Mi Ŝatas legi.

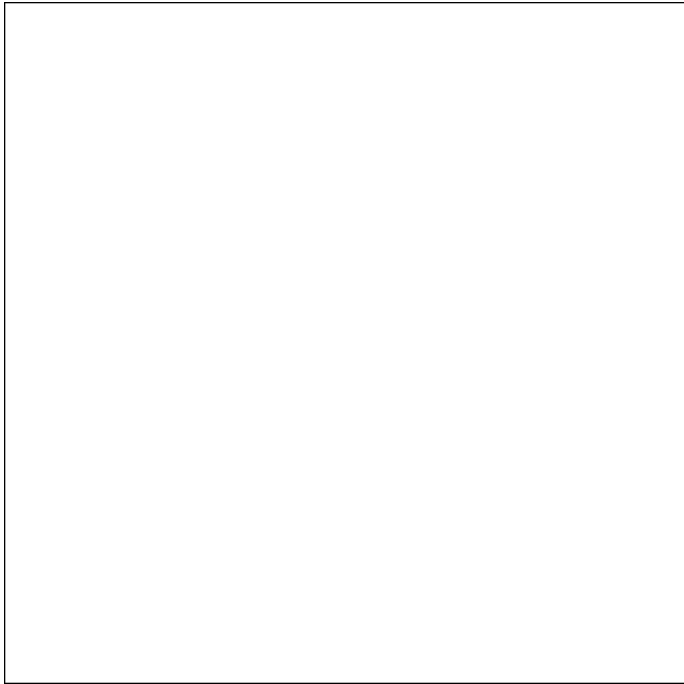

...

I like to read.

Por kiu mi povas legi?
...

Who can I read to?

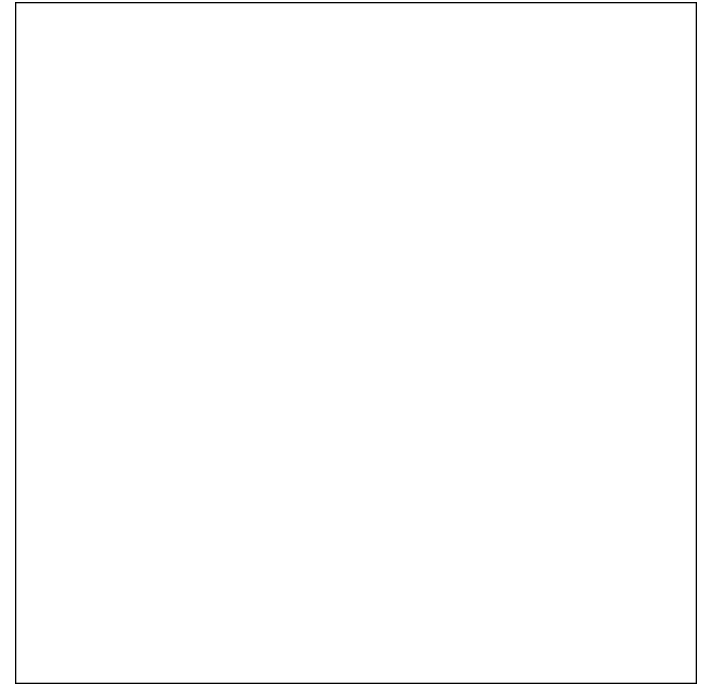

Mia fratineto dormas.

...

My sister is asleep.

Por kiu mi povas legi? Mi
povas legi por mi mem!

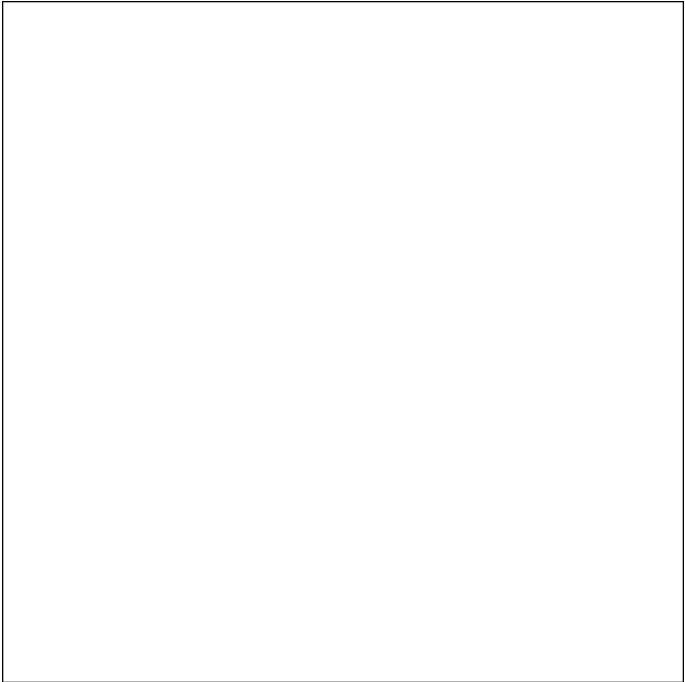

...

Who can I read to? I can
read to myself!

Por kiu mi povas legi?

...

Who can I read to?

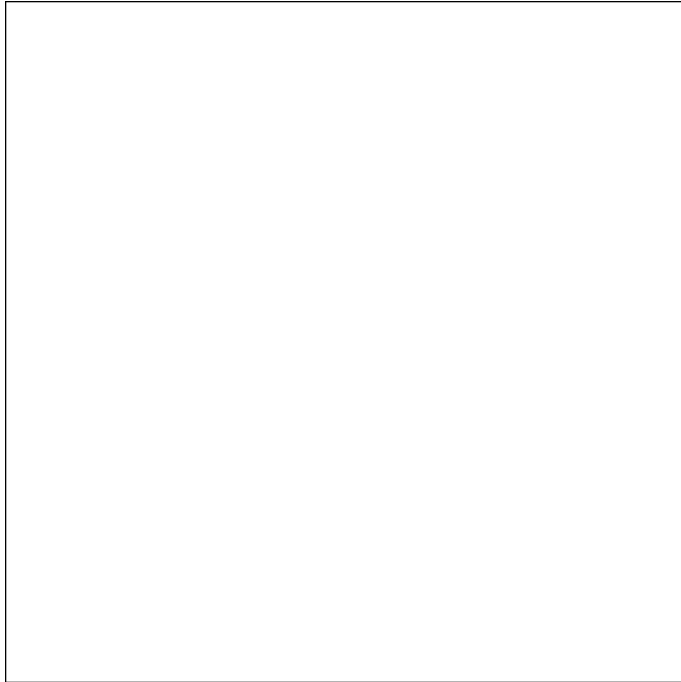

Mia patro kaj mia avo

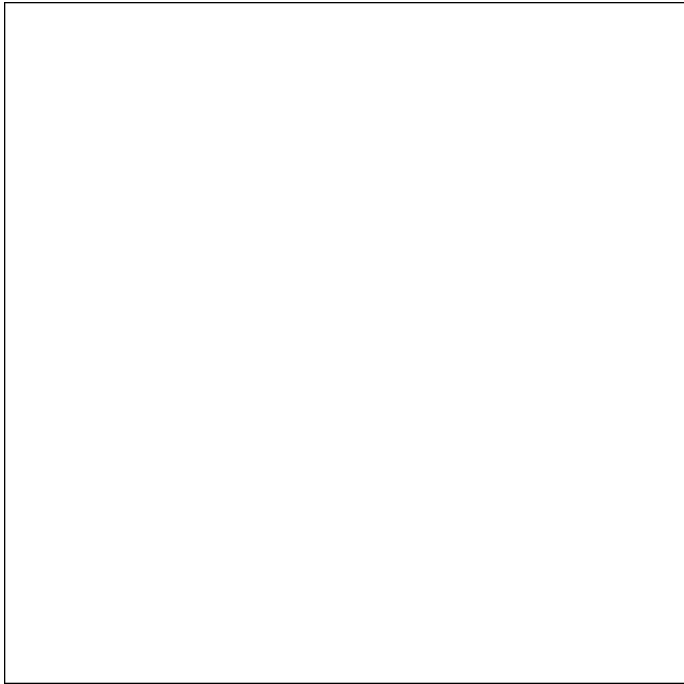

estas okupataj.

...

My father and grandfather

are busy.

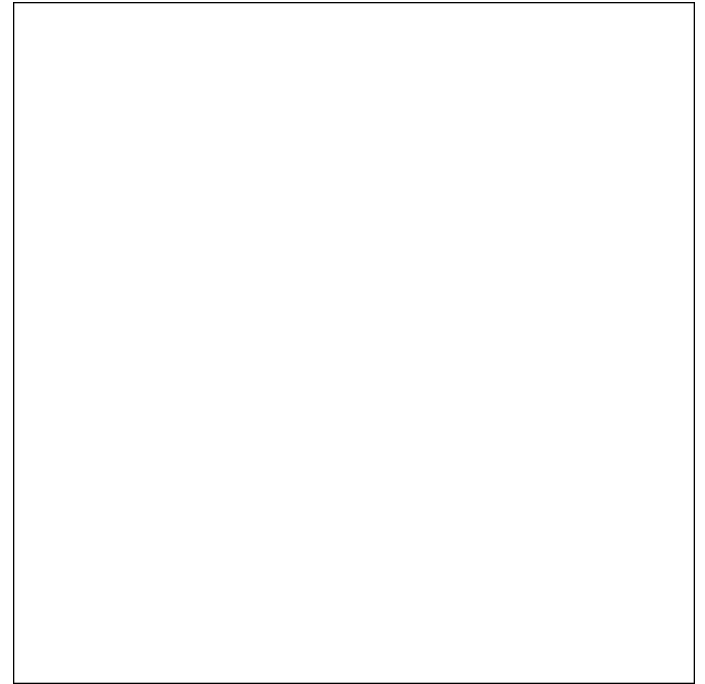

Mia patrino kaj mia avino
estas okupataj.

...

My mother and
grandmother are busy.

Por kiu mi povas legi?

...

Who can I read to?
