Mit hjerte føler en masse ting.

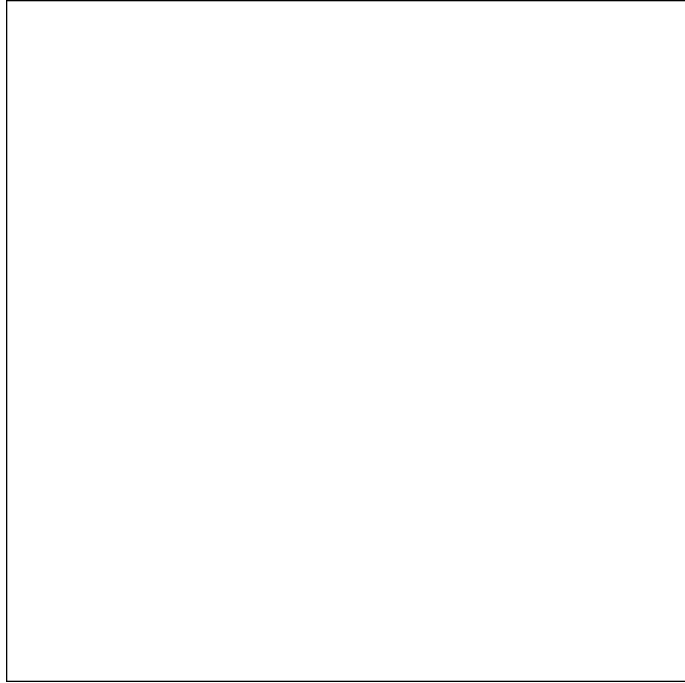

...

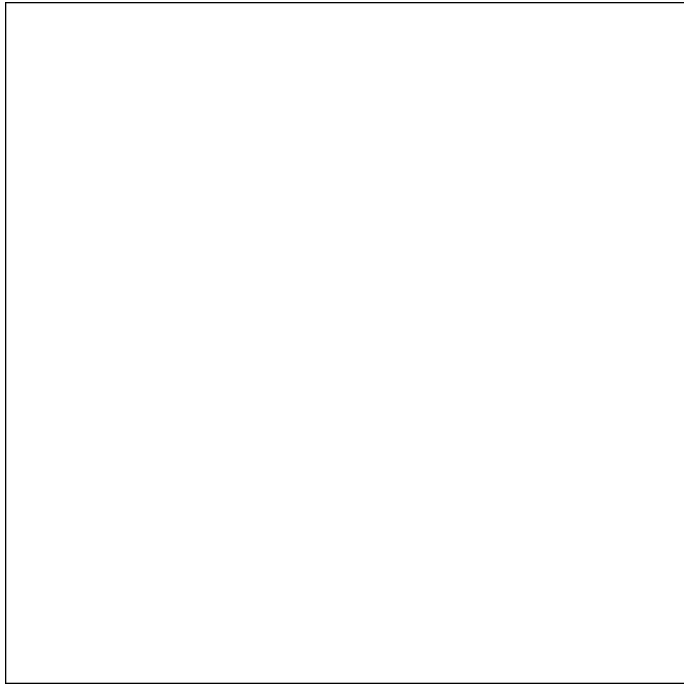

My heart feels a lot of things.

Jeg føler mig glad, når min
 bedstemor fortæller os
 historier om aftenen.
 ...
 I feel happy when my
 granny tells us stories in
 the evening.

Jeg føler mig elsket, når
 min mor giver mig et knus.
 ...
 I feel loved when my mom
 gives me a hug.

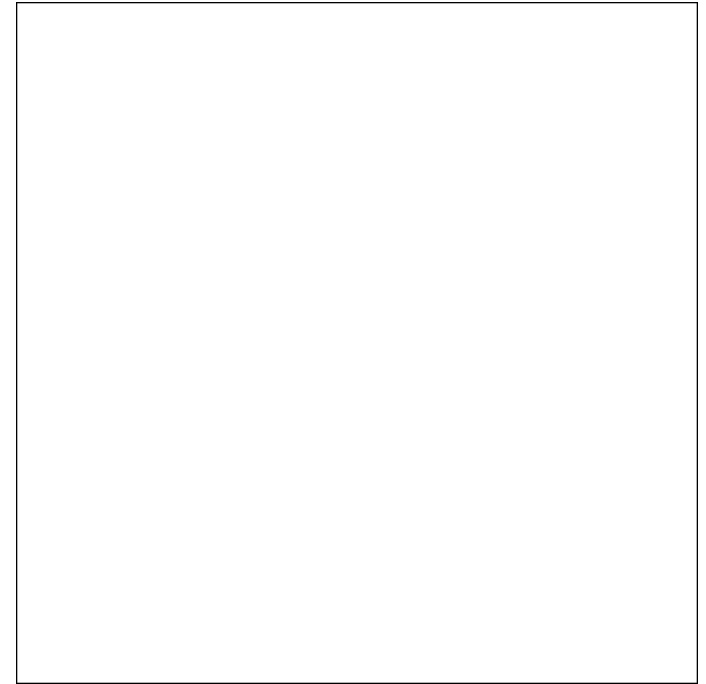

Jeg føler mig fjollet, når jeg leger med min ven.

...

I feel silly when I play with my friend.

Jeg føler mig trist, når min far siger, at han ikke har nogen penge.

...

I feel bad when my dad says he does not have money.
