En dag fik mor en masse frugt.

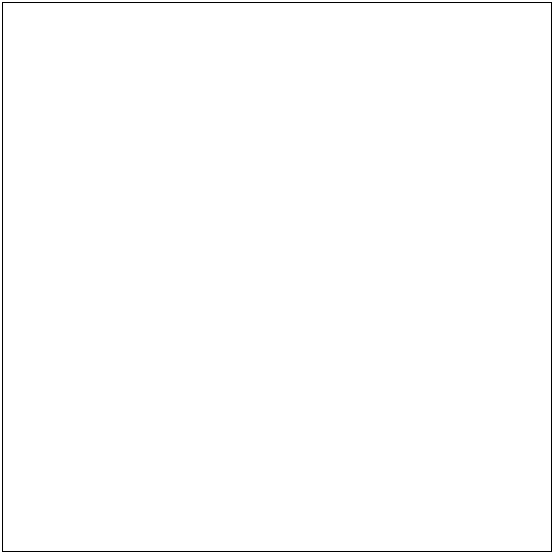

...

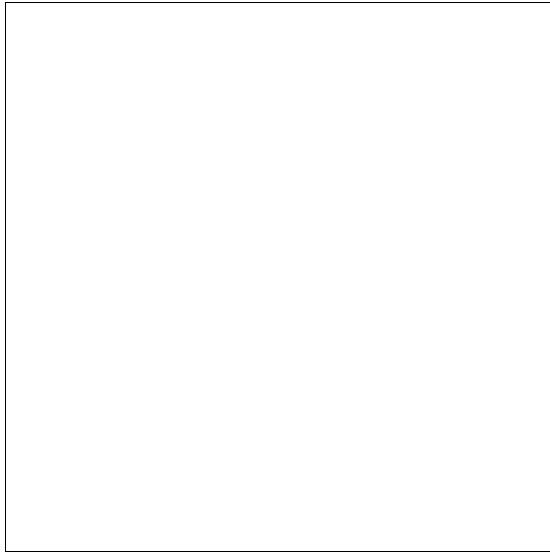

One day, mama got a lot of fruit.

“When can we have some fruit?” we ask.
“We will have the fruit tonight,” says
mama.

...

“Hvornår må vi få noget frugt?” spørger
vi. “Vi spiser frugten i aften,” siger mor.

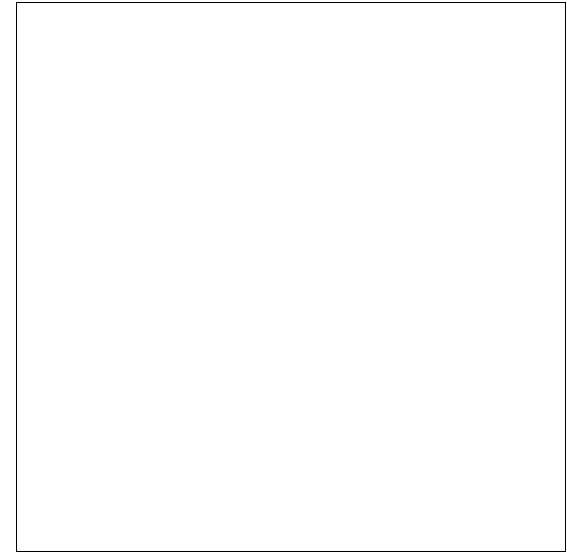

Min bror Rahim er grådig. Han smager på al frugten. Han spiser en masse af den.

...

My brother Rahim is greedy. He tastes all the fruit. He eats a lot of it.

Senere siger Rahim undskyld til os. "Jeg skal aldrig være så grådig igen," lover han. Og vi tror alle på ham.

...

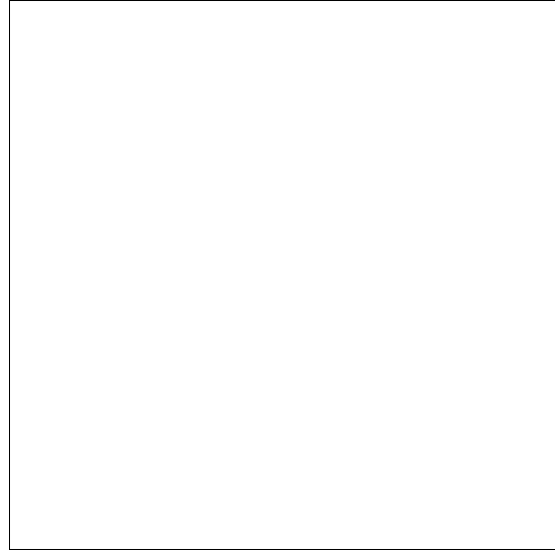

Later, Rahim says sorry to us. "I will never be so greedy again," he promises. And we all believe him.

“Se, hvad Rahim har gjort!” råber min lillebror. “Rahim er slem og egoistisk,” siger jeg.

...

“Look at what Rahim did!” shouts my little brother. “Rahim is naughty and selfish,” I say.

Mor vidste, at dette ville ske. Frukten straffer Rahim.

...

Mama knew this would happen. The fruit is punishing Rahim!

Mor er sur på Rahim.

...

Mother is angry with Rahim.

"Jeg har ondt i maven," hvisker Rahim.

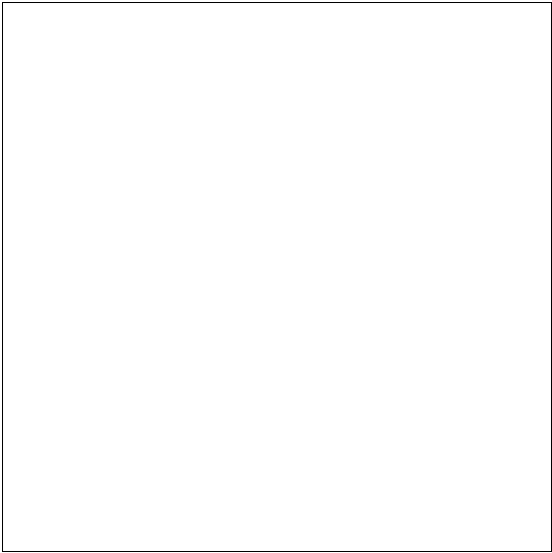

...

"My tummy is so sore," whispers Rahim.

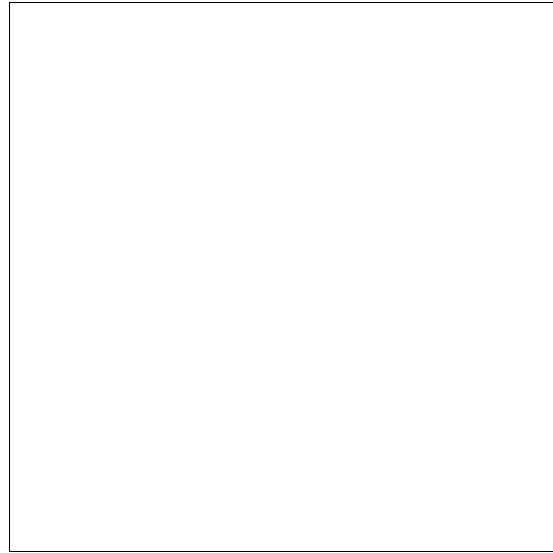

We are also angry with Rahim. But
Rahim is not sorry.

...

Vi er også sure på Rahim. Men Rahim er
ikke ked af det.

Rahim begynder at få det dårligt.
...
Rahim starts to feel sick.

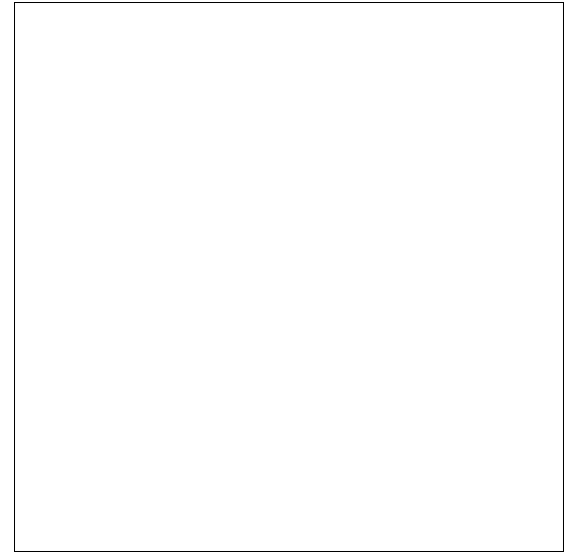

“Skal du ikke straffe Rahim?” spørger lillebror.

...

“Aren’t you going to punish Rahim?” asks little brother.

“Rahim, du fortryder det snart,” advarer mor.

...

“Rahim, soon you will be sorry,” warns mama.
