Jeg står opp og tenner ilden.

...

I wake up and make fire.

Jeg koker vann.

...

I boil some water.

Jeg hogger ved.

...

I chop the firewood.

Jeg rører i gryta.

...

I stir the pot.

Jeg feier gulvet.

...

I sweep the floor.

Jeg vasker opp.

...

I wash the dishes.

Hvorfor jobber jeg så hardt når
broren min bare leker?

...

Why do I work so hard... .. when my
brother is busy playing?
