A fost odată un crocodil
foarte flămând.

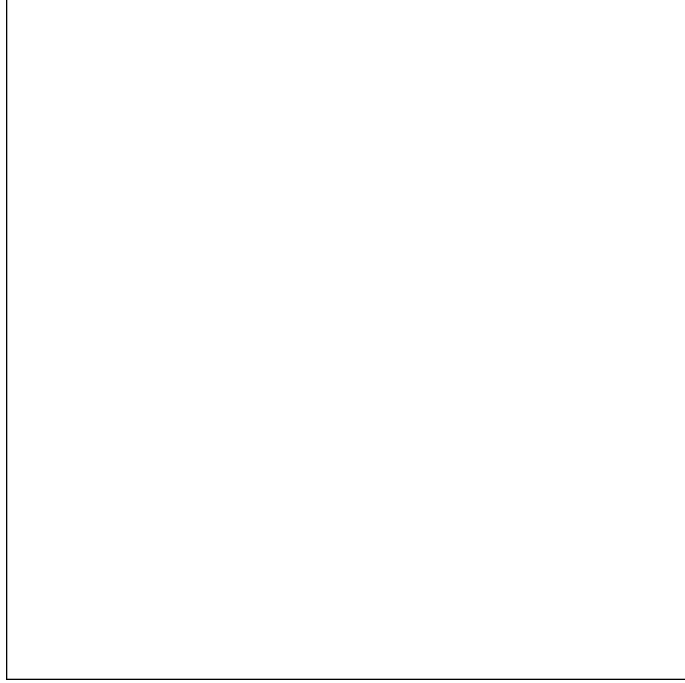

...

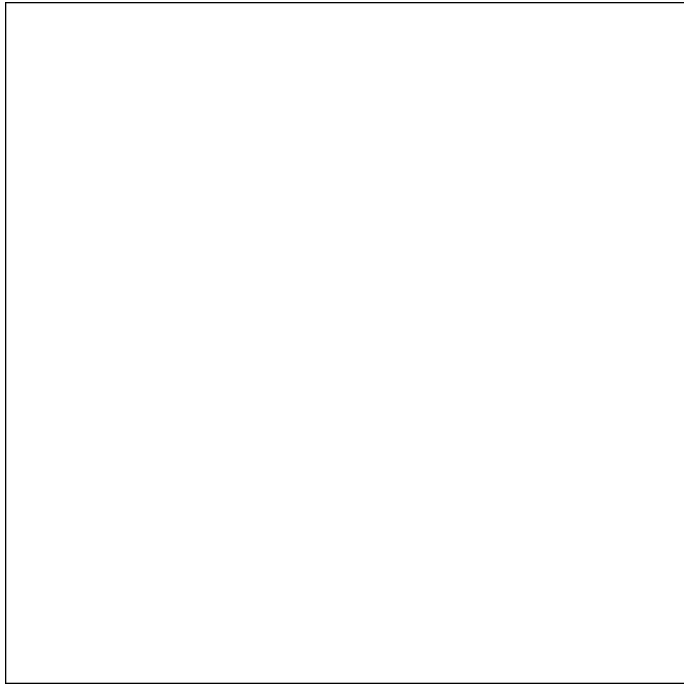

Once there was a very
hungry crocodile.

Căuta de mâncare
incetişor si fără zgomot. Si
apoi...
...
He searched for food
slowly and quietly. And
then...

Până i se face foame din
nou.
...
Until he gets hungry again.

Pleosc!! Crocodilul atacă!

...

POW!!! The crocodile strikes!

După aceea, nu mai e flămând si e fericit.

...

After that he is no longer hungry, and he is happy.
