huko akiumiia magu haraka. Katika haraka hiyo, alitaleza na kabla ya Chui kumavama Gingile, alishuka chini

Muda mfupi baadaye, aliweza kusikia sauti ya nyuki wenyе harakati nyingi ikivuma. Walikuwa wakiingia na kutoka kwenye upenyo wa mti, yaani mzinga wao. Gingile alipoufikia mzinga, alisukuma ile kuni ya moto ndani ya ule upenyo. Nyuki waliharakisha kutoka ndani wakiwa na hasira na uchungu. Waliruka na kwenda mbali kwa sababu hawakupenda moshi – lakini walifanya hivyo baada ya kumooma Gingile kwa uchungu!

...

Soon he could hear the loud buzzing of the busy bees. They were coming in and out of a hollow in the tree trunk – their hive. When Gingile reached the hive he pushed the smoking end of the stick into the hollow. The bees came rushing out, angry and mean. They flew away because they didn't like the smoke – but not before they had given Gingile some painful stings!

Gingile alipopanda, alishangaa kwa nini hakusikia sauti ya nyuki. "Pengine mzinga umo ndani zaidi katika mti," alifikiria. Alipanda tena juu ya tawi jingine. Lakini badala ya mzinga, alijikuta uso kwa uso na chui! Chui aliquwa na hasira sana kwa sababu usingizi wake ulikuwa umekatizwa. Aliyafanya macho yake kuwa madogo, akaufungua mdomo wake na kuonyesha meno yake makubwa na makali.

...

Gingile climbed, wondering why he didn't hear the usual buzzing. "Perhaps the hive is deep in the tree," he thought to himself. He pulled himself up another branch. But instead of the hive, he was staring into the face of a leopard! Leopard was very angry at having her sleep so rudely interrupted. She narrowed her eyes, opened her mouth to reveal her very large and very sharp teeth.

One day several weeks later Gingile again heard the honey call of Ngede. He remembered the delicious honey, and eagerly followed the bird once again. After leading Gingile along the edge of the forest, Ngede stopped to rest in a great umbrella thorn. "Ahh," thought Gingile. "The hive must be in this tree." He quickly made his small fire and began to climb, the smoking branch in his teeth. Ngede sat and watched.

...

Ngede alisimama na kupumzika chini ya mti wa mwafuli. "Ahh," Gingile aliwaza. "Lazima mzinga umo ndani ya mti huu." Kwa haraka aliwasha moto wake na kuanza kukwea mti huku akibeba kuni iliyotaa moshi katika meno yake. Ngede aliaka na kuanzila tu.

Siku moja baada ya majuma machache, Gingile tena alisikia mito wa assali kutoka kwa Ngede. Aliikumbuka assali tamu, na kwa hamu alimfutata ndegé yule kwa mara nyinjime. Baada ya Aliikumbuka assali tamu, na kwa hamu alimfutata sega kilichokwua kinadonoka urojo mzito wa asali, na kilichojaa wadudu weupe waneue. Aliiweka taratibu ndani ya mkoja aliokuwa nao na kuanza kushuka kutoka mtini.

When the bees were out, Gingile pushed his hands into the nest. He took out handfuls of the heavy comb, dripping with rich honey and full of fat, white grubs. He put the comb carefully in the pouch he carried on his shoulder, and started to climb down the tree.

...

Nyuki walipokwua njé, Gingile alilingiza mikono yake ndani ya kioa. Alito kipande kikuwa cha sega kilichokwua kinadonoka urojo mzito wa assali, na kilichojaa wadudu weupe waneue. Aliiweka taratibu ndani ya mkoja aliokuwa nao na kuanza kushuka kutoka mtini.

Ngede alishuhudia kila kitu Gingile alichofanya. Alikuwa anamsubiri abakishe kiasi kidogo cha asali kama shukurani kwa Kiongozi. Ngede aliruka kutoka tawi hadi tawi huku akikaribia chini. Mwishowe Gingile alifika chini ya mti. Ngede alitua kwenye mwamba karibu na mvulana huyo na kusubiri zawadi yake.

...

Ngede eagerly watched everything that Gingile was doing. He was waiting for him to leave a fat piece of honeycomb as a thank-you offering to the Honeyguide. Ngede flittered from branch to branch, closer and closer to the ground. Finally Gingile reached the bottom of the tree. Ngede perched on a rock near the boy and waited for his reward.

Lakini Gingile alizima moto, akachukua mkuki wake na kuanza safari kwenda nyumbani bila kumjali ndege yule. Ngede aliita kwa hasira, "USH-ndi! USH-ndi!" Gingile alisimama, akamkodolea macho yule ndege kisha akacheka kwa sauti. "Unataka asali kidogo, rafiki yangu? Ha! Lakini ni mimi niliyefanya kazi yote pamoja na kuumwa na nyuki. Kwa nini nikugawie hii asali tamu?" Baada ya kusema hivyo, aliondoka na kwenda zake. Ngede alikasirika sana! Hivi sivyo alivyostahili kutendewa! Ila atalipiza kisasi.

...

But, Gingile put out the fire, picked up his spear and started walking home, ignoring the bird. Ngede called out angrily, "VIC-torr! VIC-torrr!" Gingile stopped, stared at the little bird and laughed aloud. "You want some honey, do you, my friend? Ha! But I did all the work, and got all the stings. Why should I share any of this lovely honey with you?" Then he walked off. Ngede was furious! This was no way to treat him! But he would get his revenge.
