Jeg kan lide at læse.

...

I like to read.

Hvem kan jeg læse for?  
...

Who can I read to?

Min søster sover.

...

My sister is asleep.

Hvem kan jeg læse for? Jeg  
kan læse for mig selv!

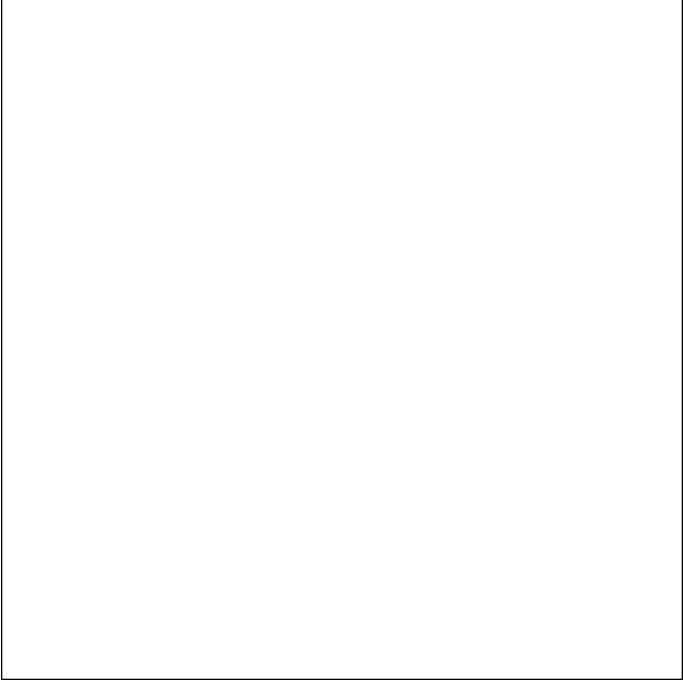

...

Who can I read to? I can  
read to myself!

Hvem kan jeg læse for?

...

Who can I read to?

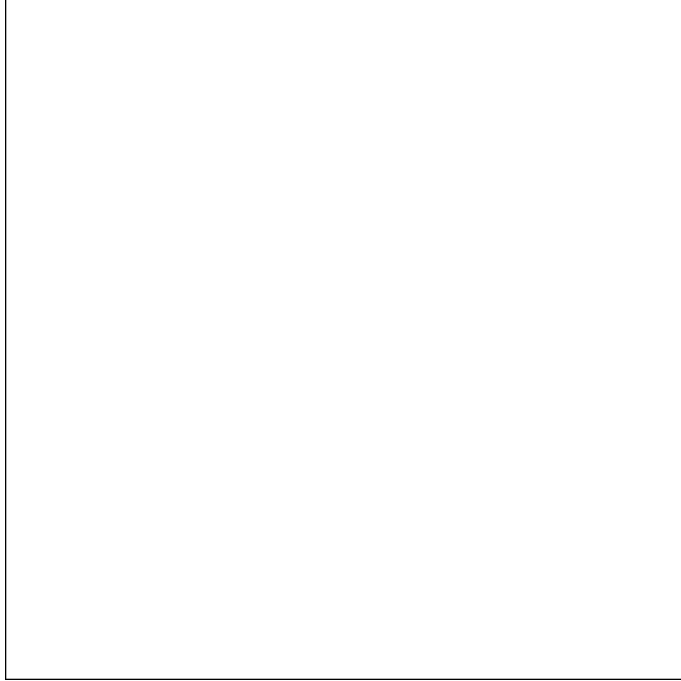

Min far og min bedstefar

har travlt.

...

My father and grandfather  
are busy.

Min mor og min  
bedstemor har travlt.

...

My mother and  
grandmother are busy.

Hvem kan jeg læse for?

...

Who can I read to?
