Žiūrėk, ugnis!

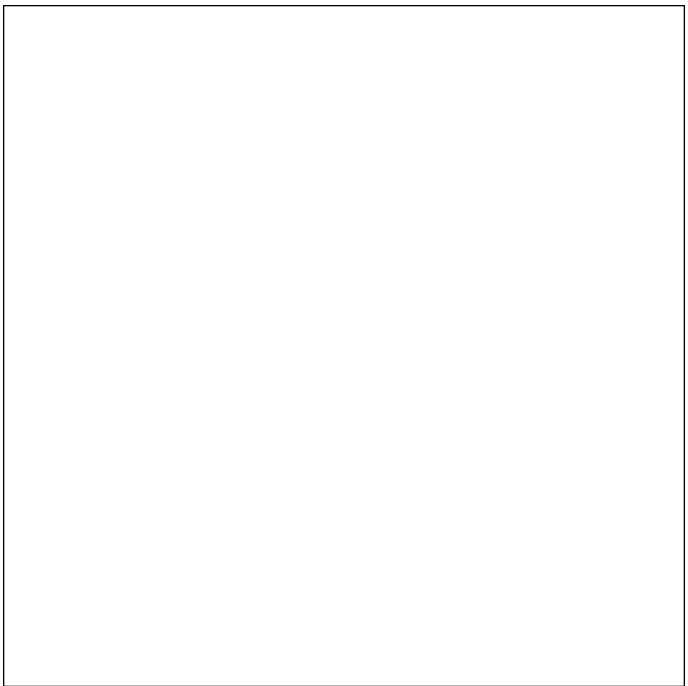

...

Look, fire!

Fire burns.

...

Ugnis dega.

Ugnis gamina maistą.

...

Fire cooks.

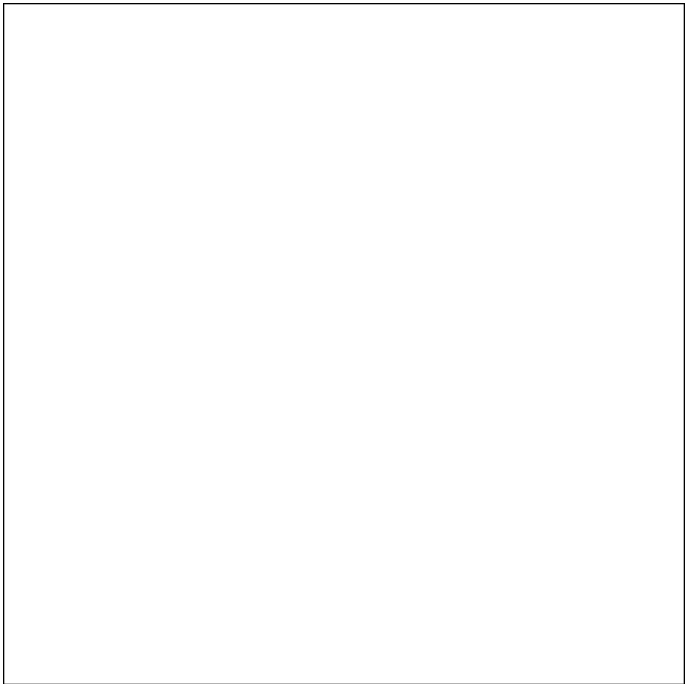

Ir galinga.

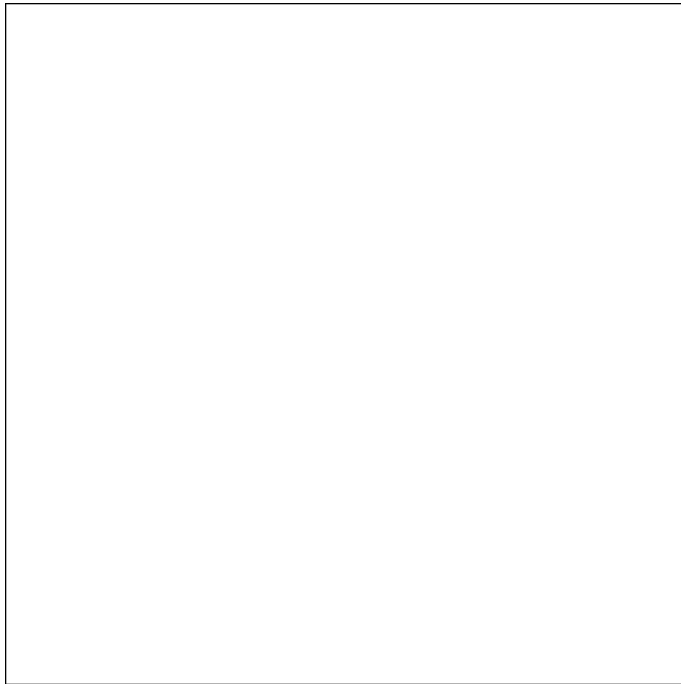

...

And it is powerful.

Ugnis šildo.  
...  
Fire gives warmth.

Ugnis yra fantastiška.  
...  
Fire is wonderful.

Ugnis šviečia.

...

Fire gives light.

Žiūrėk, ugnis!

...

Look, fire!
