Jag kan springa med den.

...

I can run with it.

Jag kan hoppa med den.

...

I can jump with it.

Jag kan dansa med den.

...

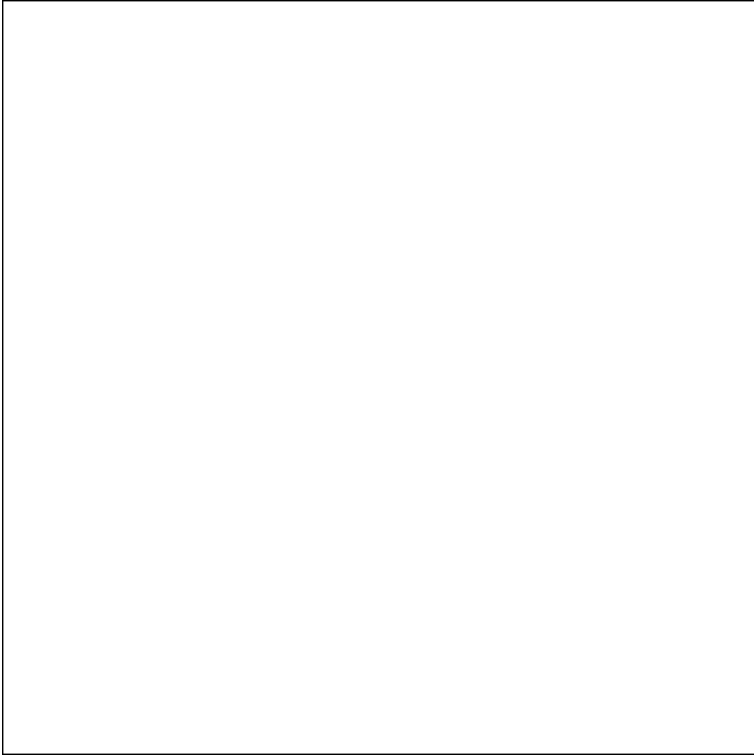

I can dance with it.

Jag kan simma med den.

...

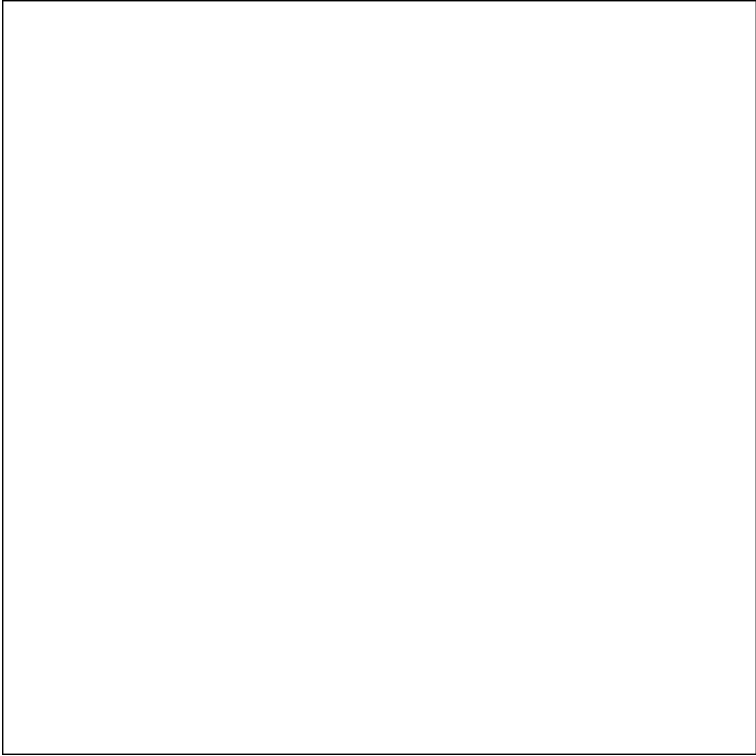

I can swim with it.

Jag kan hoppa hopprep med den.

...

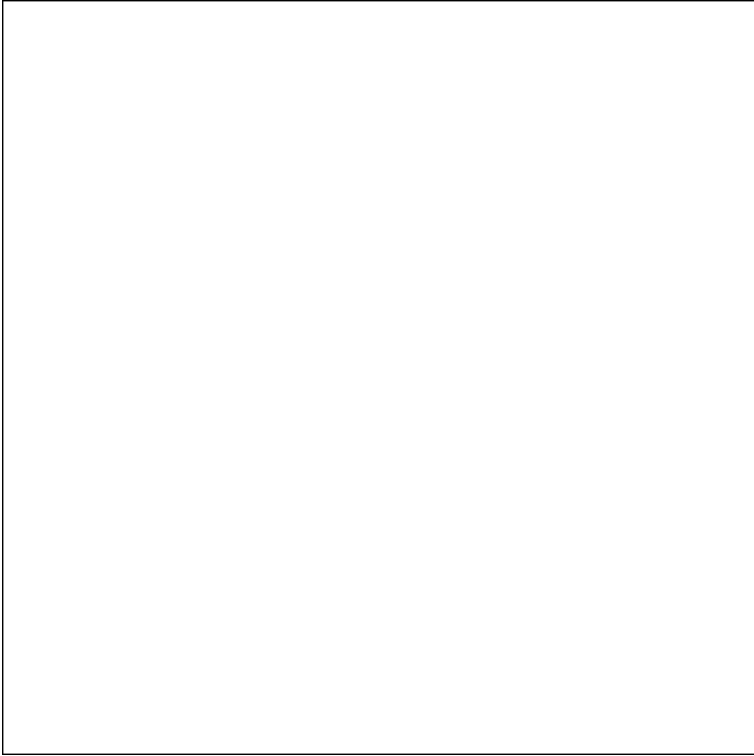

I can skip with it.

Jag kan sparka med den.

...

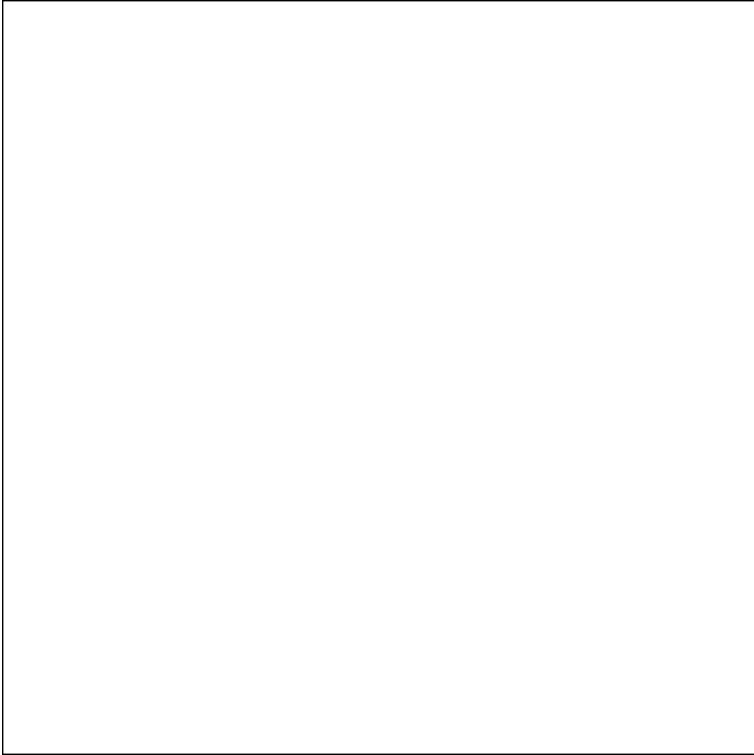

I can kick with it.

Jag kan springa iväg med den.

...

I can escape with it.

Men jag kan aldrig flyga med den.

...

But I can never fly with it.
