**Global Storybooks**

Gabar yar ayaa aragtay muuqaal  
aan la garaneyn oo masaafo ka  
muuqdo.

Ilmihî dameerka ahaa iyo hooqayadî  
 waay wada koreen waxa ay na  
 heleen qaabab badan oo ay ku  
 wada noolaan karraan midba midka  
 kale dhiniciisa. Tarrib tarrib,  
 dhiacyadooda oo dhan, qoysas  
 taya bilabay in ay soo dagaan.

Marki u muugalki soo  
 dhowaaday, waxa ay aragtay in ay  
 tahey haweeney xamilo culus ah.

Xishood laakiin geesi nimo, gabadhii  
waxa ay ku sii dhowaatay  
haweeneydii. "Waa in ay nala  
joogtaa," ayay gabadha dadkeedii  
go'aansadeen. "Iyada iyo  
ilmaheedaba waa aannu nabad  
gelinaynaa."

Dameerkii waxa uu helay hooyadii,  
oo cidlootay una barooranaysa  
ilmaheedii lumay. Muddo dheer  
ayay is eegteen midba midka kale.  
Dabadeedna ihabisi siiyeen waliba si  
adag.

Ilmaha ayaa soo dhakhsa ba  
wadada soo galay. "Riiix!" "Bustayal  
la kaalay!" "Biyo!" "Riiiixxxxx!!!"

Ugu dambeeyntii dameerki wa uu  
ogaday waxa in la sameeyo ah.

Laakiin markii ay ilmihii arkeen, qof walba gadaal ayuu argagax ugu booday. "Dameer?!"

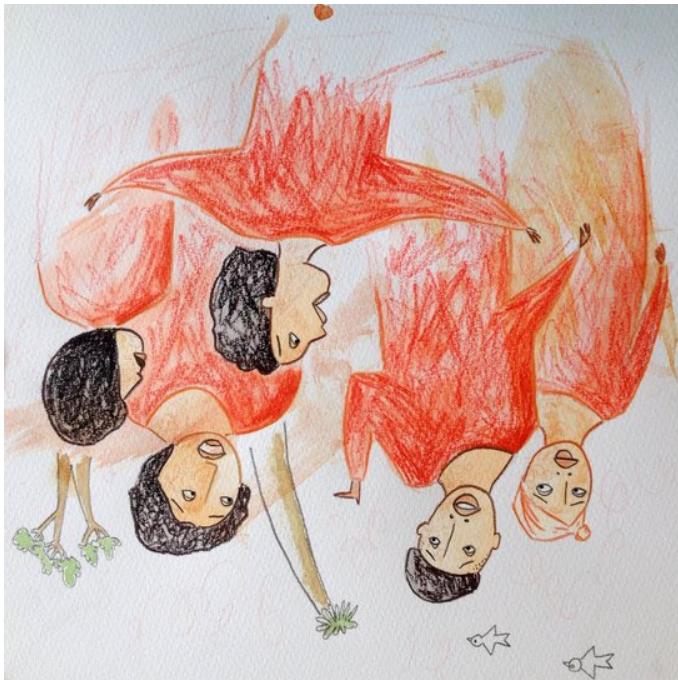

... daruurihii ayaa la libdhay asaga iyo saaxiibkiis ba, odayga duqa ahaa.

na...

Meeel kore oo daruuraha ka mid ah  
ayey hurdo kula dul dhaceen.  
Dameerkii waxa uu ku riyooday  
hooyadiis oo xanuuunsanaysa oo  
isaga u yerryasa. Markiil uu tooasy

Qof walliba muran ayuu bilabay.  
"Waxa ayunu ballan daadnay in aan  
ilmaha iyo hoyadaba nabad gelyo  
siinno, wanaa in aan sidas  
yeeleena," daar baa sidaa yiri.  
"Lakkii waxa ay noo horseedi  
doonaan nasiib darro!" daar kale  
aya sidaa yana yiri.

Sidaa darteed haweeneydii way  
cidlowday mar kale. Wuxa ay ka la  
yaabaneyd wixii ay ku sameyn  
lahayd ilmahan qaabka daran. Wuxa  
kale oo ay ka la yaabaneyd wixii ay  
iyaduna isku sameyn lahayd.

Subax subaxyada ka mid ah, ayaa  
uu odagii weyddiistay Dameerkii in  
uu u qaado buur dhaladeed.

Akhirki waxa ay isku dancisyay in ay  
aqbashe in uu ilmacheedi yahay,  
iyaduna ay hooядиis tayah.

Dameerki waxa uu racay si uu ula  
jooqo odagii, kaas oo bary daabab  
kala duwan oo ah sida loo noolado.  
Dameerki waxa uu nodday mid wax  
chagetystay oo na wax bartay, sidoo  
kale ayuu sameyay odaygana. Waa  
ay is caawiyeen, wa ayna wada  
qosleen si wada jir ah.

Hada, hadii uu dameerka ku joogi lahaa sidiisi, bar yaraanta, wax walbo waxaan ahaan lahaayeen si ka duwan sidan. Laakiin ilmihii dameerka ahaa wuu koray oo koray ilaa uu la ekaan waayay dhabarkii hooyadii. Si kasta oo uu isku deyay na, waa uu u dhaqmi waayey sidii dadkii oo kale. Hooyadii aad bay u daashay oo waa ay isku buuqday. Marmar waxa ay isku dayday in uu

Dameerkii waxa uu toosay isaga oo oday la yaab leh hoos usoo eeegayo. Indhihi odayga ayuu eegay waxuu na billaabay inyar oo rajo ah in uu dareemo.

sida xayawaanka u shadeyo.

Waqdigii uu jooyay orodkii, habeen  
bay ahayd, Dameerkiina waan  
lumay. "Haai! Aaa?" ayuu mugdigii  
uga dhex gunuuacay. "Haai! Aaa?"  
ayuu mugdigiga ka daba dhabay.  
Waxuu ahaa mid cidelooabay. Intuu  
isku duudubay sidii kubad adag,  
ayuu la dhacay hурдо дхөөр oo  
dhiban.

Jahawareer iyo carro ayaa iskugu darsantay dameerkii. Sidan ma yeeli karo sidaana ma yeeli karo. Sidan ma noqon karo sidaana ma noqon karo. Mar uu aad u xanaaqay, ayaa uu maalin hooyadii laad ku kiciyey oo dhulka ku tuuray.

Dameerkii ceeb ayuu dareemay. Waxa aanu bilaabay in uu aad u ordo oo uu u cararo meel fog.
