 Nederlands / English

Ik kan ermee rennen.

...

I can run with it.

Ik kan ermee springen.

...

I can jump with it.

Ik kan ermee dansen.

...

I can dance with it.

Ik kan ermee zwemmen.

...

I can swim with it.

Ik kan ermee overspringen.

...

I can skip with it.

Ik kan ermee trappen.

...

I can kick with it.

Ik kan ermee ontsnappen.

...

I can escape with it.

Maar ik kan er nooit mee vliegen.

...

But I can never fly with it.
