A did wahn likl gyal pikni uu fos si di
schrienj shiep fram faar out.

Az di shiep kom nier, shi si se a did
wahn prignant uman uu suhn av
biebi.

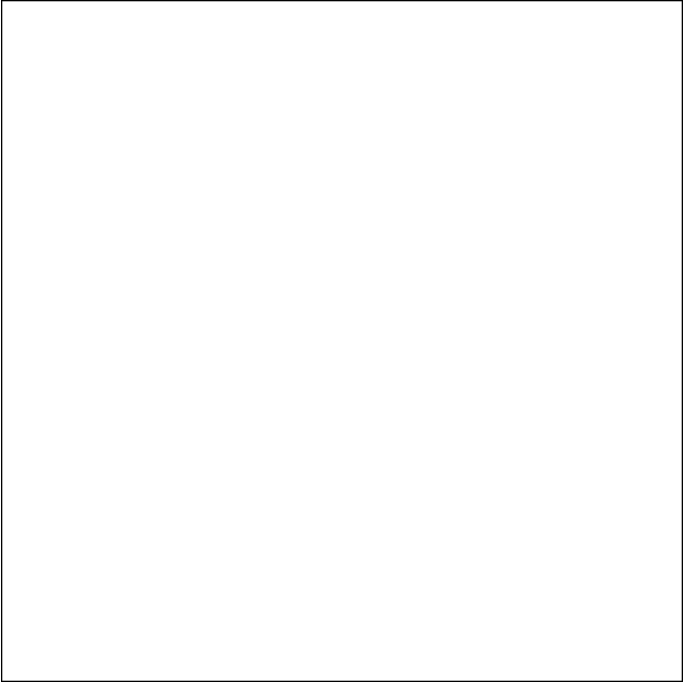

Fried bot brieve, di likl gyal pikni go niera tu di uman. "Wi afi kip ar wid wi," di likl gyal pikni piipl dem se. "We a go kip ar an di pikni sief."

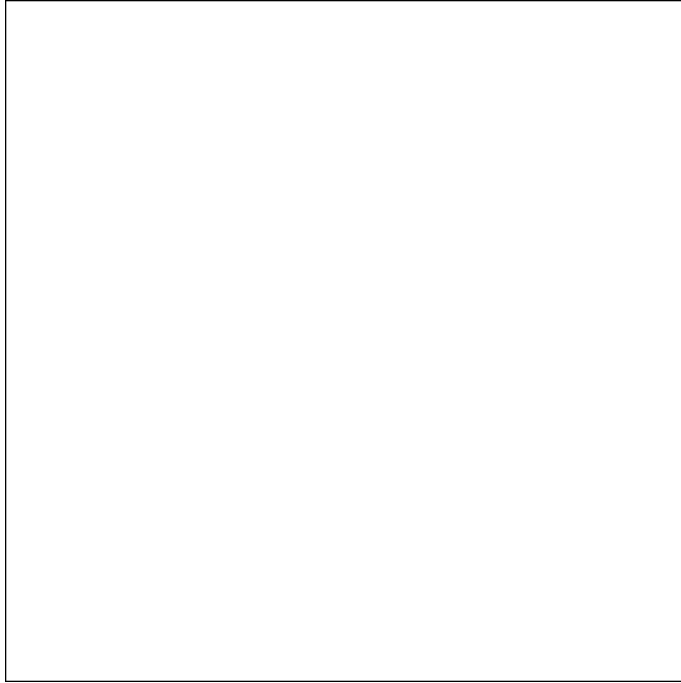

Di dangki pikni an im mada gruo tugeda an fain uol iip a wie fi liv wid wan aneda. Afta a wail, ada fambili staat fi liv roun dem.

Di pikni did suhn baan. "Push!"
"Kyari som blangkiti!" "Watai!"
"Puunuuush!"

Dangki fain im mada bai ar self a
baal fi ar pikni. Dem luk pan wan
aneda fi a lang taim. An den dem og
op wan aneda tait-tait.

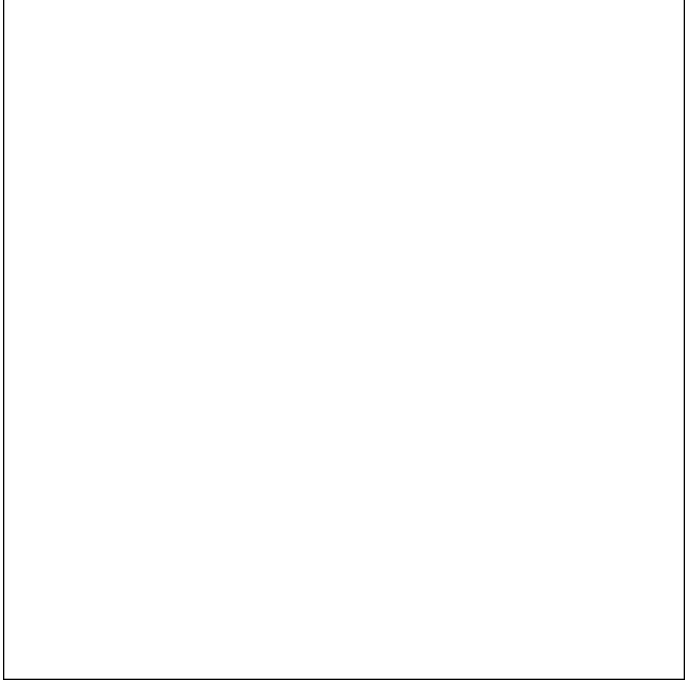

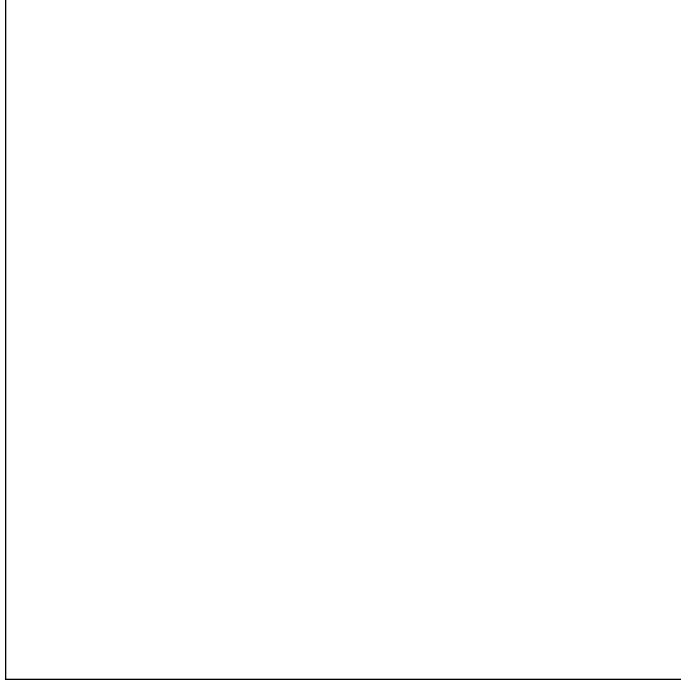

Bot wen dem si di biebi, evribadi
jomp bak an fraitn. "Wahn dangki?!"

Dangki nou nuu we fi du.

Evribaldi staat kos. "Wi se wi wuda
kip mada an pikni sief, an a dat wi a
go du," som a dem se. "Bot dem a
go bring bad lok!" som se.

... di kloud dem an im fren di uol
man, gaan.

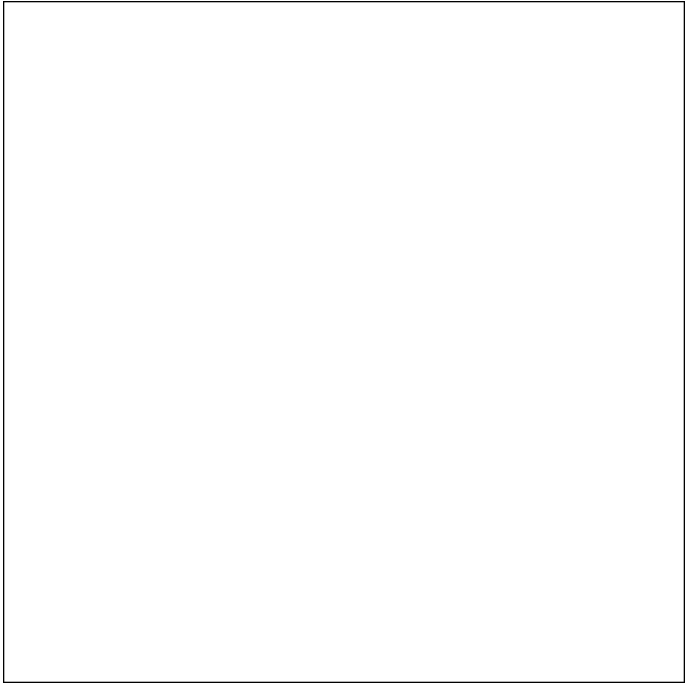

An so di uman en op bai ar self
agen. Shi did a wanda wa fi du wid
dis foni pikni. Shi did a wanda wa fi
du wid ar self.

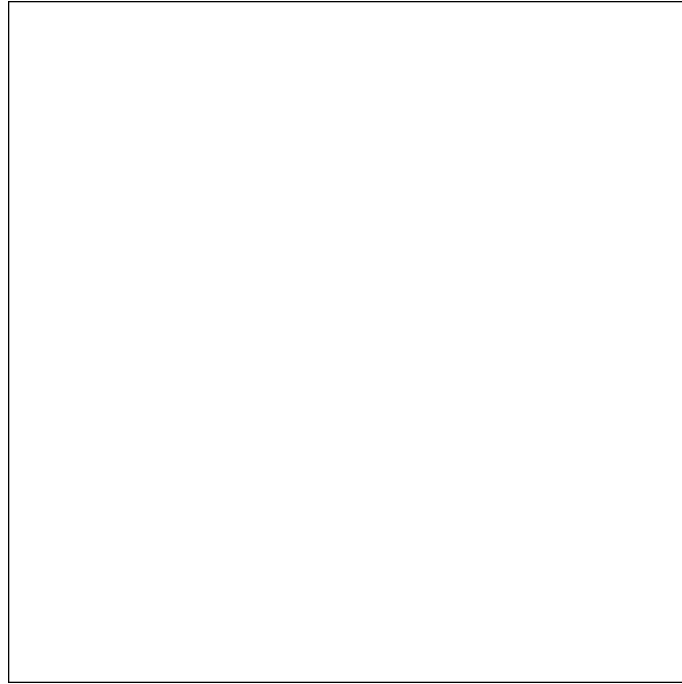

Wie op ina di kloud dem, dem jrap
asliip. Dangki jriim se im mada did
sik an a kaal im. An wen im wiek
op...

Bot in a di en shi a fi aksep se im a fi
ar pikni an shi a im mada.

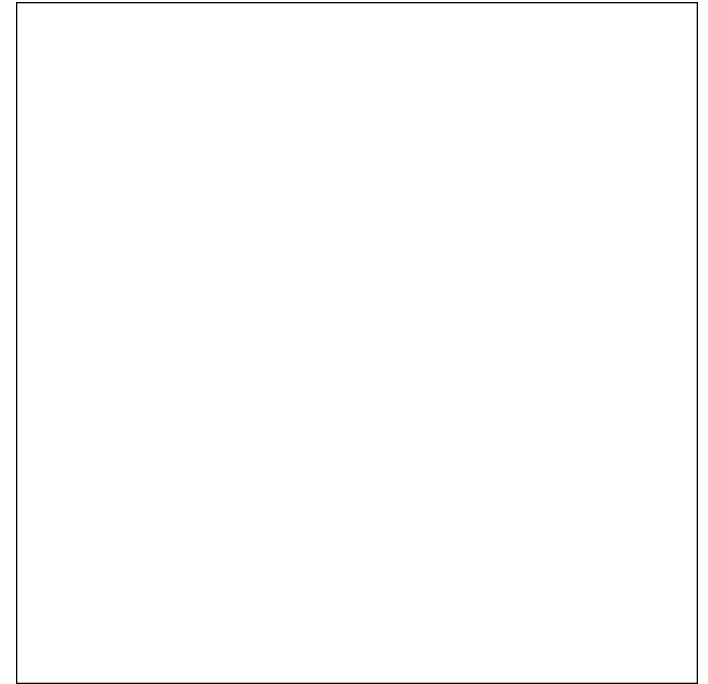

Wan maanin, di uol man aks Dangki
fi kyari im go op wahn mouth tap.

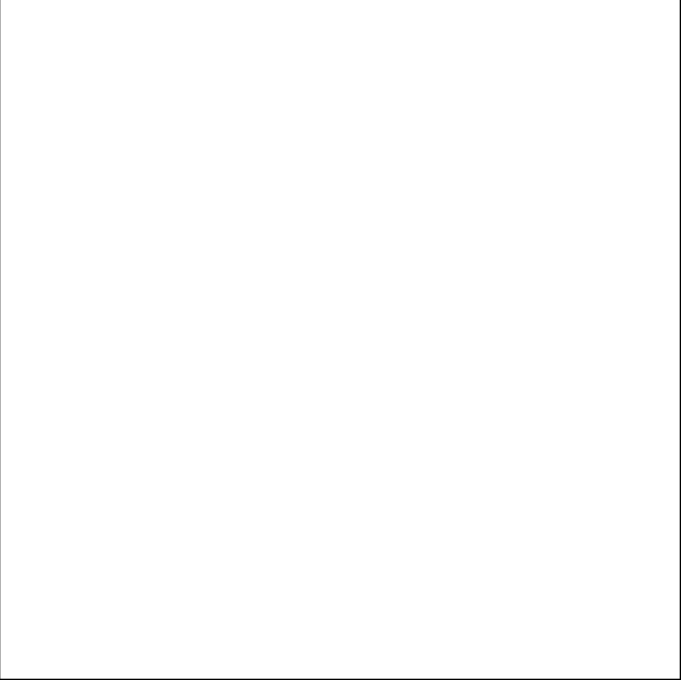

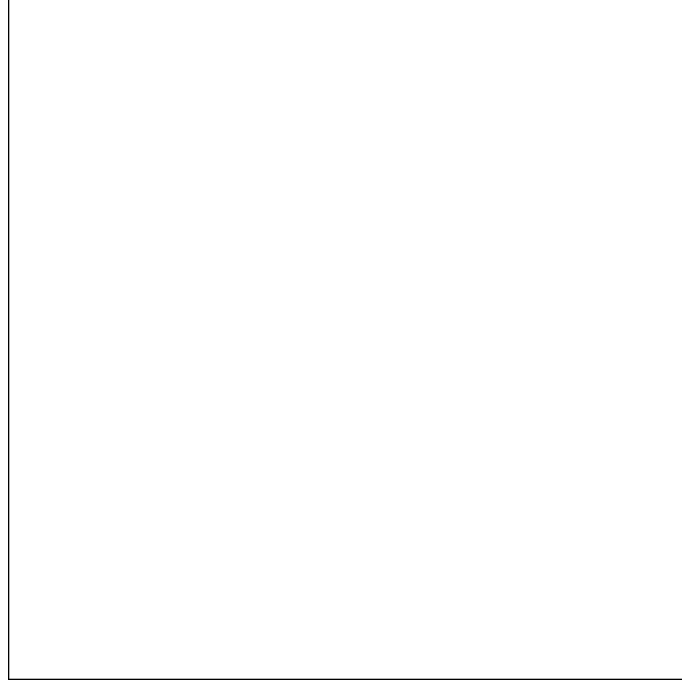

Nou, ef di pikni did stie a di siem likl saiz, evriting wuda difrant. Bot di dangki pikni gruo an gruo so til im kudn fit pan im mada bak no muor. An no mata ou aad im chrai, im kudn biyiev laik a yuuman biin. Im mada di taiyad aal di taim an no nuo we fi du. Somtaim shi mek im du animal wok.

Dangki go an go stie wid di uol man, uu tiich im nof difrant wie fi liv. Dangki lisen an lorn, an di uol man lisen an lorn tu. Dem elp wan aneda, an dem laaf tuggeda.

Ignarans an bekisheshan bil op ina di
Dangki. Im kudn du dis an im kudn
du dat. Im kudn bi laik dis an im
kudn bi laik dat. Im get so opset
das, wan die, im kik dong im uona
mada pan di grong.

Dangki wiek op an si wahn schrienj
uol man a luk pan im. Im luk ina di
uol man yai dem an staat fill a likl
beta.

Dangki did shiem-shiem. Im ronwe
az faar an a faas az im kud.

Bai taim im stap ron, a did nait, an
Dangki did laas. "Iihn aahn?" im bieli
se ina di daak. "Iihn aahn?" it eko
bak. Im did bai imself. Im koral op ina
wahn tait baal, an jrap ina a diip an
taamentin sliip.
