 1

 Kiswahili sw / English en

Moyo wangu unahisi vitu vingi.

...

My heart feels a lot of things.

Najisikia furaha bibi yangu
akitusimulia hadithi jioni.

...

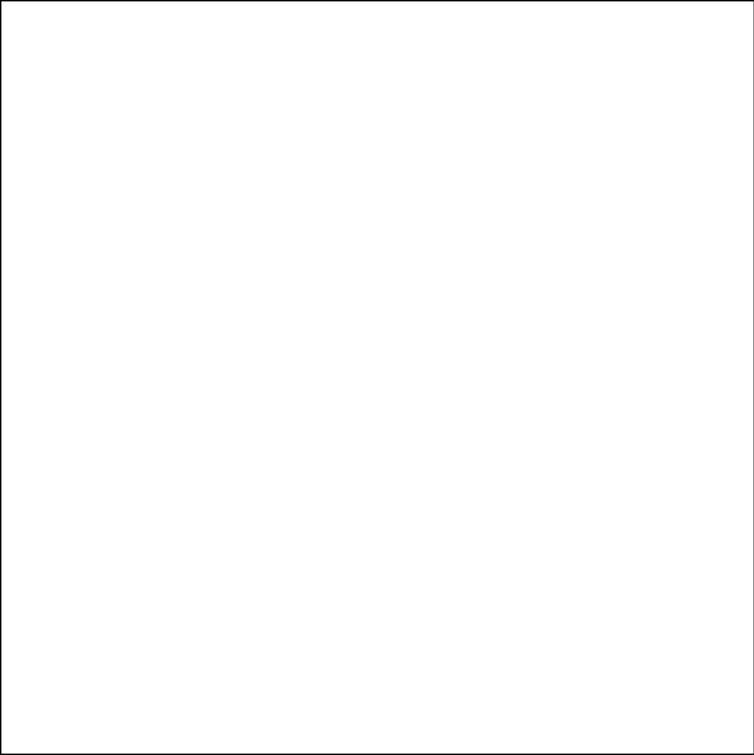

I feel happy when my granny tells us
stories in the evening.

Najisikia kufanya mzaha ninapocheza
na rafiki zangu.

...

I feel silly when I play with my friend.

Najisikia vibaya baba yangu
anaposema hana pesa.

...

I feel bad when my dad says he does
not have money.

Najihisi kupendwa na mama yangu
anaponikumbatia.

...

I feel loved when my mom gives me a
hug.
