Wangari ti enn zanfan intelizan ek li  
pa ti pe kapav atann pou al lekoi.  
Me so mama ek so papa ti anvi ki li

gagn set-an, so gran frer konvink so

Wangari finn trayay dir. Partou dan  
lemond, bann dimoun finn trouve

Avek letan, bann nouvo pie finn transform an lafore, ek bann larivier finn rekoumans koule. Mesaz Wangari finn propaze partou dan Lafrik. Azordi, enn ta pie finn pouse ek lagrin Wangari.

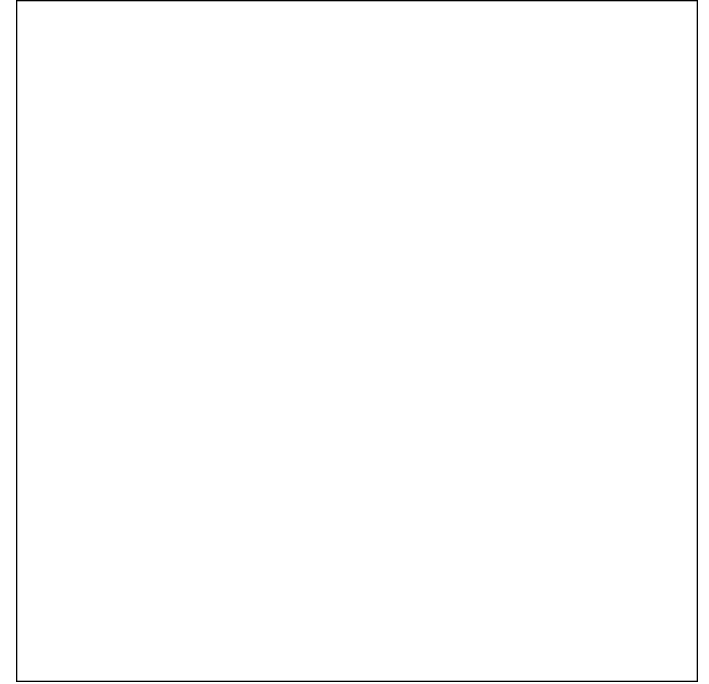

Dan liniversite Amerikin, Wangari  
finn aprann boukou nouvo zafer. Li  
finn aprann lor bann pie ek manier

kouma li finn grandi : li ti pe zwe

Wangari ti kone ki bizin fer. Li finn

Bann madam-la ti bien kontan.
