Geit, Hund og Ku var gode vener. Ein dag drog dei på tur med ein buss.

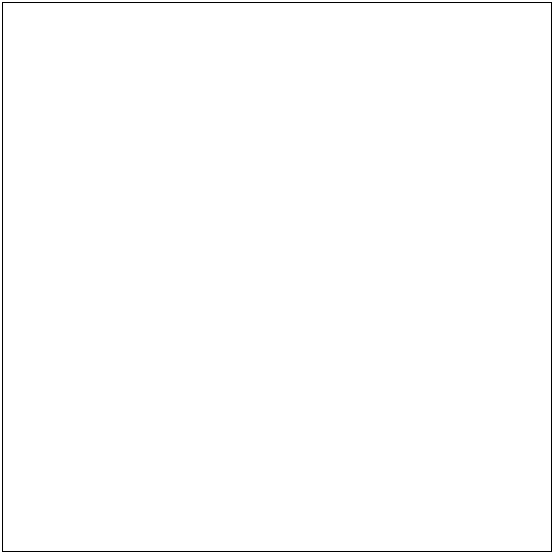

...

Goat, Dog, and Cow were great friends. One day they went on a journey in a taxi.

When they reached the end of their journey, the driver asked them to pay their fares. Cow paid her fare.

...

Da dei kom fram, bad sjåføren dei om å betala for billetten sin. Ku betalte for billetten sin.

Hund betalte litt ekstra fordi han ikkje hadde akkurat med pengar.

...

Dog paid a bit extra, because he did not have the correct money.

Og Ku bryr seg ikkje når det kjem ein bil. Ku brukar god tid når ho kryssar vegen fordi ho veit at ho betalte for heile billetten sin.

...

And Cow is not bothered when a car is coming. Cow takes her time crossing the road because she knows she paid her fare in full.

The driver was about to give Dog his change when Goat ran away without paying anything.

...

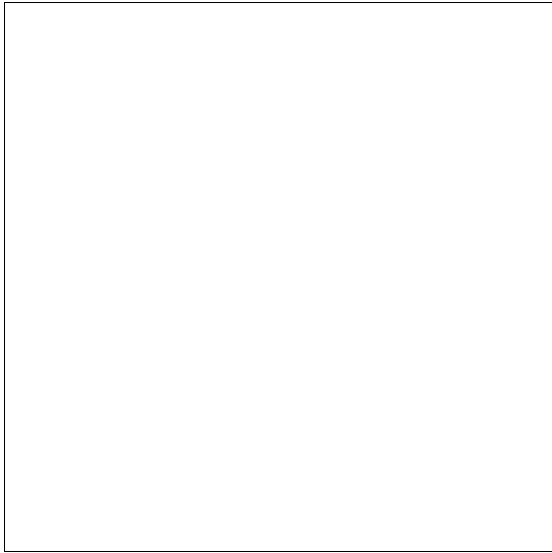

Sjåføren skulle akkurat til å gje Hund vekslpengane då Geit stakk av utan å betala.

Goat runs away from the sound of a car. She is afraid she will be arrested for not paying her fare.

...

Geit stikk når ho høyrer lyden av ein bil. Ho er redd for at ho vil bli arrestert for ikkje å ha betalt for billetten.

Sjåføren vart veldig sur. Han køyrde av garde utan å gje vekslepengane tilbake til Hund.

...

The driver was very annoyed. He drove away without giving Dog his change.

Det er difor Hund, sjølv i dag, spring mot bilar for å sjekka om han ser sjåføren som skuldar han vekslepenngar.

...

That is why, even today, Dog runs towards a car to peep inside and find the driver who owes him his change.
