Geit, Hund og Ku var gode venner. En dag dro
de på tur med en buss.

...

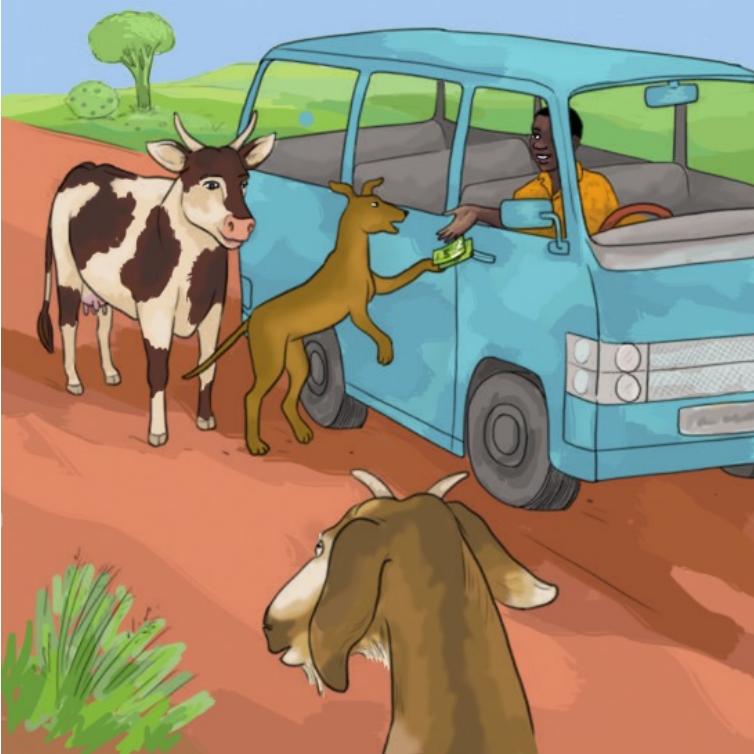

Goat, Dog, and Cow were great friends. One
day they went on a journey in a taxi.

Da de kom fram, ba sjåføren dem om å betale for billetten sin. Ku betalte for sin billett.

...

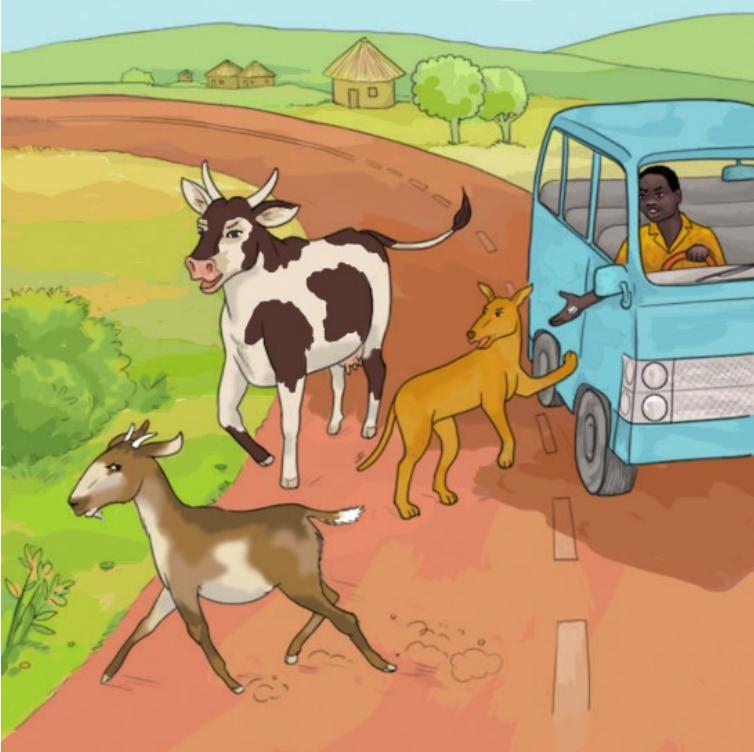

When they reached the end of their journey, the driver asked them to pay their fares. Cow paid her fare.

Hund betalte litt ekstra fordi han ikke hadde akkurat med penger.

...

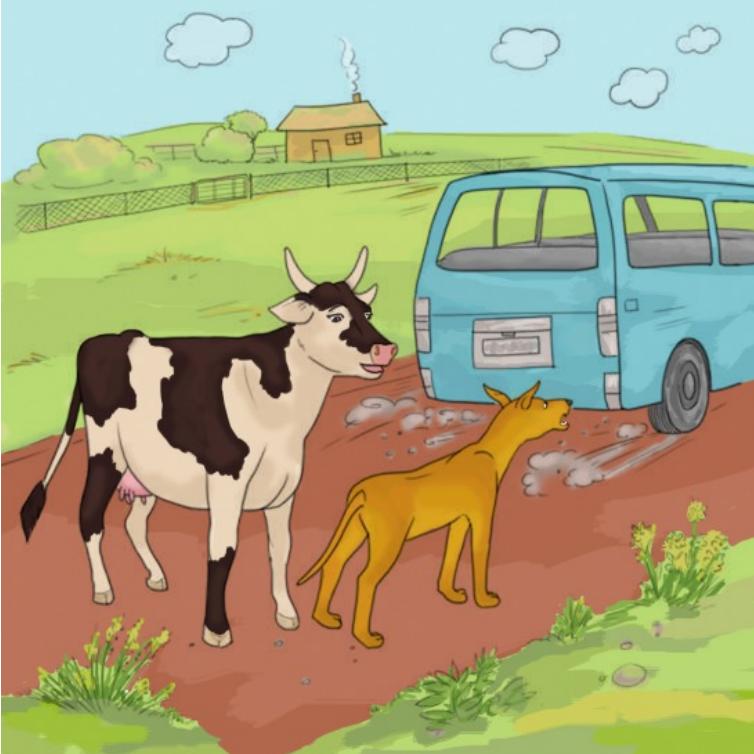

Dog paid a bit extra, because he did not have the correct money.

Sjåføren skulle akkurat til å gi Hund
vekslepengene, da Geit stakk av uten å betale.

...

The driver was about to give Dog his change
when Goat ran away without paying anything.

Sjåføren ble veldig sur. Han kjørte av gårde uten å gi vekslepengene tilbake til Hund.

...

The driver was very annoyed. He drove away without giving Dog his change.

Det er derfor Hund, selv i dag, løper mot biler for å sjekke om han ser sjåføren som skylder ham vekslepenger.

...

That is why, even today, Dog runs towards a car to peep inside and find the driver who owes him his change.

Geit stikker når hun hører lyden av en bil. Hun er redd for at hun vil bli arrestert for ikke å ha betalt for billetten.

...

Goat runs away from the sound of a car. She is afraid she will be arrested for not paying her fare.

Og Ku bryr seg ikke når det kommer en bil. Ku bruker god tid når hun krysser veien fordi hun vet at hun betalte for hele billetten sin.

...

And Cow is not bothered when a car is coming. Cow takes her time crossing the road because she knows she paid her fare in full.
