Isang elepante ang iinom
ng tubig.

Dalawang dyirap ang
iinom ng tubig.

Tatlong kalabaw at apat na ibon ang iinom ng tubig.

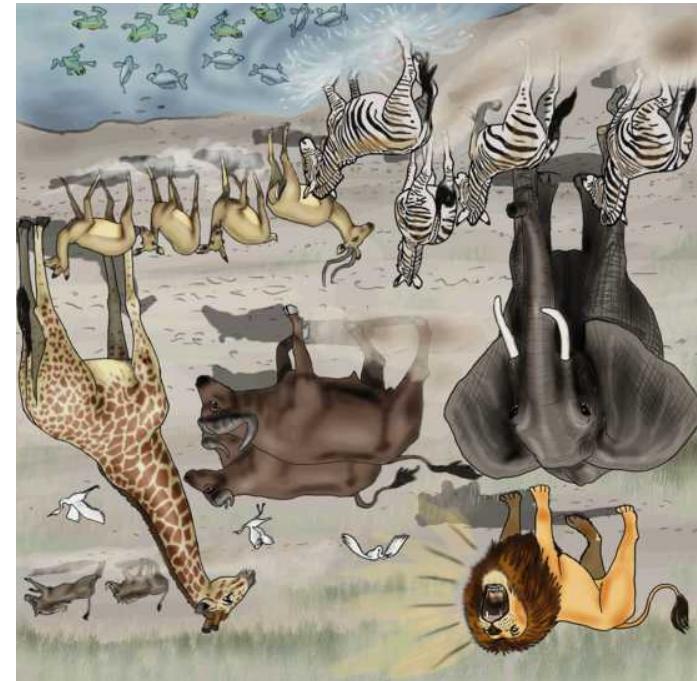

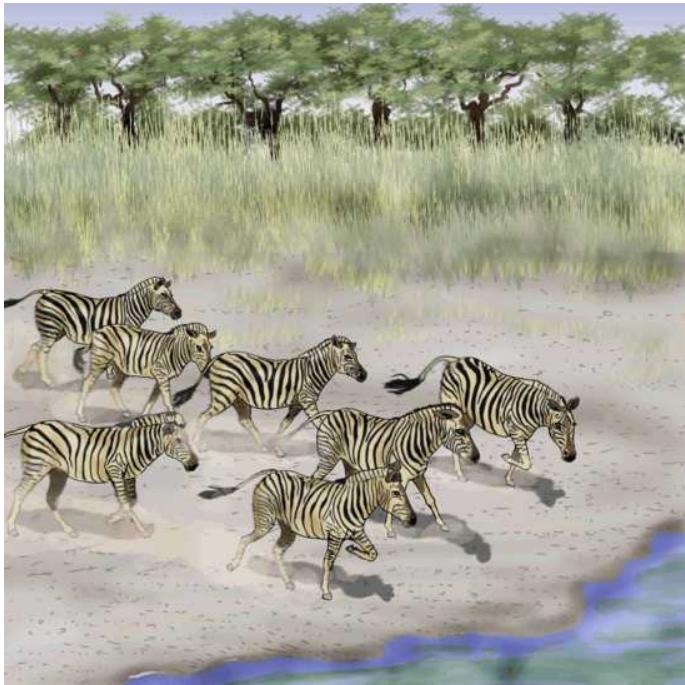

Isang elepante ang umiinom kasama ng leon.

Limañg impala at anim na
baboy-ramo ang papunta
sa tubig.

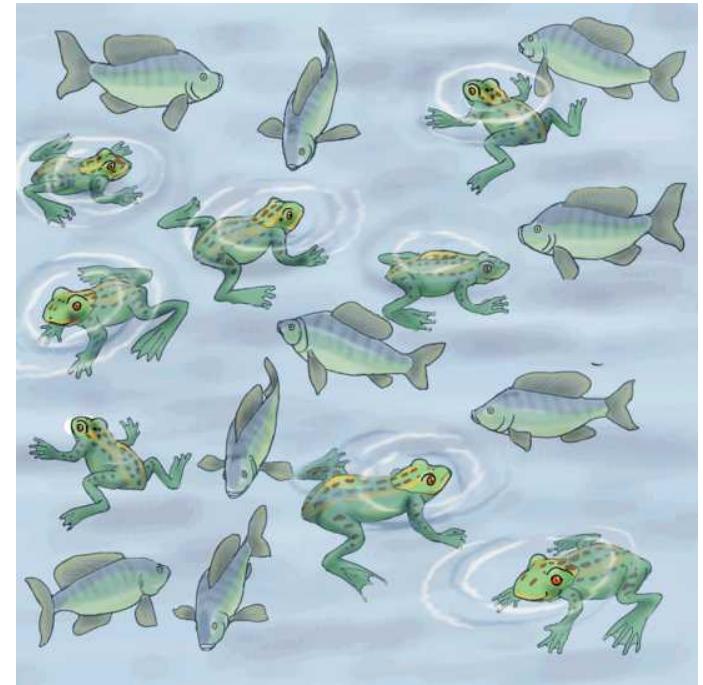

Isañg leon ang matunggal.
Gusto rin niyang uminom
ng tubig. Siño ang takot sa
leon?

Pitong zebra ang
tumatakbo papunta sa
tubig.

Walong palaka at siyam na
isda ang lumalangoy sa
tubig.
