C'era una volta un  
coccodrillo molto  
affamato.

...

Once there was a very  
hungry crocodile.

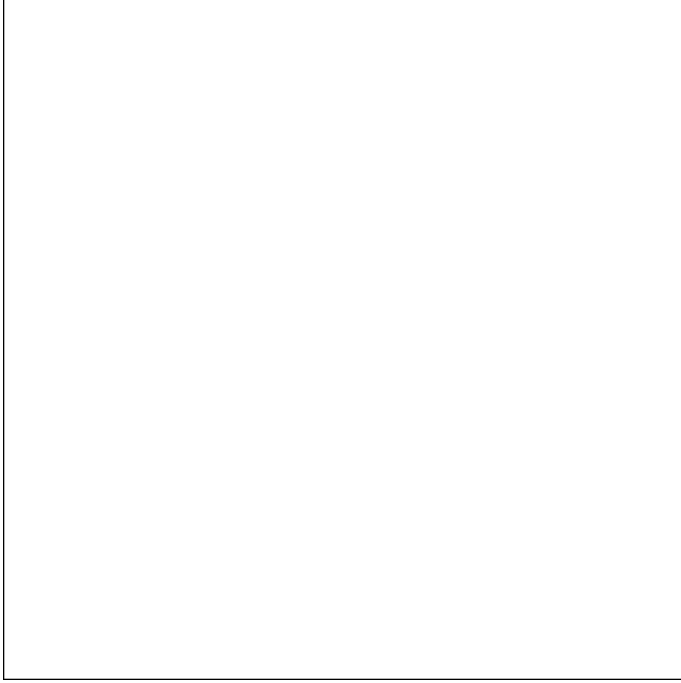

He searched for food  
slowly and quietly. And  
then...

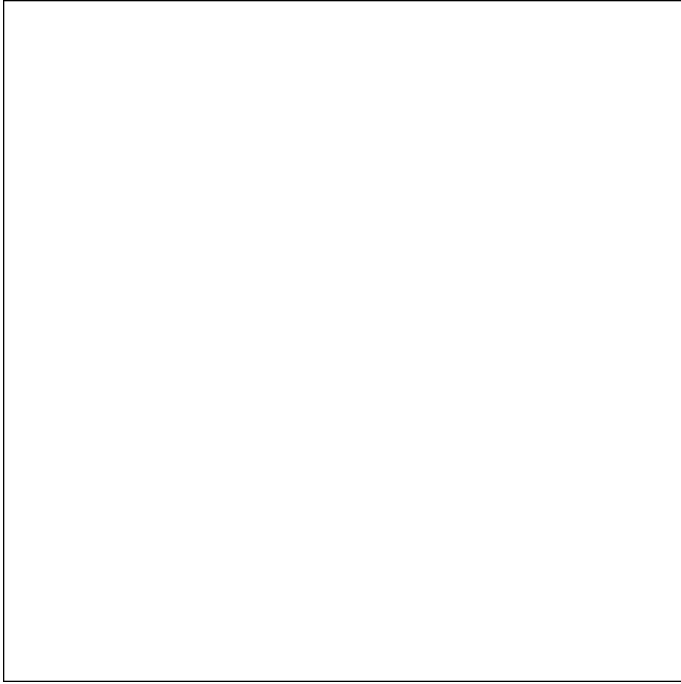

Cercava il cibo piano e  
lentamente. E poi..  
...

Until he gets hungry again.

Fino a quando non gli  
tornò la fame.  
...

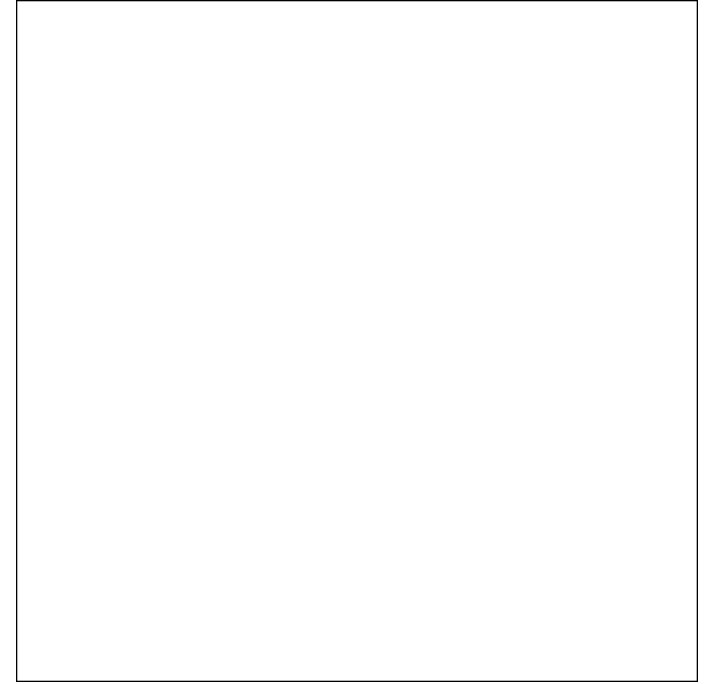

BOOM! Il coccodrillo colpì!

...

POW!!! The crocodile  
strikes!

Dopo l'attacco, non fu più  
affamato e fu felice.

...

After that he is no longer  
hungry, and he is happy.
