Gudaha magaaladda mashquulsan ee  
Nayroobi, ee ka fog daryeel nolol ee  
guriga, waxaa ku noolaa koox wiilal ah oo  
hoy la'aan ah. Waxay soo dhaweeyeen  
maalin kasta sidii ay u timid. Subax  
subxaha kamid ah, wiilasha ayaa  
darimahooda laablaabanayay ka dib ku  
seexashadi wadada qaboow qarkeeda. Si  
aay isaga kiciyaan qabowga waxay shiteen  
dab qashin lagu shiday. Kooxdan wiilasha  
ah waxaa ka mid ahaa Magozwe. Wuxuu  
ahaan ugu yar.

Markii walidki Magozwe dhinteen, Wuuxuu  
ahaashan sanoo jir. Wuuxuu aaday addeerki  
si uu ula nooladdo. Ninkani ma daryeelen  
ilmaha. Ma uusan siin Magozwe cunto ku  
filan. Wuuxuu ka yeeelay willka in uu qabto  
shado badan oo adag.

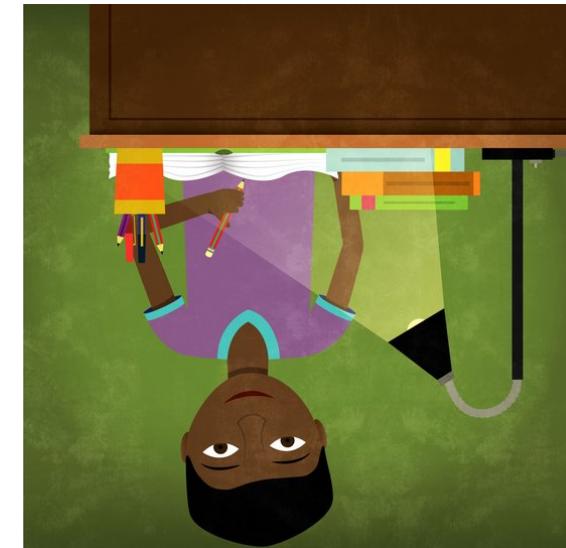

Haddii Magozwe uu ka cawdo ama su'aalo, adeerkii is ayaa garaaci. Markii uu Magozwe weydiistay inuu iskuul aadi karo, adeerkii is ayaa garaacay oo ku yidhi, "Aad ayaad nacas u tahay in aad wax barato." Saddex sano oo loola dhaqmayay Magozwe waa uu ka cararay adeerkii. Wuxuu bilaabay in uu ku noolaado waddada.

Magozwe wuxuu fadhiiyay deyrka gurigii saqafka cagaara, akhrisanayo sheeko buug oo dugsiga. Thomas baa u yimid oo soo ag fadhiistay isaga. "Maxay sheekada ku saabsantahy?" waxaa weydiiyay Thomas. "Waxay ku saabsan tahay wiil yar oo macallin noqday," ayuu yiri Magozwe. "Waa maxay magaca wiilka?" waxaa weydiiyay Thomas. "Magaciisu waa Magozwe," ayuu yiri Magozwe isaga oo dhoola cadeynaya.

Magozwe wuxuu bilaabay dugsiiga,  
 waxayne ahayd mid adag. Waxaa u yaalay  
 wax badan in uu la qabsado. Mararka qaar  
 wuxuu doonayay in uu iska daayo. Lakkiin  
 wuxuu ka fekeray duuliyihii iyoo  
 ciyarrayahankii kubadda cagta ee buugta  
 sheekooinka. Sida iyaga oo kale, ma  
 usan is dhilibin.

Nolosha waddadu way adkayd,  
 badankoodna willasha waxa ay maalin  
 walba la halgmayay si ay cunto u helaan.  
 Mararka daarkood waax laxirayay,  
 mararka daarkood waax la garacaayay.  
 Markii ay xanuunsadaan, ma jirin cid  
 caawisa. Kooxdoo waxay ku tirisanayd  
 lacagta yar ee ay tugsiga ku soo helaan,  
 iyo ilbinta caagadaha iyo dib-u-  
 warshadaynta kale. Nolosha waxa ahayd  
 mid sii adag sababtoo ah dagalo lala galoo  
 kooxo cadow ah oo rabo in ay mamulaaan  
 qeybo kamid ah magaalada.

Maalin maalmaha ka mid ah markii uu Magozwe fiirinayay weelka qashinka lagurido, wuxuu helay buug sheeko oo gaboobay oo dildilaaacsan. Waxuu ka nadiifiyey wasakhdi waxuuna ku ritay jawankiisa. Maalin walbo malintaa kadib wuxuu soo bixin jiray buugga oo eegi jiray sawirada. Ma uusan aqoonin sida loo akhriyo ereyada.

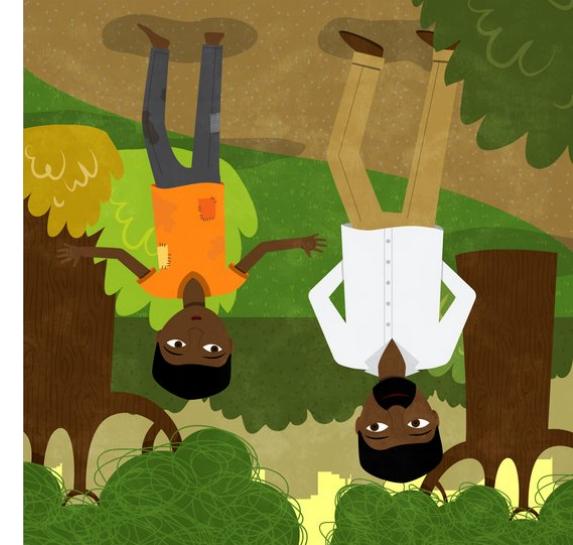

Oo sidaas daraaddeed Magozwe wuxuu dagay qol guri saqaf cagaaran. Wuxuu qolka la wadaagay laba wiil oo kale. Guud ahaan waxaa jiray tobantuur ah oo ku noolaa gurigaas. Eedo Cissy iyo ninkeeda, seddex eey, bisad, iyo ri duq ah.

Sawirada waxay sheegi jireen sheeko will  
 weynaday sii u noddo duuliyé. Magozwe  
 wuu mailin ryoodan jiray isagoo ah duuliyé.  
 Mararka daar, waxuu niyeysan jiray in uu  
 yahay willka sheekada ku jiro.

Wuuxu lawadagay cabsiidas Thomas.  
 Muddo ka dib niniki ayaa ku booriay  
 willka in noloshu ku fiicnaan kartu  
 meeshas cusub.

Waxay ahayd qabow, Magozwe waxa uu markale taagnaa wadada asagoo tuugsanayo. Nin baa xagiisa u soo dhaqaaqay. "Helo, waxaan ahay Thomas, waxaan ka shaqeyaa meel halkan u dhow, oo aad ka heli karto wax aad cunto," ayuu yiri ninkii. Waxa uu tilmaamay guri jaale ah oo leh saqaf buluug ah leh. "Waxaan rajeynayaa in aad halkaas aadi doonto si aad u hesho cunto?" ayuu weydiiyay. Magozwe wuxuu eegay ninkii, ka dibna guriga. "Waa laga yaabaa," ayuu yiri, wuuna ka dhaqaaqay.

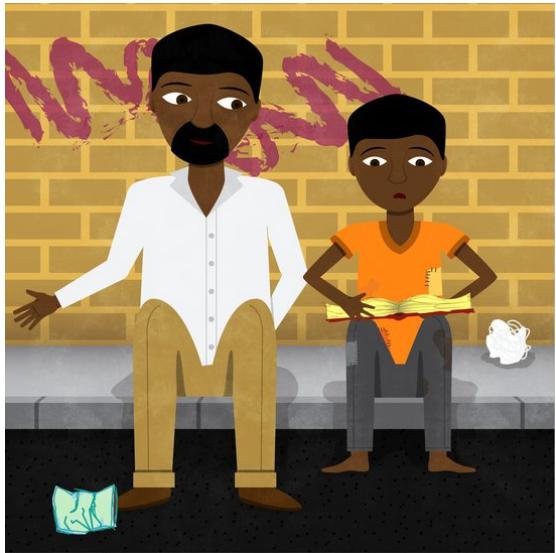

Magozwe wuxuu ka fakaray meeshan cusub, iyoaadista iskuulka. Maxaa dhacaya haddii uu adeerkiiis saxsana oo uu ahaa asaga mid aad u nacas ah inuu wax barto? Maxaa dhacaya haddii ay ku garaacaan meeshan cusub? Wuu cabsaday. "Waxaa laga yaabaa in ay ka wanaagsan tahay inaad ku sii noolaato wadada," ayuu ku fakaray.

Bilhii ka dambbeeyey, willashii hoo  
 La'anta ahaa waxay la qabsadeen araga  
 Thomas meelaha ka dhow. Wuxuu jecala in  
 uu la hadlo dacka, gaar ahaan dacka ku  
 nool wadoodiyinka. Thomas wuxuu  
 dhageystay sheekoo yinka nolosha dacka.  
 Wuxaa uu ahaa mid aad u daneeyo una  
 dulqato, marnaba ma ahayn mid kibro  
 ama ixtirram daran. Qaar ka mid ahs  
 willasha waxay bilabeen in ay aadaran  
 guriga jalaha iyo buluuga ahi si ay cunto u  
 helaan duhurnimadii.

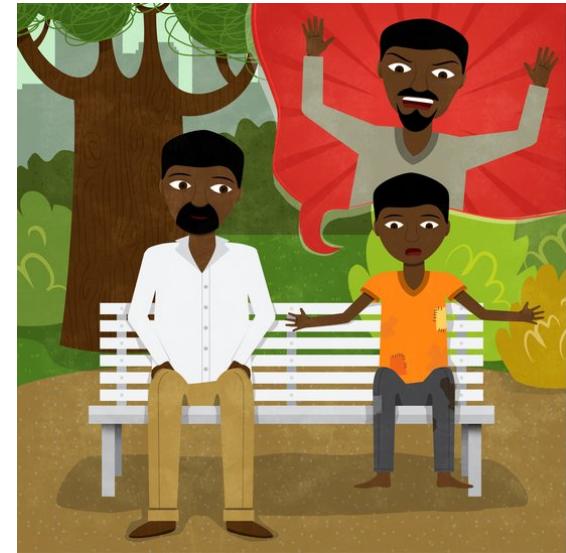

Mailintii tobnaad dhalashada Magozwe  
 wuxuu siyey buug shheeko oo  
 cusub. Waxay ahayd shheeko ku saabsan  
 will yar oo tullu joogay oo kory si uu u  
 noodo ciyaryahan caan ah. Thomas  
 wuxuu sheekadood u akhriyey Magozwe  
 marar badan, ilaa hal maalin ayuu yiri,  
 "Waxaan u malaynayaan inay tahan wadtagilli  
 aad tagtay dugsiiga aadna baratay si aad u  
 akhriido. Maxaad u malaynayaasaa?", Thomas  
 wuxuu sharxay inuu ogaa meel ay  
 carruurtu joogi karraan, oo aadaran dugsi.

Magozwe wuxuu fadhiiyay wadada qarkeeda isaga oo eegaya sawirka buugiisa markuu Thomas soo fadhiistay agtiisa. "Maxay sheekada ku saabsantahay?" ayuu Thomas weydiiyay. "Waxay ku saabsan tahay wiil yar oo noqday duuliye," ayuu Magozwe ku jawaabay. "Waa maxay magaca wiilka?" ayuu Thomas weydiiyay. "Ma aqaan, ma aqrin karo," ayuu Magozw si hoos ah u yidhi.

Markii ay kulmeen, Magozwe wuxuu bilaabay in uu sheekadiisa u sheego Thomas. Waxay ahayd sheekadii adeerkiis iyo sababta uu ooga soo tagay. Thomas lama hadlin wax badan, mana u sheegin Magozwe waxa uu sameyn lahaa, laakiin marwalba wuxuu u dhageystaa si taxadar leh. Mararka qaark way hadli jireen markii ay ku cunaayan guriga leh saqafka buluugga ah.
