Смотри, огонь!

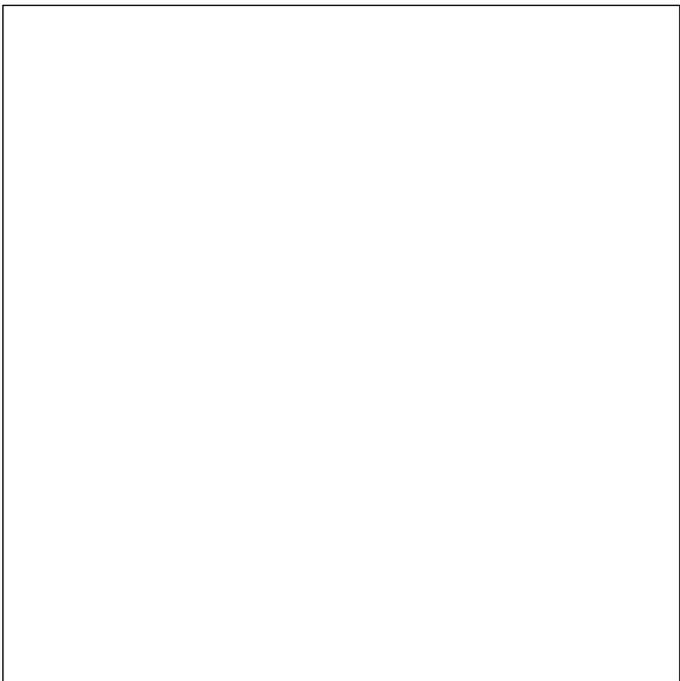

...

Look, fire!

Fire burns.

...

Огонь горит.

Огонь готовит еду.

...

Fire cooks.

Огонь может быть
сильным.

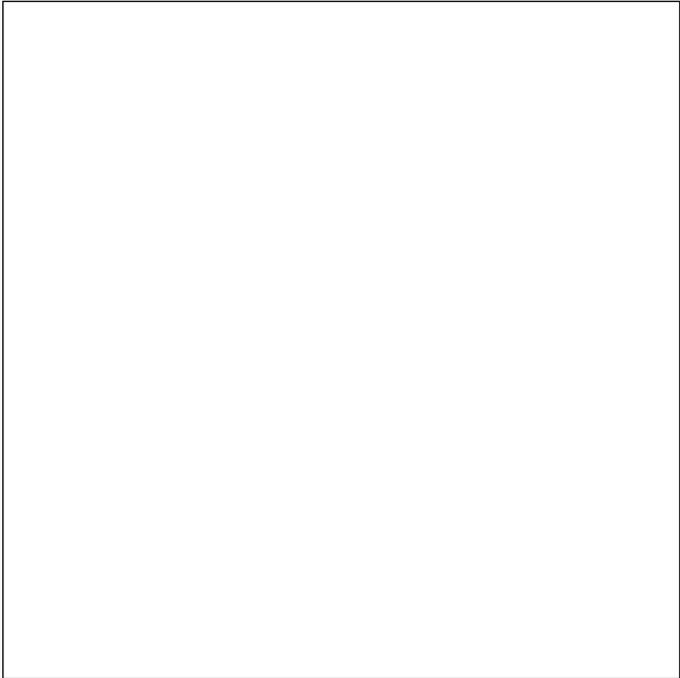

...

And it is powerful.

Огонь излучает тепло.

...

Fire gives warmth.

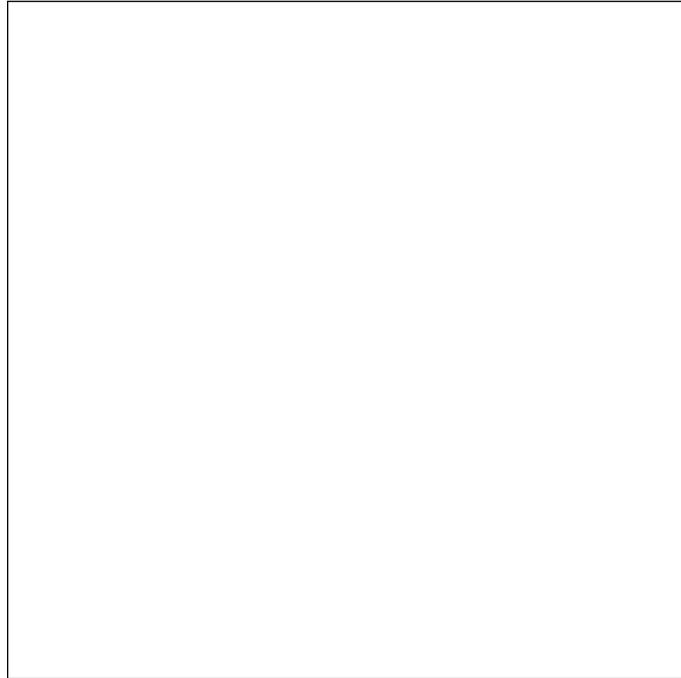

Огонь может быть

уютным.

...

Fire is wonderful.

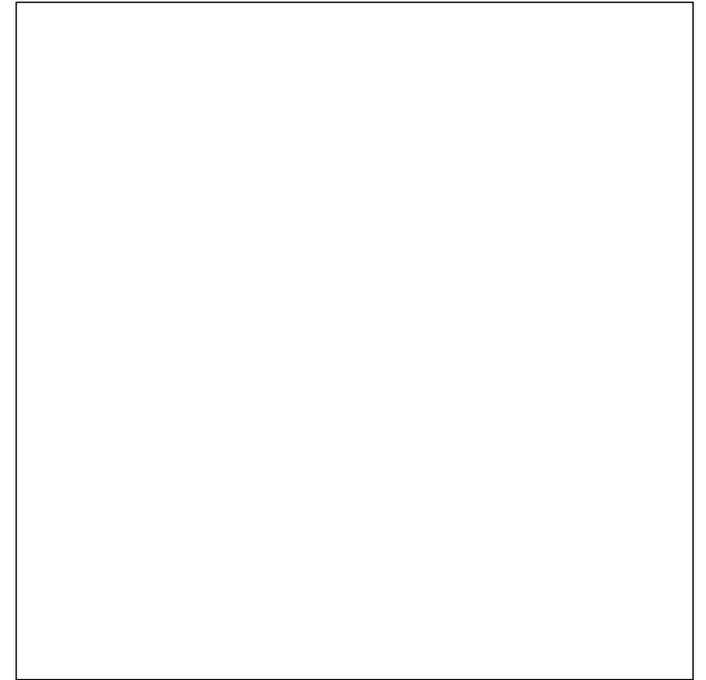

Огонь излучает свет.

...

Fire gives light.

Смотри, огонь!

...

Look, fire!
