Es war einmal ein sehr
hungriges Krokodil.

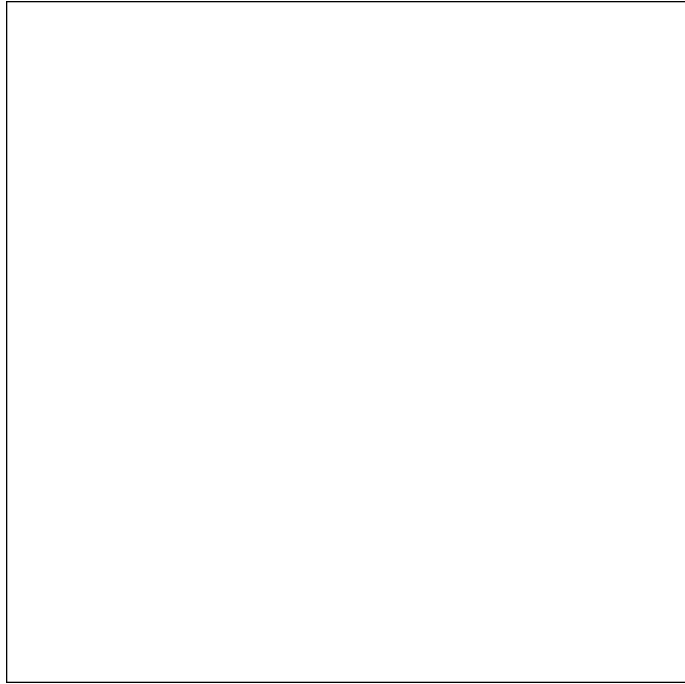

...

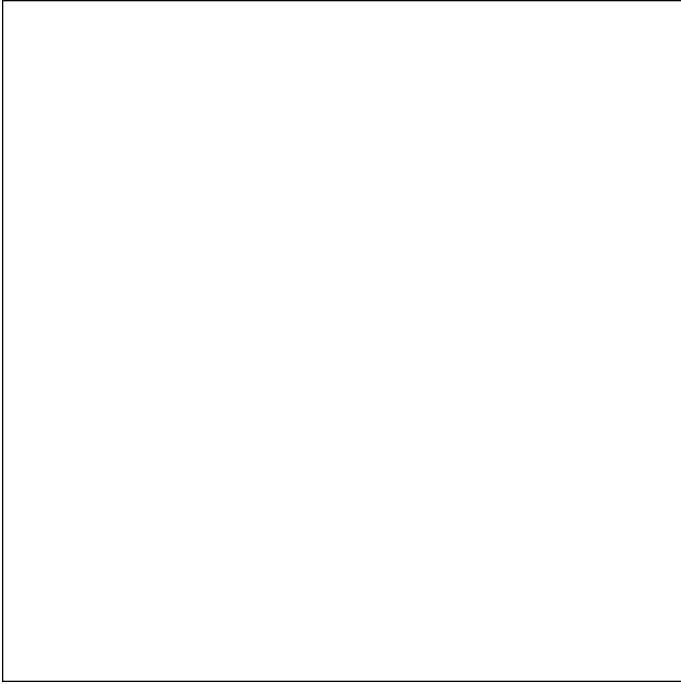

Once there was a very
hungry crocodile.

Langsam und leise suchte
 es nach Fressen. Und dann
 ...
 He searched for food
 slowly and quietly. And
 then...

Bis es wieder hungrig
 wird.
 ...
 Until he gets hungry again.

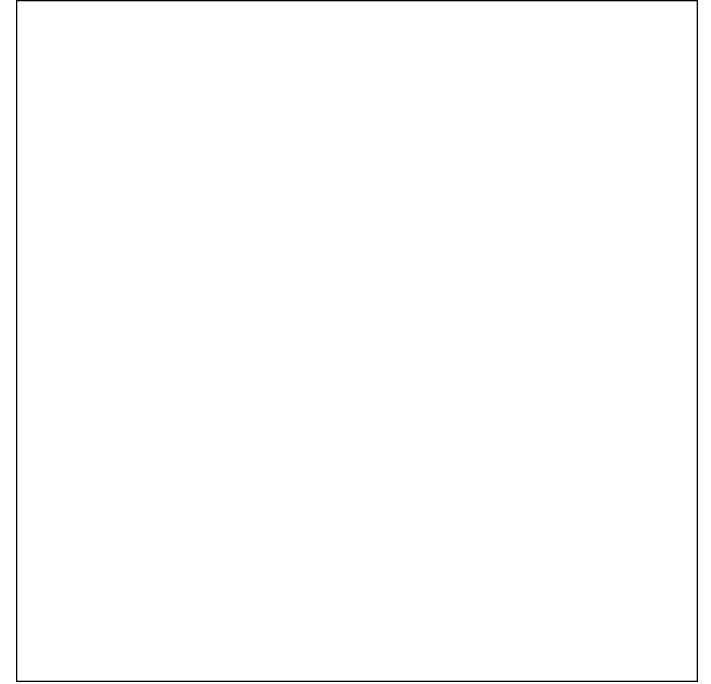

ZACK!!! Das Krokodil
schlägt zu!

...

POW!!! The crocodile
strikes!

Danach ist es nicht mehr
hungrig. Es ist glücklich.

...

After that he is no longer
hungry, and he is happy.
