Колись давно Курка і Орел були друзями.
Вони жили дружно з усіма іншими птахами.
Ніхто з них не вмів літати.

...

Once upon a time, Hen and Eagle were friends.
They lived in peace with all the other birds. None
of them could fly.

Як тільки Курка бачить тінь від розпростертих
крил Орла, вона попереджає свої курчата:
“Тікайте з відкритої і сухої землі”. А вони
відповідають: “Ми не дурні. Ми втечимо”.

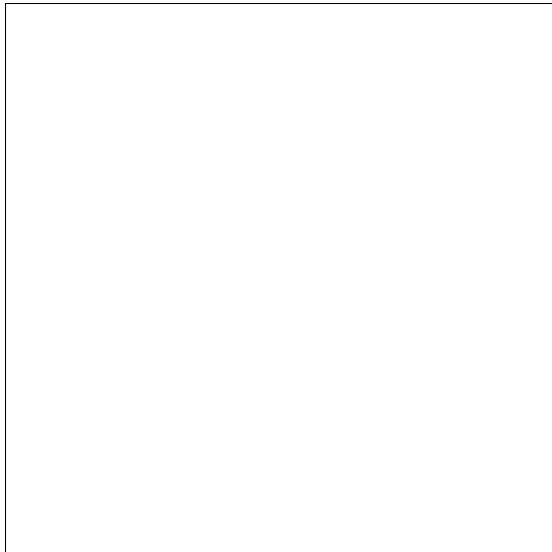

...

As the shadow of Eagle's wing falls on the
ground, Hen warns her chicks. “Get out of the
bare and dry land.” And they respond: “We are
not fools. We will run.”

One day, there was famine in the land. Eagle had to walk very far to find food. She came back very tired. "There must be an easier way to travel!" said Eagle.

When Eagle came the next day, she found Hen scratching in the sand, but no needle. So Eagle flew down very fast and caught one of the chicks. She carried it away. Forever after that, whenever Eagle appears, she finds Hen scratching in the sand for the needle.

На ранок, добре виспавшись, Курка придумала блискучий план. Вона почала збирати пір'я, яке випало з інших птахів. “Давай пришиємо його зверху на наше пір'я, - сказала вона. - Можливо, тоді нам буде легше подорожувати.”

...

After a good night's sleep, Hen had a brilliant idea. She began collecting the fallen feathers from all their bird friends. “Let's sew them together on top of our own feathers,” she said. “Perhaps that will make it easier to travel.”

“Дай мені один день”, - попросила Курка в Орла. - Тоді ти зможеш підшити своє крило і знову полетіти далеко по їжу”. “Добре, тільки один день,” - сказав Орел. “Якщо не знайдеш, тоді віддаси мені одне своє курча як плату.”

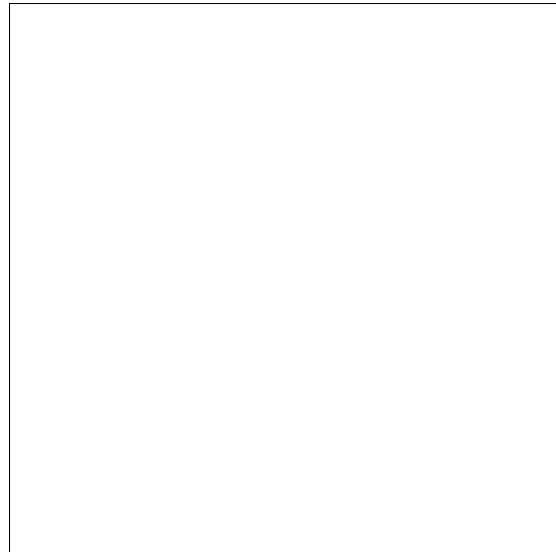

...

“Just give me a day,” Hen begged Eagle. “Then you can fix your wing and fly away to get food again.” “Just one more day,” said Eagle. “If you can't find the needle, you'll have to give me one of your chicks as payment.”

Eagle was the only one in the village with a needle, so she started sewing first. She made herself a pair of beautiful wings and flew high above Hen. Hen borrowed the needle but she soon got tired of sewing. She left the kitchen to the cupboard and went into the sewing room to prepare food for her children.

Later that afternoon, Eagle returned. She asked for the needle to fix some feathers that had loosened on her journey. Hen looked on the cupboard. She looked in the kitchen. She looked in the yard. But the needle was nowhere to be found.

Інші птахи побачили, як літав Орел. Вони попросили Курку позичити їм голку, щоб вони також могли зробити собі крила. Скоро вже багато птахів літало у небі.

...

But the other birds had seen Eagle flying away. They asked Hen to lend them the needle to make wings for themselves too. Soon there were birds flying all over the sky.

Коли остання пташка повернула позичену голку, Курки десь не було. Її діти взяли голку і почали нею гратися. Втомившись від гри, вони залишили голку у піску.

...

When the last bird returned the borrowed needle, Hen was not there. So her children took the needle and started playing with it. When they got tired of the game, they left the needle in the sand.
