Wan taim, En an Iigl a did fren. Dem
yuuz tu liv piisful wid aal a di ada
bod dem. Non a dem kudn flai.

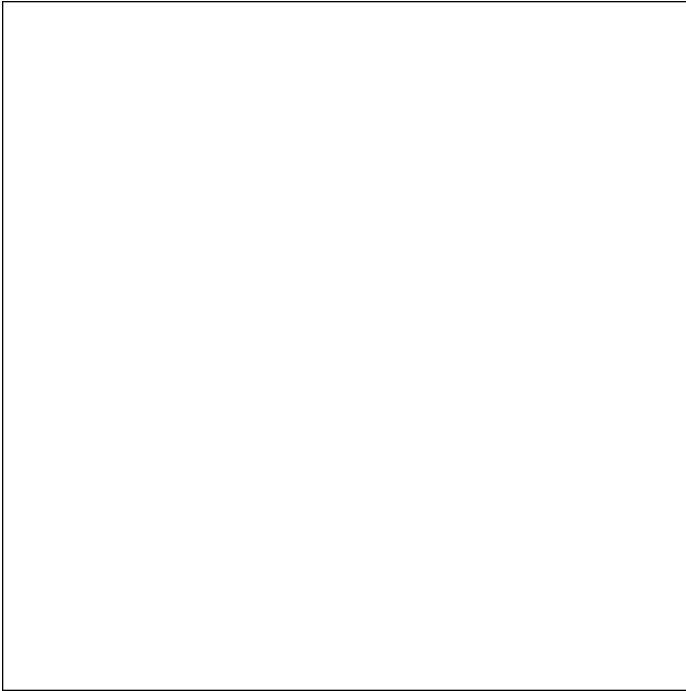

Az di shado aafa Iigl wing toch di
grong so, En waan ar pikni dem.
"Kom out a di uopn jrai lan." An dem
ansa ar se: "Afta wi a no fuul. Wi ago
ron."

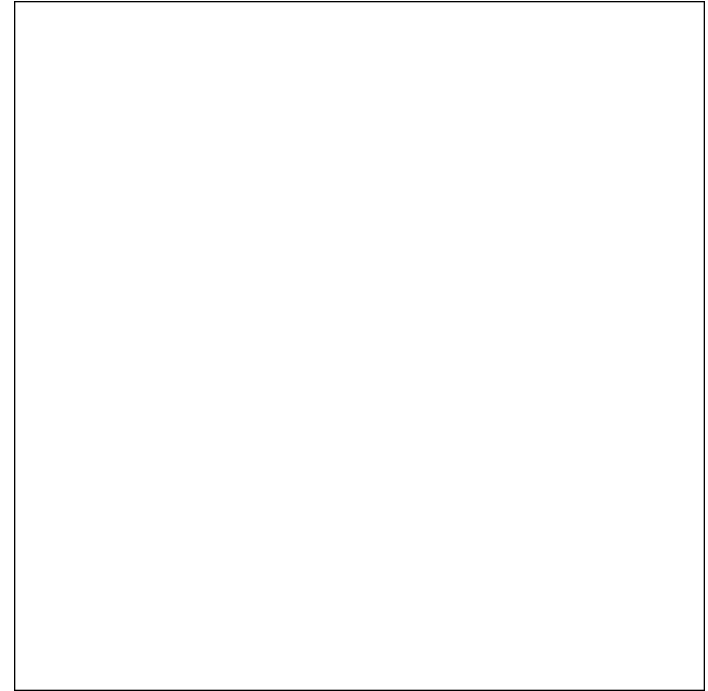

Wan die, famin did de pan di lan. Igl did afti waak faar-faar fi fain fuud. Shi kom bak wel taiyad. "Wahn iiziya wie mos de bot fi chravli!" Igl se.

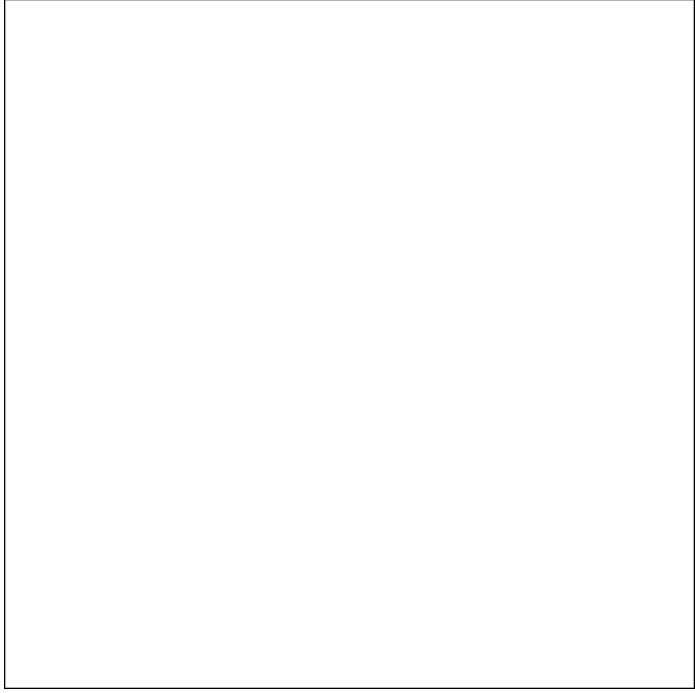

Wen Igl kom di neks die, shi si En a skrach out di san, bot no niigl. So Igl flai dong an kech wan a di biebi chikin dem. Shi kyari it we. Evri taim afta dat, weneva Igl kom roun, shi si En a skrach out di san fi niigl.

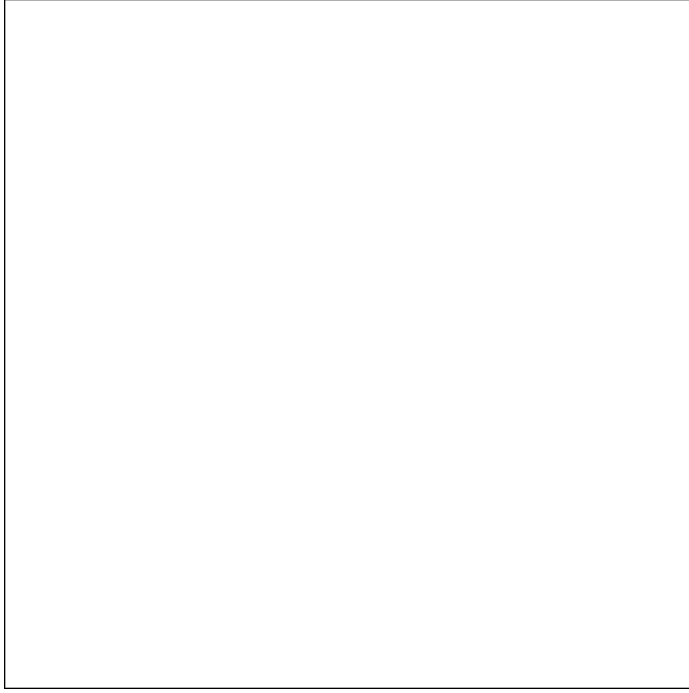

Afta a gud nait sliip, En kom op wid a brait aidiya. Shi staat kalek op aal a di feda dem we jrap aaf a aal a dem bod fren dem. "Mek wi suo dem op tageda pan tap a fiwi feda dem," shi se. "Miebi dat wi mek it iiziya fi chravl."

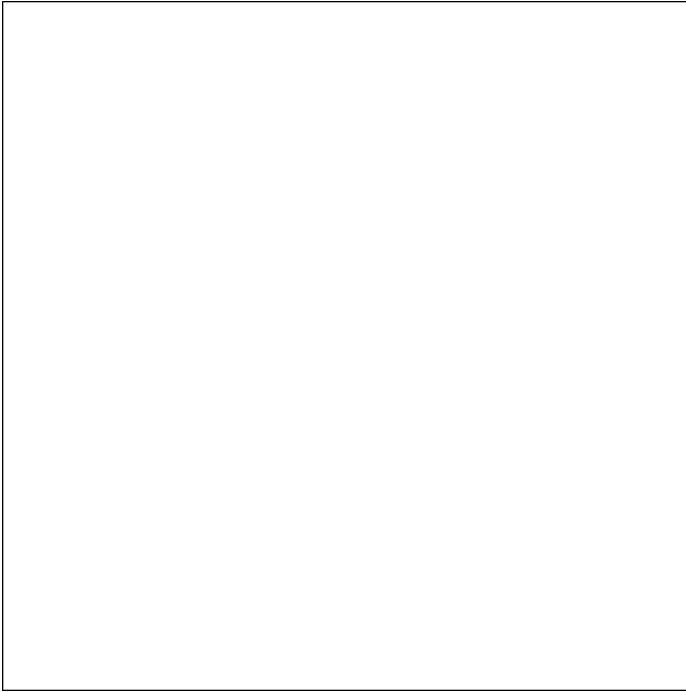

"Jos gi mi a die," En beg Iigl se. "Da taim de yu kyan fiks yu wing an flai go get fuud agen." "Jos wan muor die," Iigl se. "Ef yu kyaahn fain di niigl, yu wi afi gi mi wan a yu pikni dem az piement."

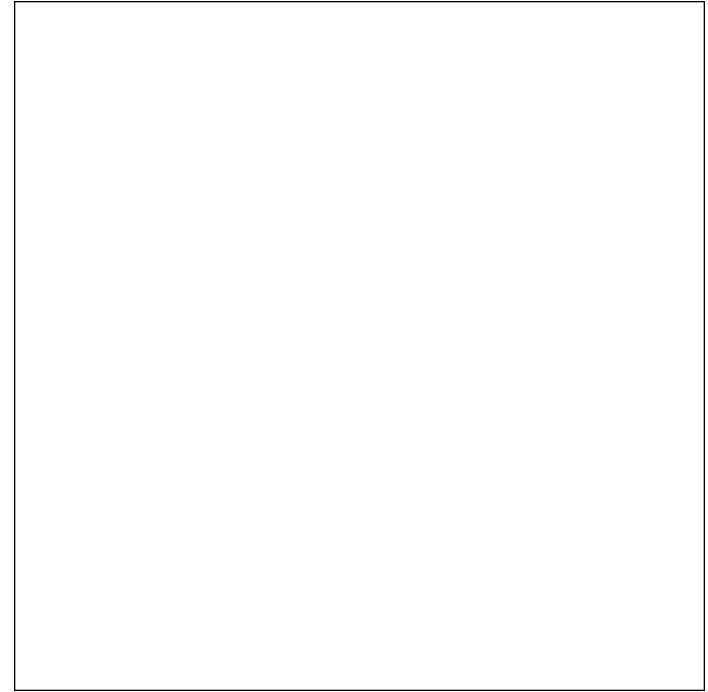

A Igl aluon inna di uol vilij did av
wahn niigl, so shi staat suo fos. Shi
mek wahn priti pier a wing fi arself
an did a flai wie uova En ed. En did
baro di niigl bot shaatli afta dat shi
get taiyad fi suo. Shi lef di niigl pan
di kobad an go inna di kichin fi kuk
fuud fi ar pikni dem.

Lieta inna di aftanuun, Igl kom bak.
Shi aks fi di niigl fi fiks bak som feda
we get slak wen shi did a chravl. En
luk pan di kobad. Shi luk inna di
kichin. Shi luk inna di yaad. Bot di
niigl kudn fain no we.

Bot di ada bod dem did si Iigl a flai we. Dem aks En fi len dem di niigl fi mek wing fi demself. Likl afta dat a pie bod a flai aal uova di skai.

Wen di laas bod kyari bak di niigl we im baro, En neva de de. So ar pikni dem tek di niigl an staat plie wid it. Wen dem get taiyad a di giem, dem lef di niigl inna di san.
