Énekelek.

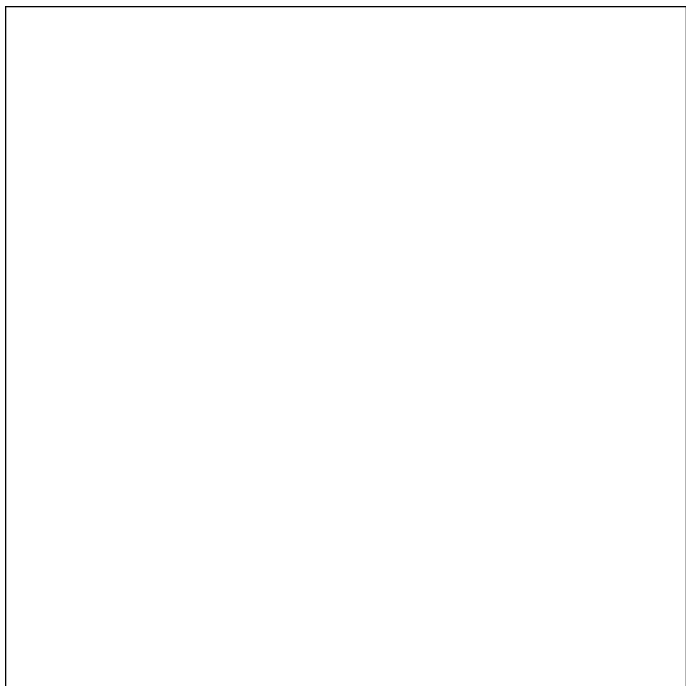

...

I am singing.

She is waving.

...

Integer.

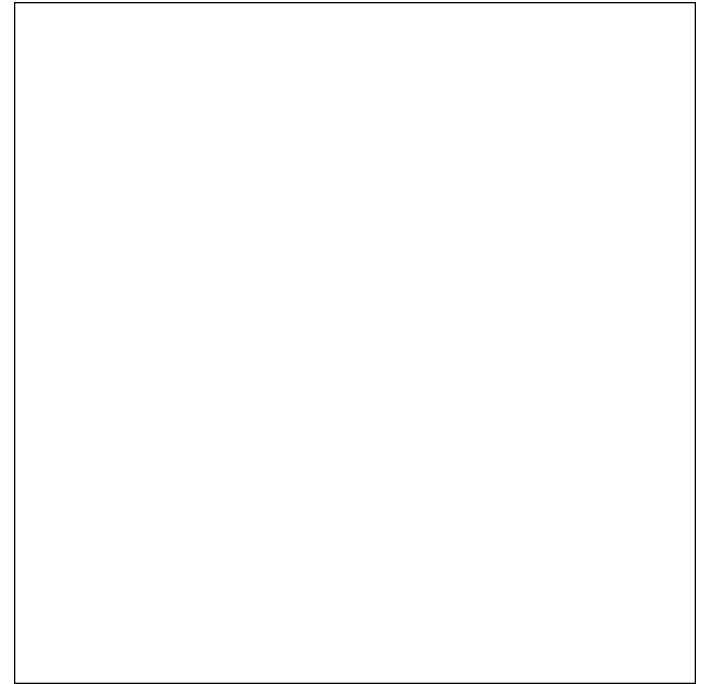

Tapsolok.

...

I am clapping.

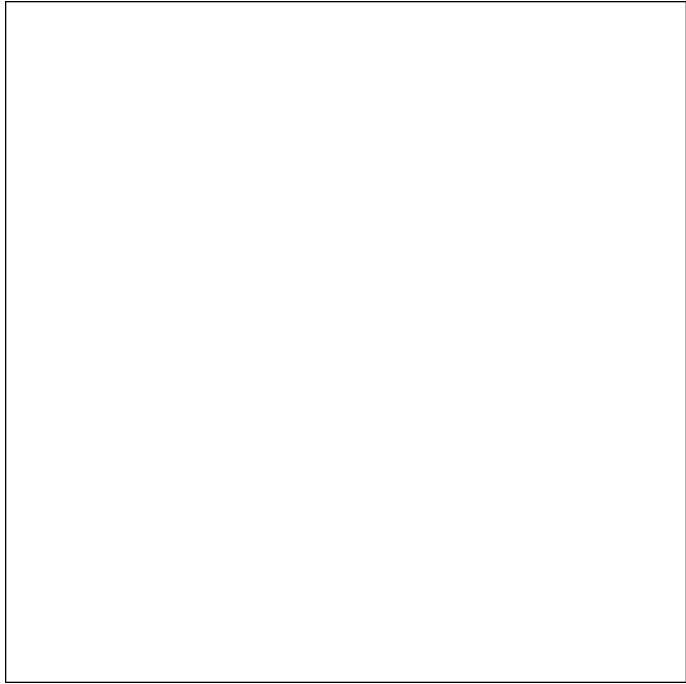

Te mit csinálsz?

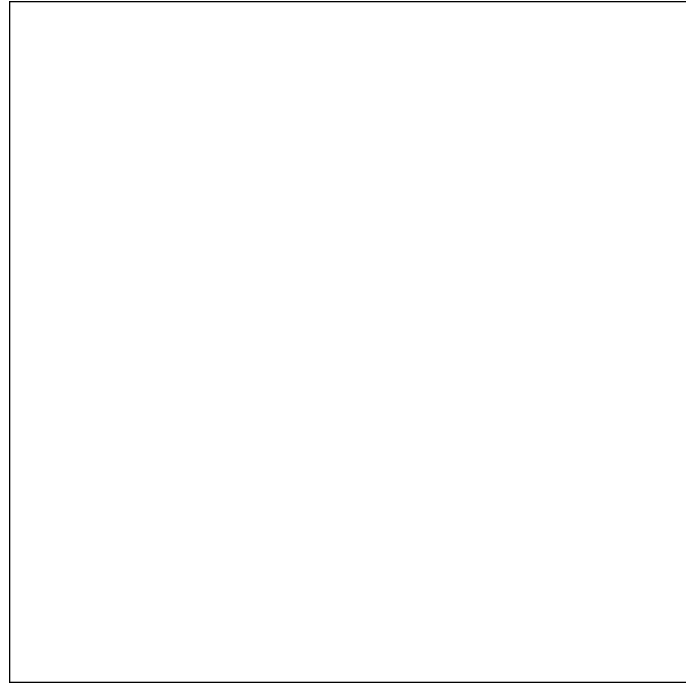

...

What are you doing?

Nyújtózkodik.  
...  
She is stretching.

Ő pedig figyel.  
...  
She is listening.

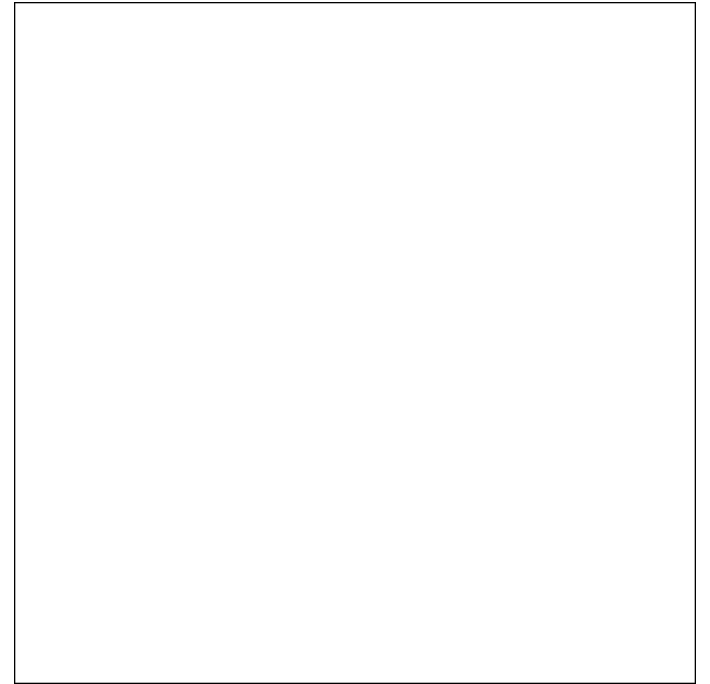

Ő hív.

...

He is calling.

Én válaszolok.

...

I am answering.
