Ngibonani ngamehlo ami.

Owesifazane okhulwe ebambelele

Umphakathi wamamukela ukuthi

Wamthola umama wakhe, bahlala kahle ndawonye. Lapho umama wayegibela kumntwana wakhe bazulazule endaweni yangakubo.

Ngabo lobo busuku wezwakala

Umbongolo wayehamba ezibuza, Ngabe ngye umama wami lo.

Wabeletha umntwana oyimbongolo.

Umbongolo wayekhathazekile.
Waphindela

Umbongolo waphaphama

Sizokwenzenjani? Abantu besho bemangala.

Babaleka bonke abantu.
“Ngizokwenzenjani ngalomntwana
oyimbongolo?” Kucabanga lo
wesifazane.

Ngolunye usuku banyukela

Ekugcineni wazibophezela ukumthanda

Esekhulile umbongolo, indoda

Umntwana oyimbongolo wakhula

Indoda yamthatha umbongolo

Waphaphama sekumi indoda

Umama wakhe waphatheka

Umntwana umbongolo wabaleka

Umbongolo wazizwa
enomzwangedwa, elambile futhi
ekhathele. Wagcina ezumekile.
