Tingi bodde hos sin farmor.

...

Tingi lived with his grandmother.

Han brukade passa korna med henne.

...

He used to look after the cows with her.

En dag kom soldaterna.

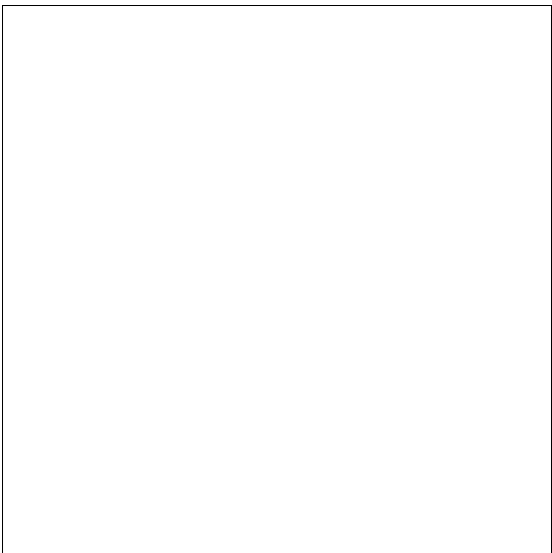

...

One day the soldiers came.

They took the cows away.

...

De tog korna.

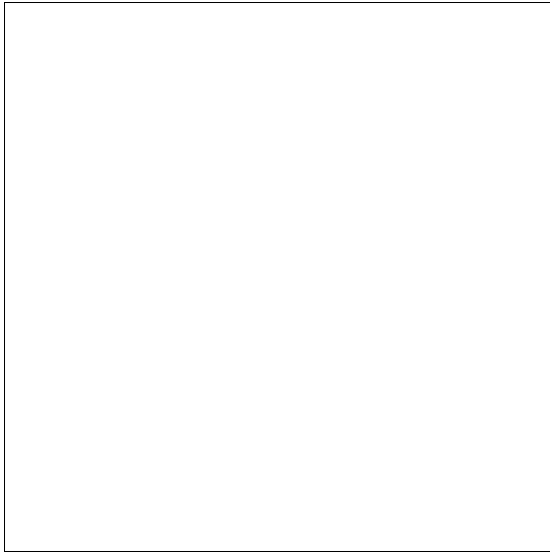

They crept home very quietly.

...

De smög hem mycket tyst.

Tingi och hans farmor sprang och gömde sig.

...

Tingi and his grandmother ran away and hid.

När det kändes tryggt kom Tingi och hans farmor fram igen.

...

When it was safe, Tingi and his grandmother came out.

De gömde sig i skogen tills det blev

natt.

...

They hid in the bush until night.

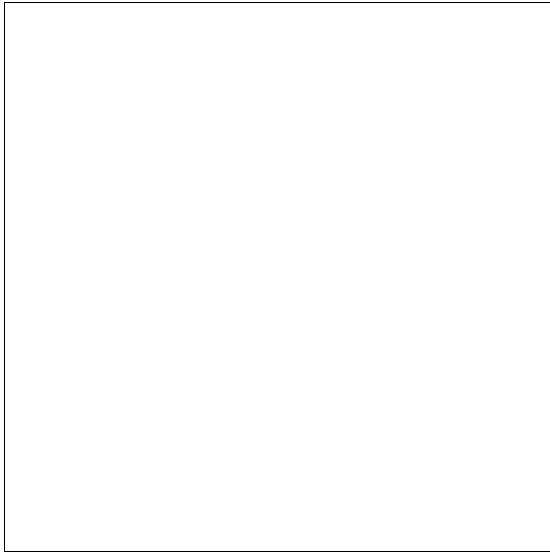

En av soldaterna ställde sin fot rakt på

honom, men han höll tyst.

...

One of the soldiers put his foot right on  
him, but he kept quiet.

Då kom soldaterna tillbaka.

...

Then the soldiers came back.

Farmor gömde Tingi under löven.

...

Grandmother hid Tingi under the leaves.
