Waa baa waxaa jiray, qoys
farxad ku nool.

Weliqood isma ayan dagalim.
Hawsha guriga iyo beeretana
waay ka caawiin jireen
waalidkood.

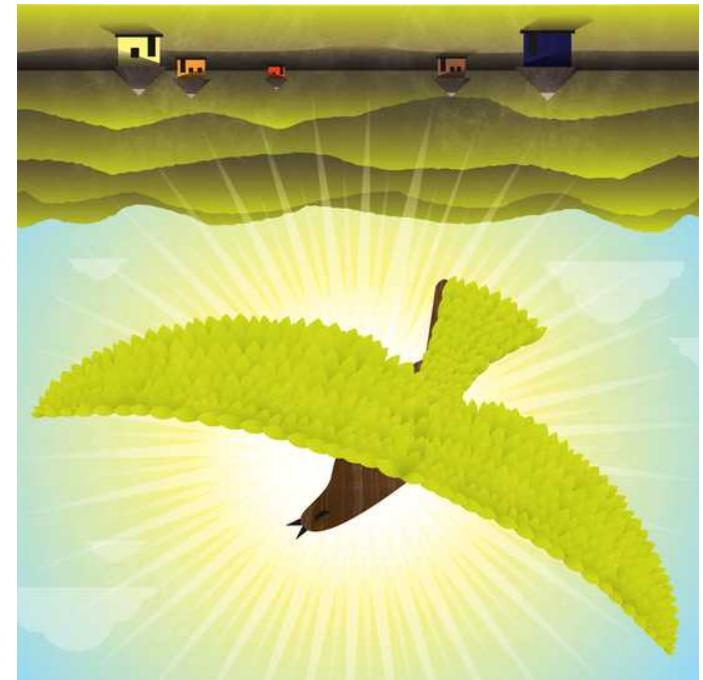

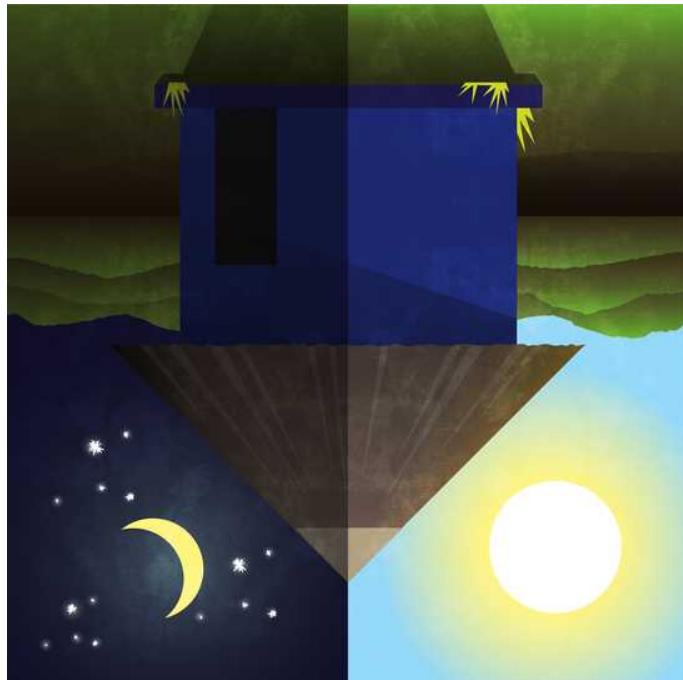

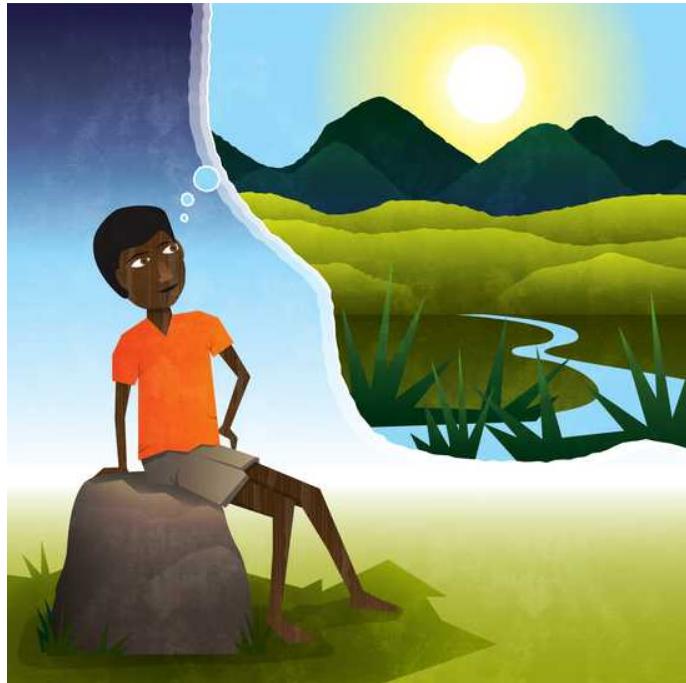

Laakiin looma oggolayn in ay
dab u dhowaadaan.

Sidastey qorraxda qorraxda
 usoo baxday na, wa uu duulay
 isaga oo ku dhex heesaya
 iftiinka arrooyad.

Hawshooda oo dhanна waxa
 ay dabsan jireen habeenki.
 Sababtoo ah waxaa ay ka
 sameysmayeen xabadi!

Laakiin Mid wiilasha ka mid ah
ayaa u xiiso qabay in uu
cadceeedda u baxo.

Waxa ay u qaadeen shimbirkii
walaalkood ahaa buur dheer
dusheeda.

shimbir.

Lakkiiin qorshe ayay degreen.
Waxaa ay u ekelysiyeen kuus
xabagta dhalashay ah
Hal mailin ayaa uu
rabitankisu aad u xooqeystay.
Wallaalihis ayaa uga digay...

Laakiin waa ay daahday!
Qoraxda kulul ayuu ku
dhalaalay.

Carruur xabkeedkii aad bay
uga murugodeen in ay arkaan
walaalkood oo dhalaalaya.
