Likande le likala kakuzwelela mwalinako zakale lifolofolo ni batu hane lipila hamoho. Mwamazazi awo batu nebasina tukelo yamulilo mi kacwalo nebaca lico zesika buzwa. Mulilo ne ufumanwa feela ku Tau.

Kasamulaho a nako yetelele, Tau ya kuta kakubonahala kukatala fasifateho, kakuli Mpyee ne imata kabubebe kufita Tau. "Kuzwa lizazi leo" yali: "Hakuna yenikasiya kumina hape anosi. Nika mizuma, kumilelekisa ni kumica!" Ki kamokutezi kuli Tau ibe sila ku mañi ni mañi ni kamo batu bafumanezi mulilo.

Tau ali, "Ki kabakalaŋi hanisikautwa Mpyee ha
 opela kamuhuwo mwamulahoh waka?"
 Aitemuna ni kubona Mpyee mi ailelekisa
 mwamulahoh.

Batu ba kopana ni lifolofolo kuba ni mulelo.
 "Luka eza sikamaŋi ku tau kuli lufumane
 mulilo luapehe lico zaluna?" Kiha babuza hane
 bakopani? Balitela kufitela manzibwana mi
 bakala kuopela, kukamba ni kubizana. "Taha
 ubapale ni luna. Taha ubapale ni luna. Taha
 ubapale ni luna."

Lifolofolo zeñata zazwa mwamushitu nikuto kena mwakubina. Tau atisa tukota twahae twa mulilo. Acakula ni kucakula hape, hakisikalyeha musu wakala kubonahala kwatukota. Tau a fuzela fa musu ni kubeya fateni bucwañi bobuomile. Kalilonyana katobonahala kuli mane yomuñwi ni yomuñwi atisa kota. Kasamulaho kaufela bona bakala kubina inge bapitoloha mulilo.

“Oo!” kwa komoka batu, ki folofolo mañi yekona kulutusa mwanako yacwale? Mpyee ina ni mautu a matelele hahulu, lukupe tuso kuyena. Batelokela Mpyee mulelo wa bona miya yonga tukota twamulilo tonetuli twaTau.

Tau hape a opela pina yahae ya kuitumbaeta.
 Kuna ha kuna sesibilaeza. Hanina butata
 bobukana. Nikona kumica inge muna ni millii
 kapa mane ni hamusina. Kaufela mina
 mufetuha kuba sico saka.

Shakame natalifile ni bunyamenyame. Batu
 nebali kuyena, "halunze luopela kwanu mi Tau
 inge abina niluna, wena unge tukota twahae
 twamulilo ni kumata." Kacwalo Shakame anga
 tukota twaTau twamulilo ni kumata. Nasika ya
 kwahule kakuli Tau namulelekisize ni
 kumuswala. Tau a kutisa tukota twahae twa
 mulilo.

Tau a kala kuopela pina ya kuitumba: “Kuna hakubilaezi. Hanina butata. Nikona ku kuca ni milili, ni kona ku kuca kusina milili. Hanina butata. Mina kamukana mulico zeni kona kuca.”

Hane babapala inge bapitoloha mulilo, Puti aswala tukota twamulilo twaTau ni kumatela mwabucwañi. Kono tau ali, “Kiñi hanisikautwa Puti kubuyela kamuhono sina sapili?” Tau a fetuha ni kulelekisa Puti yana matela mwabucwañi. Tau ya mata kuyo muswala ni kukutisa tukota twamulilo.

Batu kiha bakala kuishobotela. Bali, "lubuze Puti kiyo munyinyani kono umata kakuitahanela." Bali ku Puti, "Tau ha ibina ni kuopela ni luna, wena Puti ulukela kunga tukota twahae twamulilo ni kumata."

Folofolo yebibwa sipuliniiboki ne ikona kumata ni kutula kabubebe. Batu bali kuyona, "Tau ha inze ibapala ni kuopela ni luna fa, Ulukela kunga tukota twahae twamulilo ni kumata."

Hane babapala cwalo ni kuopela, Sipuliñiboki a swala tukota twamulilo ni kutulela mwasibaka sa bucwani. Tau ali, “Kiñi hanisika utwa misindo ya litaku za Sipuliñiboki kwamulaho waka?”

Tau a temuna ni kubona Sipuliñiboki hana matela mwabucwañi ni tukota twahae twamulilo. Ki ha imata mwamulaho wa Sipuliñiboki, yamuswala kunga tukota twamulilo ni kukuta ni tona. Hape tau yazwelapili kuopela lipina za kuitumba.
