Ehokololo eli ola hovela momafimbo onale eshi ovanhu noinamwenyo va li hava kala pamwe. Pomafimbo enya, omunhu ka li e na oufemba wokulongifa omundilo. Okwa li hava li oikulya yahawiishu. Onghoshi oyo aike ya li i na oufemba womundilo.

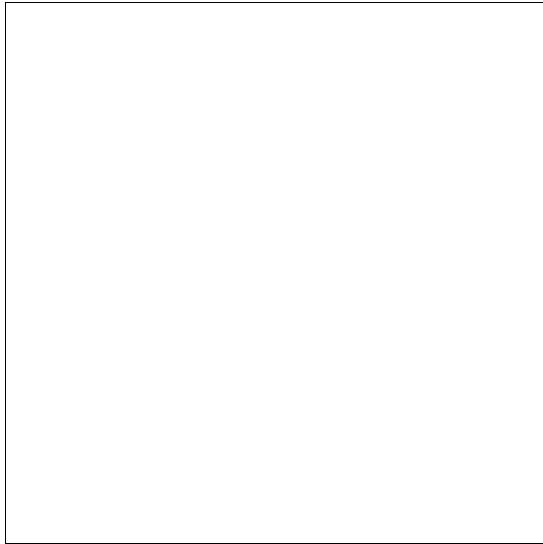

Konima yefimbo lile, Nghoshi okwa aluka noshipala sha loloka, Omho oya tondoka onhapo yoshidudu ya mana mo i mu dule. "Okudja tuu nena eli," Nghoshi ta ti, "Itandi mu efele vali emanguluko Ondi na okukala handi mu taataa, ndele handi mu li po!" Apa opo nee pa dja Onghoshi ya ninga omutondi wakeshe umwe novanhu va mona eenghono dokulongifa omundilo.

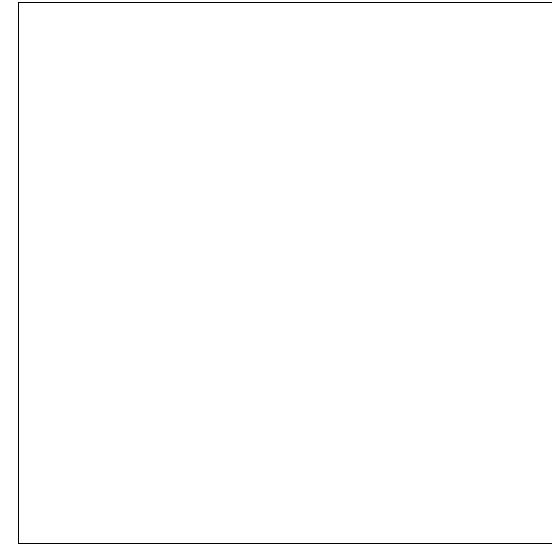

Ovanhu noi namwenyo ova ongala opo va ete
po ondungefaneke. "Otu na okuninga
ngahelipi opo tu kufe ko omundilo ku Nghoshi
opo natye yo tu kale hatu teleke oikulya yetu?"
Osho ve lipula. Ova tokola va teelele fiyo kwa
toka ndele tava hovele okwiiimba nokwiiimba,
nokupandula omake noku pandula omake,
tava ifana kesho umwe a ongale. "Ileni tu
ndanisheni. Ileni tu ndanisheni. Ileni tu
ndanisheni."

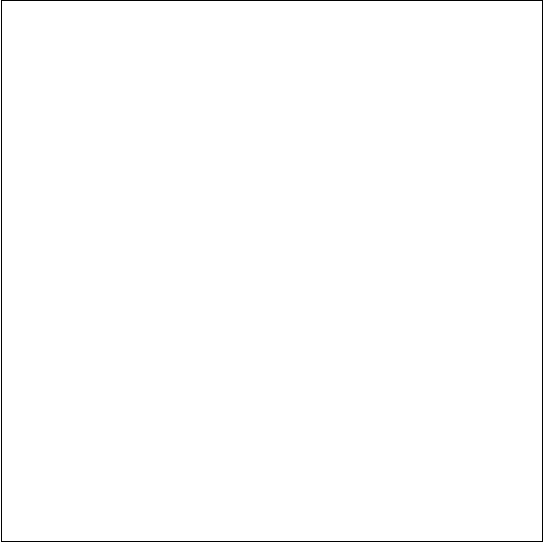

Nghoshi okwa ti, "Omolwashike ndihe udite
nande vali ewi! Omho tali imbi mokule konima
yange?" Okwa tanauka ndele okwa mona
Omho ndele te i taataa.

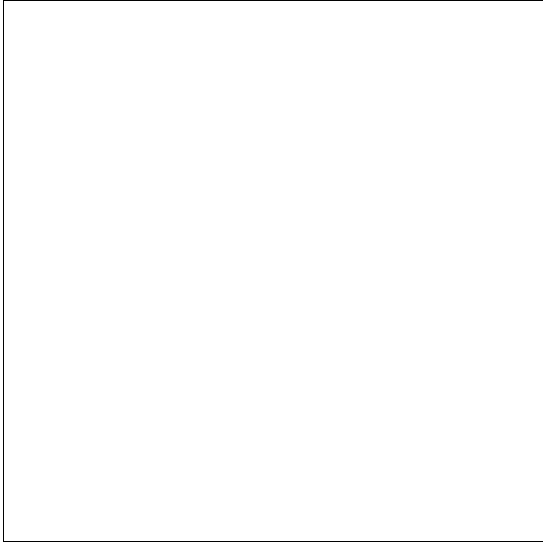

Oinamwenyo ihapu oya shitutuluka moixwa i waimine ondanisha neendjimbo. Nghoshi okwa etelela oiti yaye yokutaka omundilo. Okwa taka oiti, ta take nokutaka. Divadiva koshi yoiti otaku twima okamwifi. Nghoshi okwa fudila pokamwifi nokuweda po omwiidi wa kukuta. Okamundilo oka tema kanini keshe umwe okwa eta oshikuni. Divadiva keshe umwe ota ndanisha ta dingilile omundilo.

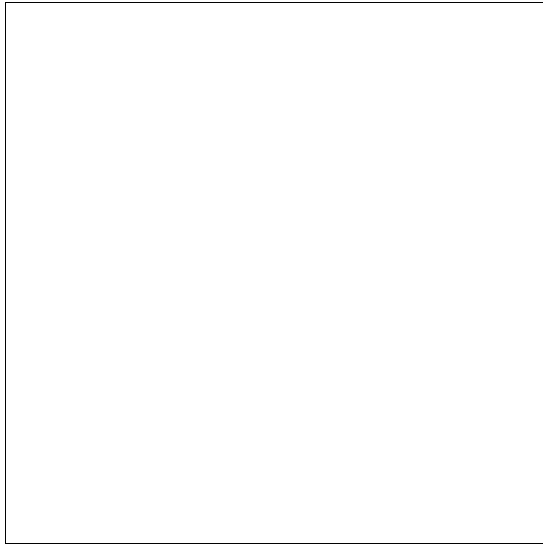

“Oh,” ovanhu ova fuda mokule,
“Oshinamwenyo shilipi tashi dulu oku tu kwafela paife?” Omho oyo i na omaulu male e dule etu aeshe, nату i pule.” Ova hokololela Omho ondungefaneko nomho oya vakula oiti yokutaka omundilo yaNghoshi oshikando eshi ndele tai fadukapo.

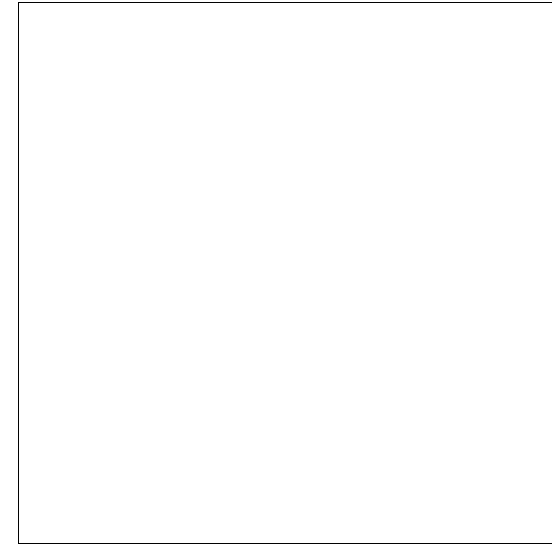

Ndiba okwa li a kotoka ye oha endelele.
Ovanhu ova lombwela Ndiba va ti: "Manga fye
hatu imbi apa ye Nghoshi ta ndanisha, ove
vakula po oti yaNghoshi yomundilo ndele to
faduka po." Ine shi pondola shaashi onghoshi!
oye mu kwata ndele ta kufa ko oti yaye.

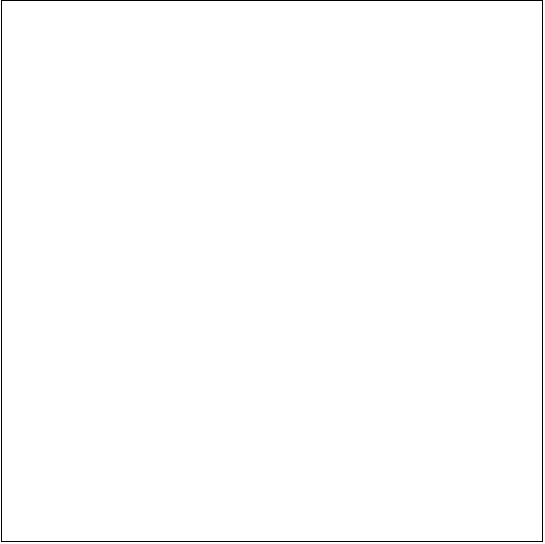

Natango, Nghoshi okwa imba eimbilo laye
lokupenya. "Kwaame kashi na oshilonga.
Ohandi duli oku ku Iya po noludui, ohandi
duli oku ku Iya po uhe na oludui. Ame ngh!
na oupyakadi. Nye amushhe oikulya yange."

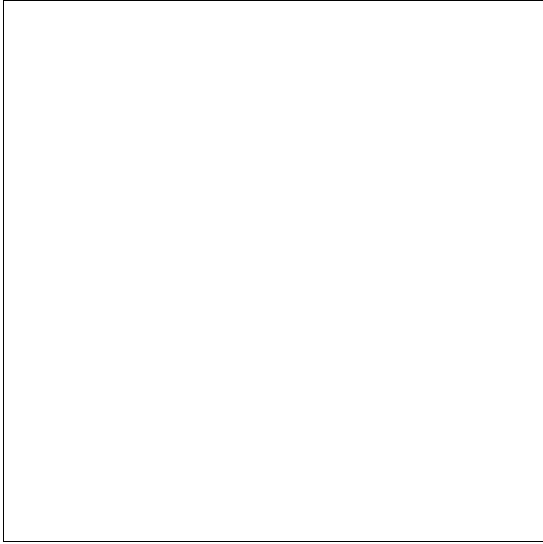

Onghoshi okwa imba eimbilo tai penya:
“Kuame kashi na oshilonga. Ame kandi na
oupyakadi. Ohandi dulu oku ku lya po
nolududi, ohandi dulu oku ku lya po uhe na
olududi. Ame nghi na oupyakadi. Nye amushe
oikulya yange.”

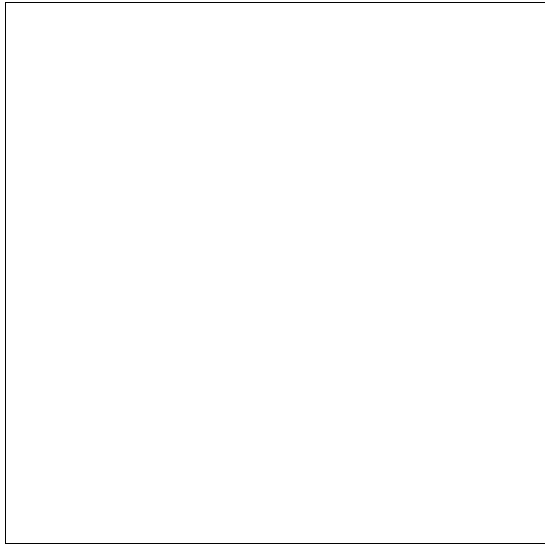

Manga vali tava ndanisha tava dingilile
omundilo, Mhundja okwa vakula po oiti
yokutaka omundilo yaNghoshi ndele ta faduka
po a yuka momufitu. Ashike Onghoshi oya tya,
“Oshike ndihe udite nande Mhundja ta ti tyaa
tyaa monima yange ngaashi shito?” Okwa
tanauka ndele ta taataa Okapundja oko ka li
taka ndjobauka ka finda momufitu. Nghoshi
okwe ka kwata ndele ta kufa ko noiti yaye
ndele ta alukile komundilo.

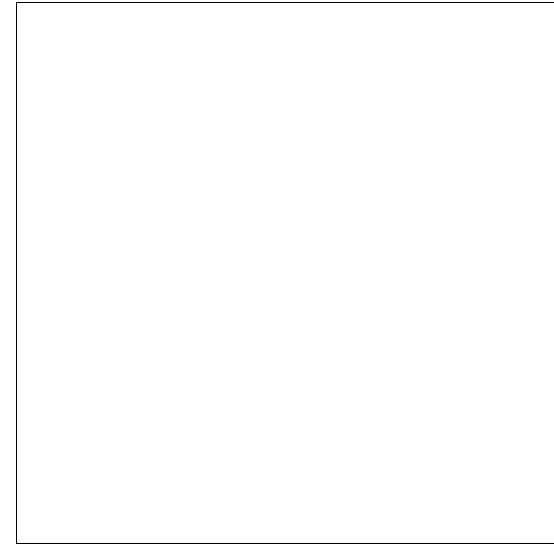

Omenye ohai tondoka nokunhuka tai
endelele. Ovanhu ove i lombwela, Manga
Nghoshi ta ndanisha ye ta imbi pamwe naye,
ove vakula po oiti yaye yokutaka omundilo
nde le to faduka po."

Ovanhu ova tameka okunongofolafana. Tava
ti, "Natu pule Mhundja. Oye munini ye oha
endelele." "Mhundja," osho va ti, "Manga
Nghoshi ta ndanisha fye hatu a imbi naye, ove
vakula po oiti yaye yokutaka omundilo ndele
to faduka po nayo."

Omanga tava ndanisha vo tava imbi, Omenye
oya vakula po oiti yomundilo ndele tai nhukile
moixwa. Nopo nee Nghoshi oya ti,
“Omolwashike ndihe udite nande okolokoto
kopa kopa yomakondo oMenye konima
yange?”

Nghoshi okwa tanauka ndele oya mona
Omenye tai tondoka ya yuka moixwa noiti
yokutaka omundilo. Okwa taataa Omenye,
okwe i kwata ndele ta kufa ko oiti yaye
yomundilo. Natango, Onghoshi oya imba
eimbilo layo lokupenya,
