Det var en gang en lykkelig familie.

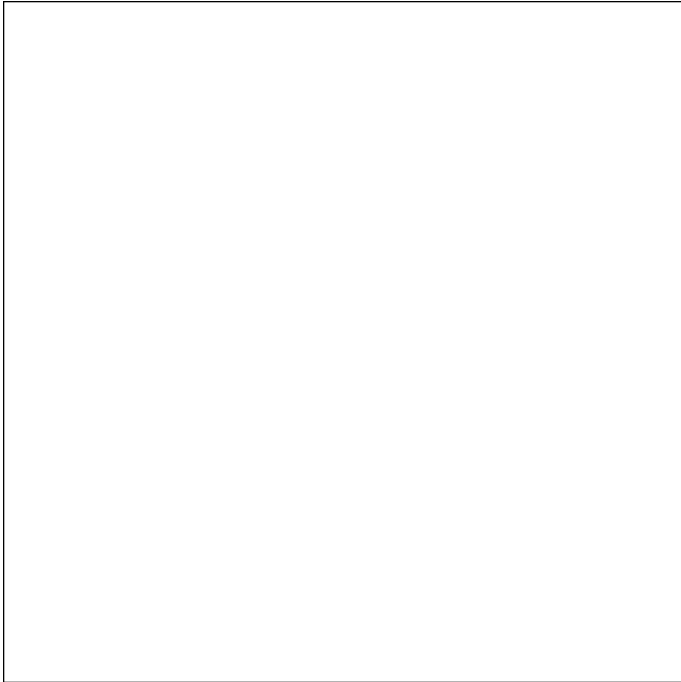

De kranglet aldri. Barna hjalp foreldrene sine hjemme og i åkeren.

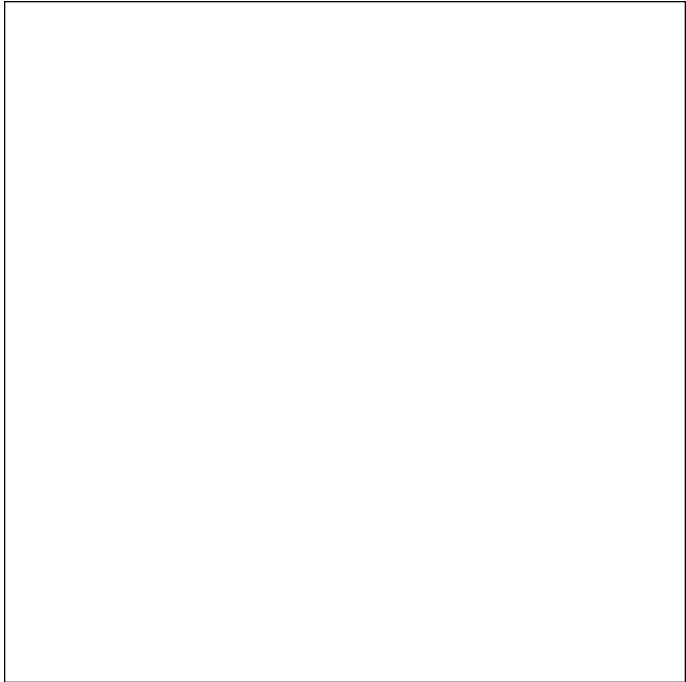

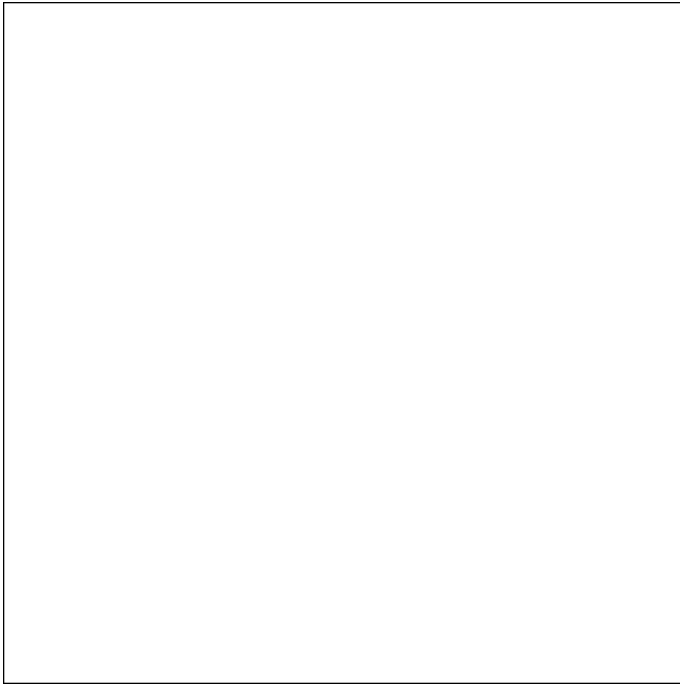

Men de fikk ikke lov til å gå nær ilden.

Og da sola steg, fløy han
syngende inn i morgenlyset.

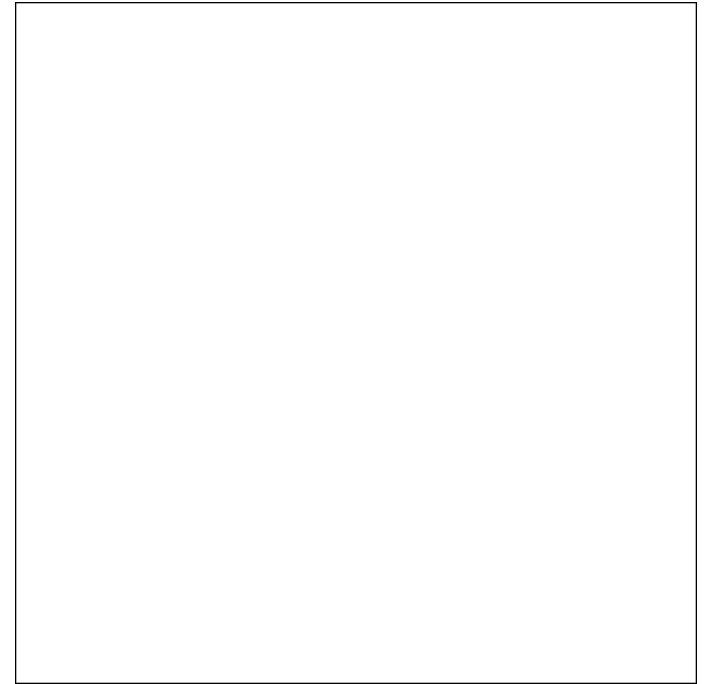

De måtte gjøre alt arbeid om
natten. Fordi de var lagd av
voksi!

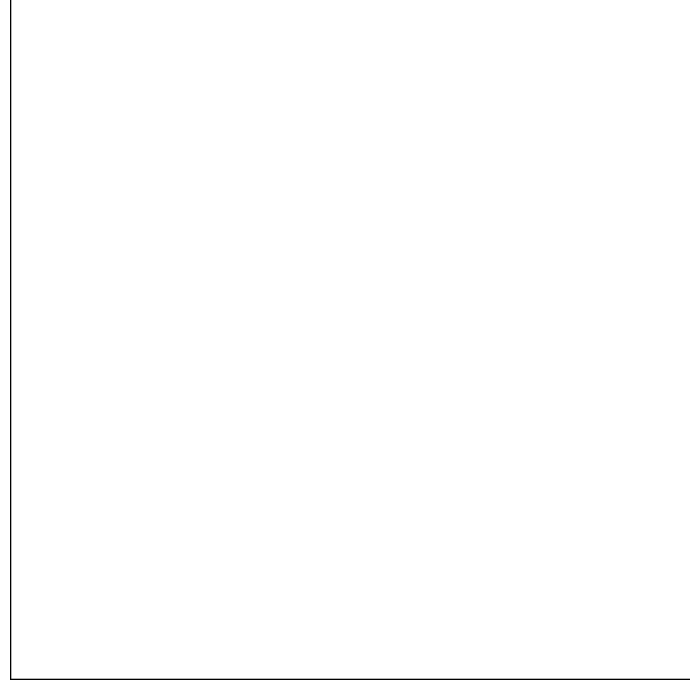

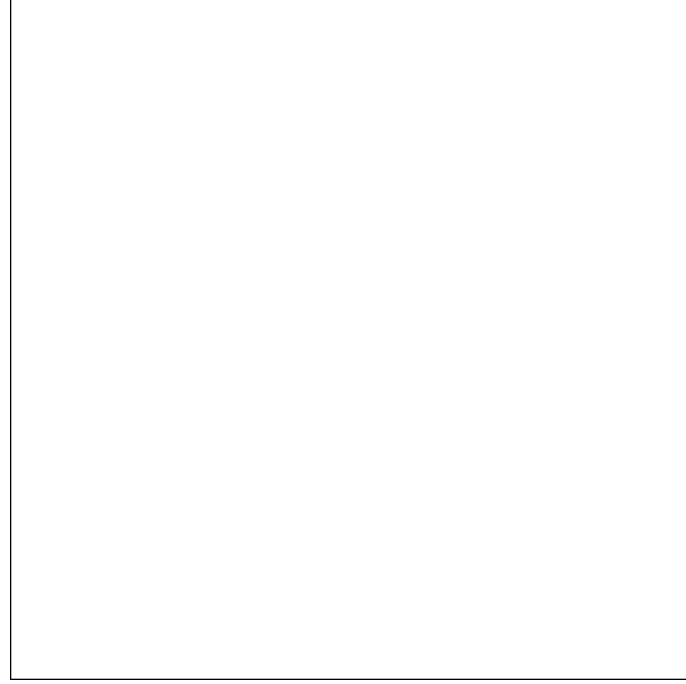

Men én av guttene lengtet
etter å gå ut i sollyset.

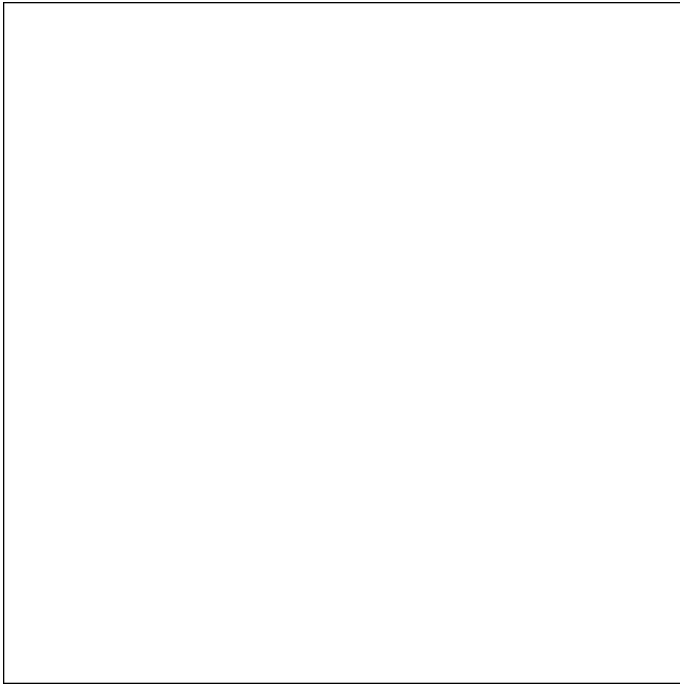

De tok med seg fuglebroren
sin opp på et høyt fjell.

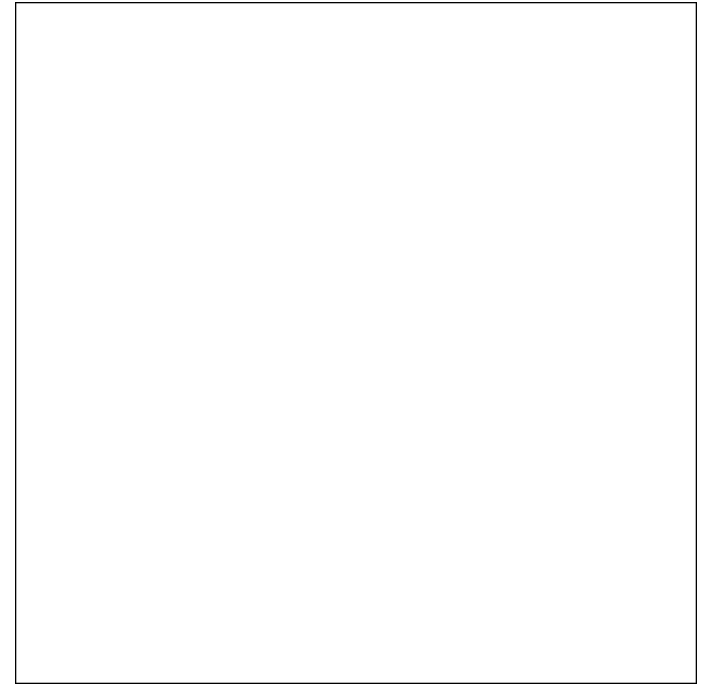

En dag ble lengselen for sterk.
Brødrene hans advarte ham.

Men de la en plan. De formet
en fugl av den smeltede
voksclumpen.

Men det var for sent! Han smeltet i den varme sola.

Voksbarna ble lei seg av å se broren sin smelte bort.
