Likande le likala kakuzwelela mwalinako
zakale lifolofolo ni batu hane lipila hamoho.
Mwamazazi awo batu nebasina tukelo
yamulilo mi kacwalo nebaca lico zesika buzwa.
Mulilo ne ufumanwa feela ku Tau.

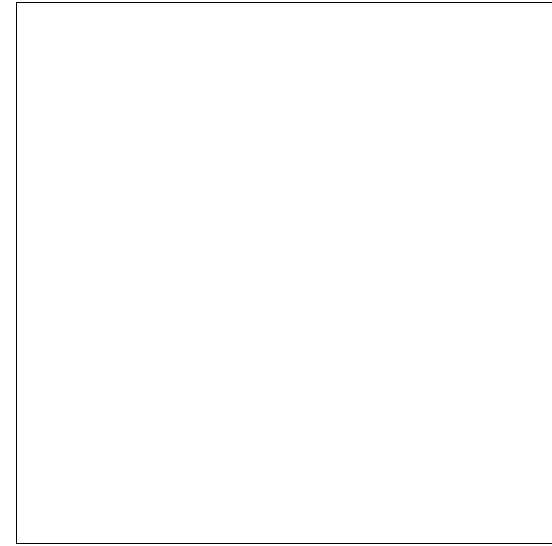

Kasamulaho a nako yetelele, Tau ya kuta
kakubonahala kukatala fasifateho, kakuli
Mpyee ne imata kabubebe kufita Tau. “Kuzwa
lizazi leo” yali: “Hakuna yenikasiya kumina
hape anosi. Nika mizuma, kumilelekisa ni
kumica!” Ki kamokutezi kuli Tau ibe sila ku
mañi ni mañi ni kamo batu bafumanezi mulilo.

Tau ali, "Ki kabakalaŋi hanisikautwa Mpyee ha
opela kamuhuwo mwamulahoh waka?"
Aitemuna ni kubona Mpyee mi ailelekisa
mwamulahoh.

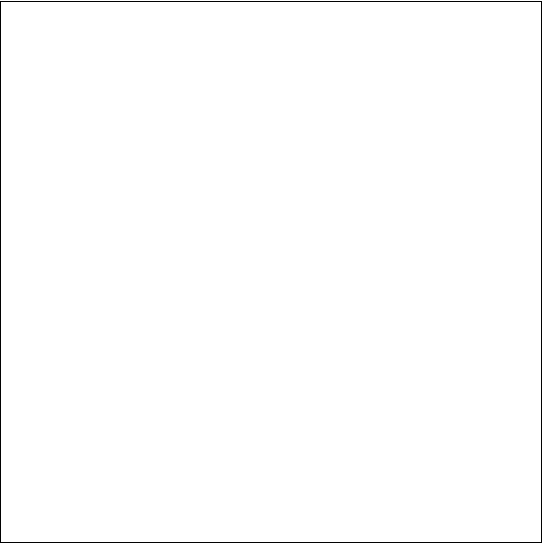

Batu ba kopana ni lifolofolo kuba ni mulelo.
"Luka eza sikamaŋi ku tau kuli lufumane
mulilo luapehe lico zaluna?" Kihha babuza hane
bakopani? Balitela kufitela manzibwana mi
bakala kuopela, kukamba ni kubizana. "Taha
ubapale ni luna. Taha ubapale ni luna. Taha
ubapale ni luna."

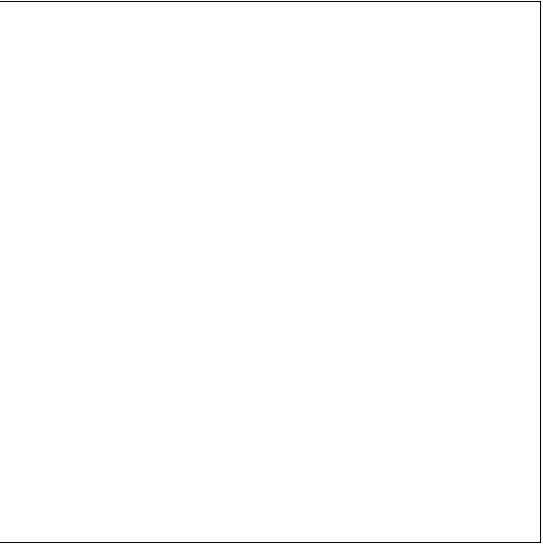

Lifolofolo zeñata zazwa mwamushitu nikuto kena mwakubina. Tau atisa tukota twahae twa mulilo. Acakula ni kucakula hape, hakisikalyeha musu wakala kubonahala kwatukota. Tau a fuzela fa musu ni kubeya fateni bucwañi bobuomile. Kalilonyana katobonahala kuli mane yomuñwi ni yomuñwi atisa kota. Kasamulaho kaufela bona bakala kubina inge bapotoloha mulilo.

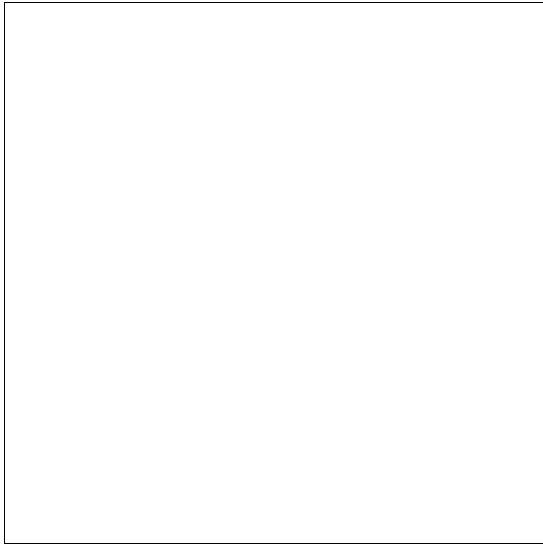

“Oo!” kwa komoka batu, ki folofolo mañi yekona kulutusa mwanako yacwale? Mpyee ina ni mautu a matelele hahulu, lukupe tuso kuyena. Batolokela Mpyee mulelo wa bona miya yonga tukota twamulilo tonetuli twaTau.

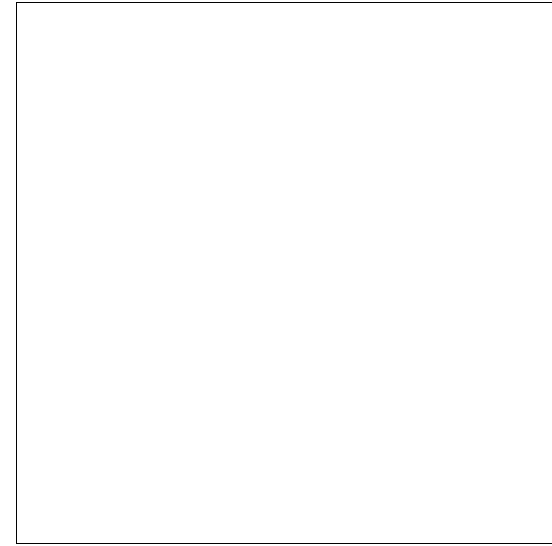

Tau hape a opela pina yahae ya kuitumbaeta.
Kuna ha kuna sesibilaeza. Hanina butata
bobukana. Nikona kumica inge muna ni milili!
kapa mane ni hamusina. Kaufela mina
mufetuha kuba sico saka.

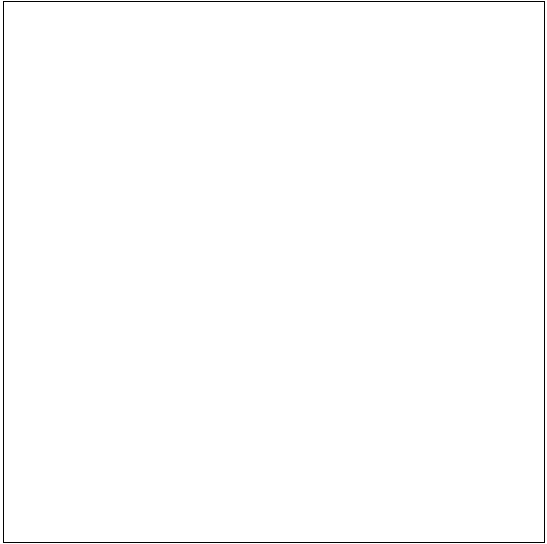

Shakame natalifile ni bunyamenyame. Batu
nebali kuyena, "halunze luopela kwanu mi Tau
inge abina niluna, wena unge tukota twahae
twamulilo ni kumata." Kacwalo Shakame anga
tukota twaTau twamulilo ni kumata. Nasika ya
kwahule kakuli Tau namulelekisize ni
kumuswala. Tau a kutisa tukota twahae twa
mulilo.

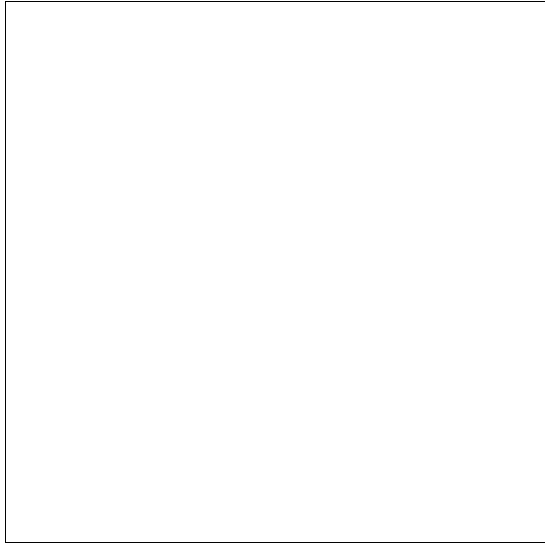

Tau a kala kuopela pina ya kuitumba: “Kuna hakubilaezi. Hanina butata. Nikona ku kuca ni milili, ni kona ku kuca kusina milili. Hanina butata. Mina kamukana mulico zeni kona kuca.”

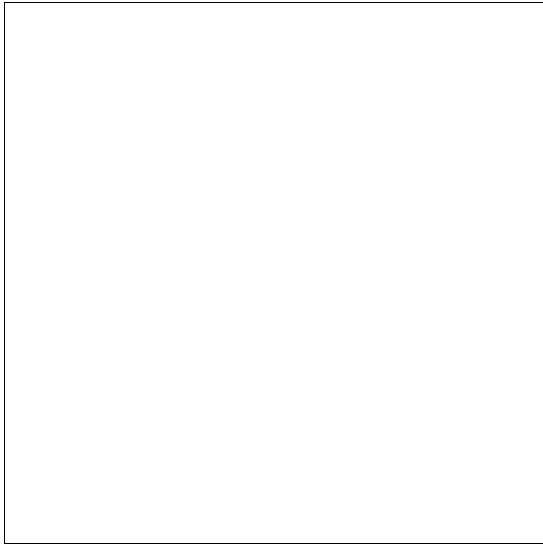

Hane babapala inge bapotohola mulilo, Puti aswala tukota twamulilo twaTau ni kumatela mwabucwañi. Kono tau ali, “Kiñi hanisikautwa Puti kubuyela kamuhono sina sapili?” Tau a fetuha ni kulelekisa Puti yana matela mwabucwañi. Tau ya mata kuyo muswala ni kukutisa tukota twamulilo.

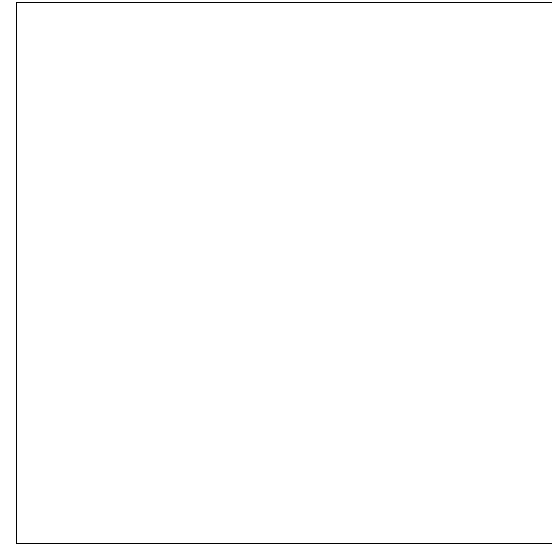

Folofolo yebibwa sipuliñiboki ne ikona kumata
ni kutula kabubebe. Batu bali kuyona, "Tau ha
inze ibapala ni kuopela ni luna fa, Ulukela
kunga tukota twahae twamulilo ni kumata."

Batu kiha bakala kuishobotela. Bali, "lubuze
Puti Kiyo munyinyani kono umata
kakuitahanela." Bali ku Puti, "Tau ha ibina ni
kuopela ni luna, wena Puti ulukela kunga
tukota twahae twamulilo ni kumata."

Hane babapala cwalo ni kuopela, Sipuliñiboki a swala tukota twamulilo ni kutulela mwasibaka sa bucwani. Tau ali, “Kiñi hanisika utwa misindo ya litaku za Sipuliñiboki kwamulaho waka?”

Tau a temuna ni kubona Sipuliñiboki hana matela mwabucwañi ni tukota twahae twamulilo. Ki ha imata mwamulaho wa Sipuliñiboki, yamuswala kunga tukota twamulilo ni kukuta ni tona. Hape tau yazwelapili kuopela lipina za kuitumba.
