A long time ago, three girls went out to collect  
wood.

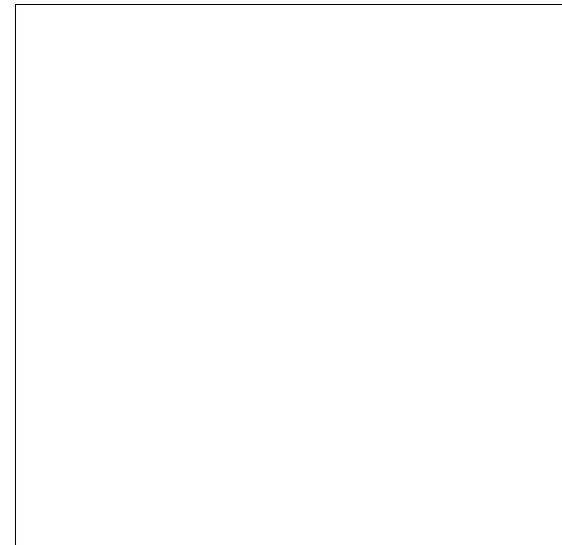

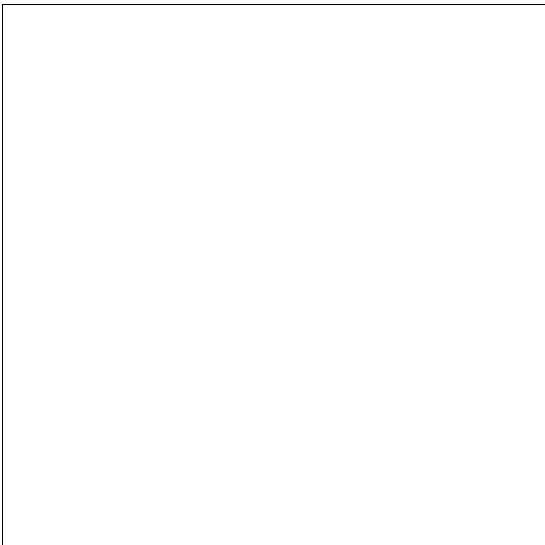

It was a hot day so they went down to the river to swim. They played and splashed and swam in the water.

Then the dog knew that Nozibelle had tricked him. So he ran and ran all the way to the village. But Nozibelle's brothers were waiting there with big sticks. The dog turned and ran away and has never been seen since.

Suddenly, they realised that it was late. They hurried back to the village.

When the dog came back, he looked for Nozibebe. "Nozibebe, where are you?" he shouted. "I'm here, under the bed," said the first hair. "I'm here, behind the door," said the second hair. "I'm here, in the kraal," said the third hair.

As soon as the dog had gone, Nozibile took three hairs from her head. She put one hair under the bed, one behind the door, and one in the kraal. Then she ran home as fast as she could. When they were nearly home, Nozibile put her hand to her neck. She had forgotten her necklace! "Please come back with me!" she begged her friends. But her friends said it was too late.

So Nozibele went back to the river alone. She found her necklace and hurried home. But she got lost in the dark.

...

Every day she had to cook and sweep and wash for the dog. Then one day the dog said, "Nozibele, today I have to visit some friends. Sweep the house, cook the food and wash my things before I come back."

In the distance she saw light coming from a hut. She hurried towards it and knocked at the door.

Then the dog said, "Cook for me!" "But I've never cooked for a dog before," she answered. "Cook, or I'll bite you!" said the dog. So Nozibebe cooked some food for the dog.
