Kera hariho ingona yari
ishonje.

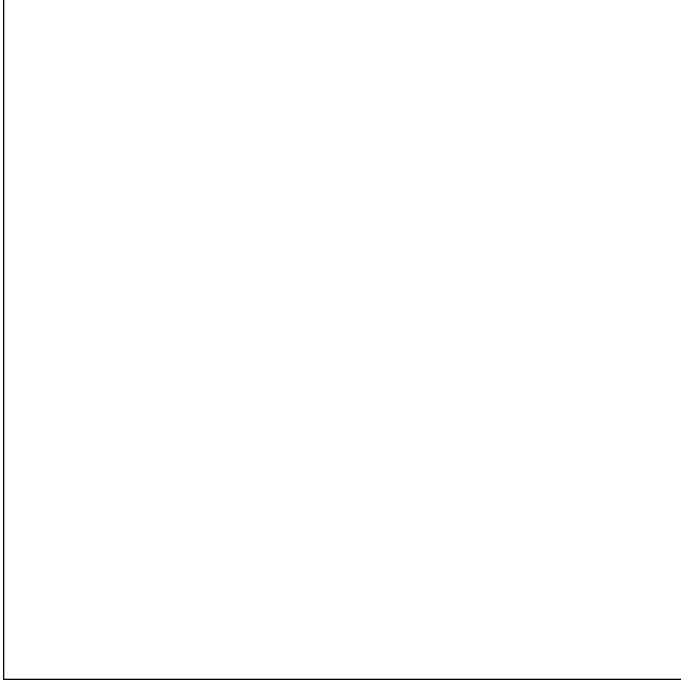

...

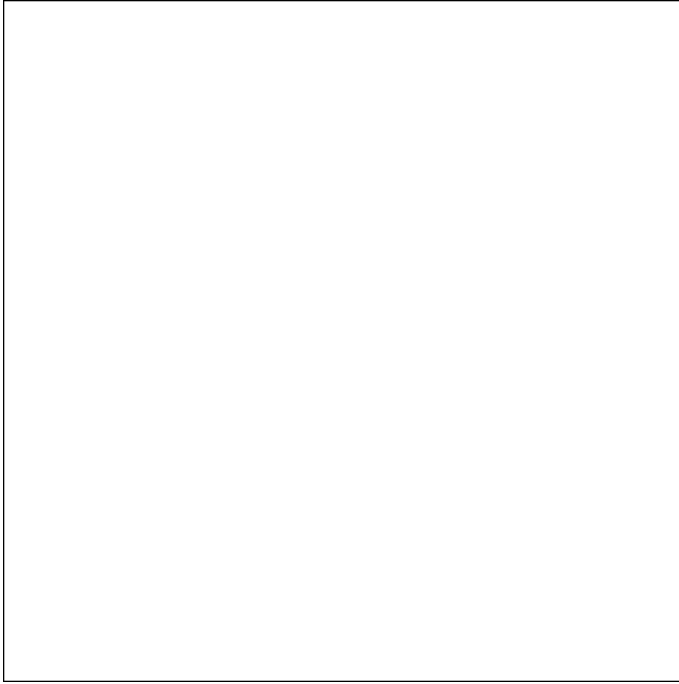

Once there was a very
hungry crocodile.

Ilya gushaka icyo kurya,
 buke buke idatera
 urusabu. Bucece...
 ...
 He searched for food
 slowly and quietly. And
 then...

kugeza ubwo itongeye
 kugira inzara.
 ...
 Until he gets hungry again.

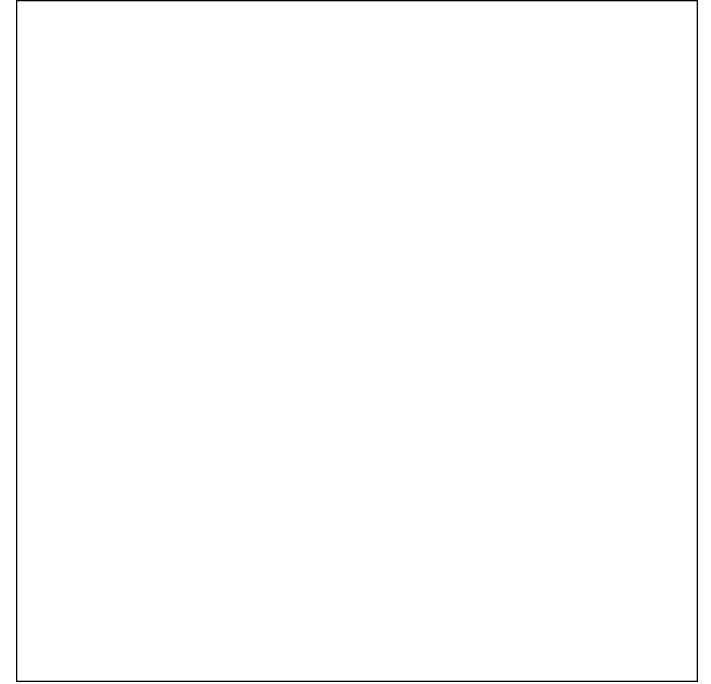

CAKI! Ingona iracakira!

...

POW!!! The crocodile
strikes!

Nyuma yabwo inzara
irashira, kandi irishima.

...

After that he is no longer
hungry, and he is happy.
