옛날에 아주 배고픈 악어가 있었어요.

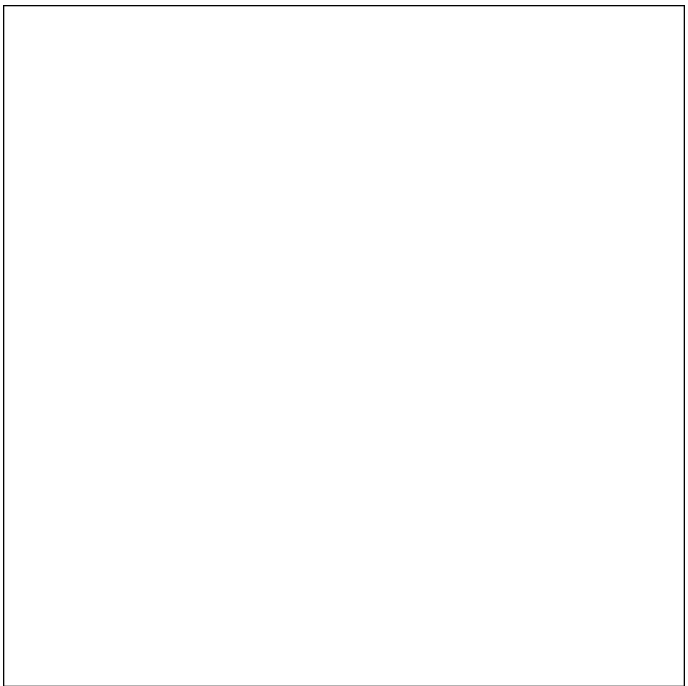

...

Once there was a very hungry crocodile.

He searched for food slowly and quietly. And then...

...

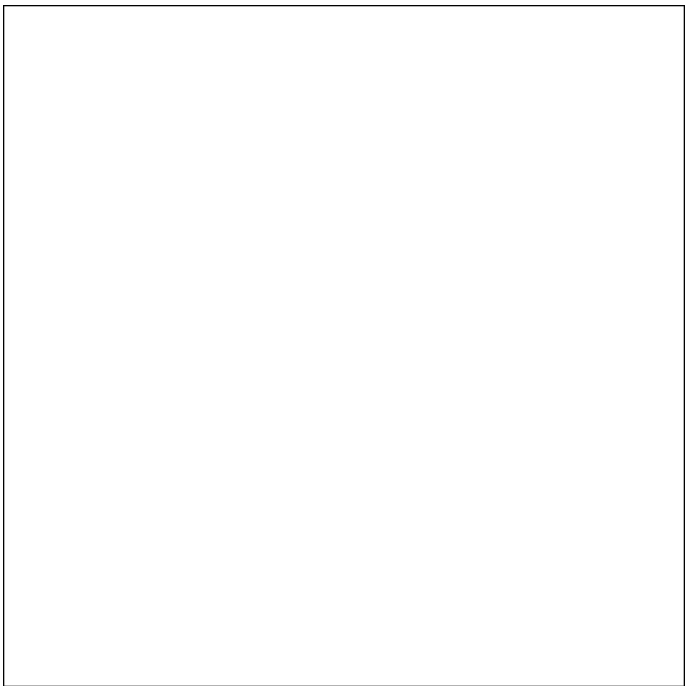

약어는 느리게 소리없이 먹  
것을 찾아야요

Until he gets hungry again.

...

약어가 다시 배고파지기 전까지  
는 먹이죠.

콱! 악어가 물었어요!

...

POW!!! The crocodile  
strikes!

그 후로 악어는 더 이상 배고프  
지 않았고, 행복했어요.

...

After that he is no longer  
hungry, and he is happy.
