Bhí crogall ocrach ann tráth.

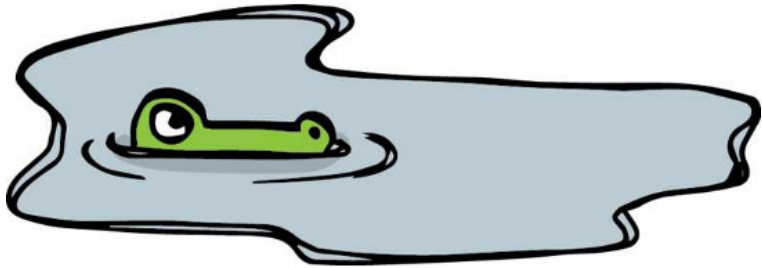

...

Once there was a very hungry
crocodile.

Chuardaigh sé bia go mall agus go
ciúin.

...

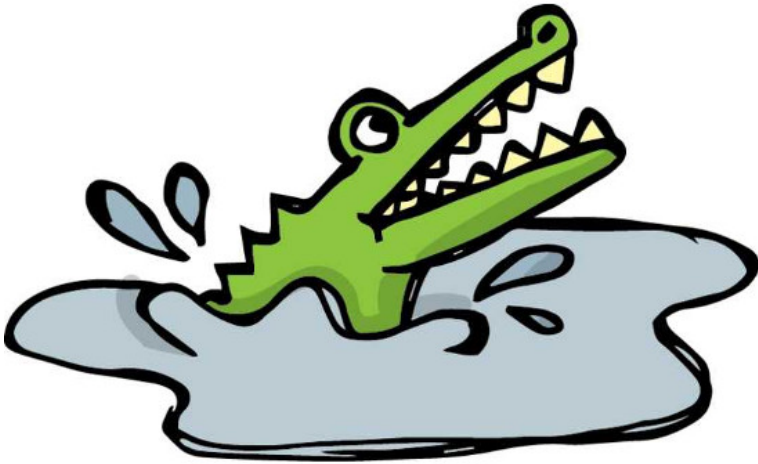

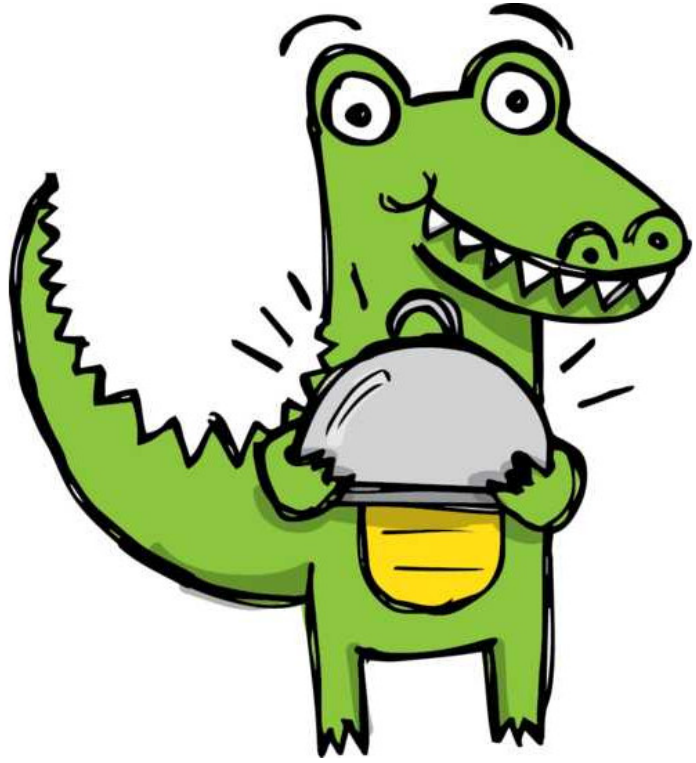

He searched for food slowly and
quietly. And then...

PÁ-Ú! Phreab an crogall!

...

POW!!! The crocodile strikes!

Ansin, ní raibh ocras air níos mó. Bhí sé sona.

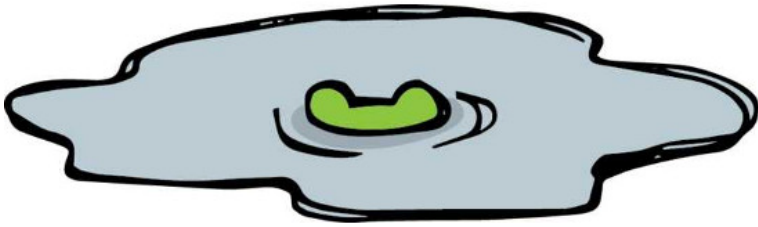

...

After that he is no longer hungry, and he is happy.

Go dtí gur tháinig ocras air arís.

...

Until he gets hungry again.
