Ri, eey iyo sac baa waxay a  
haayeen saaxiibo isku wayn.  
Maalin maalmaha kamid ah  
waxay aadeen safar waxayna  
raaceen taksi.

Markay gaadheen  
dhammaadkii safarkooda,  
darawalka ayaaweynii in ey  
bixiyaan nooligooda. Sici  
waxuu bixiyay lacagtiisi.

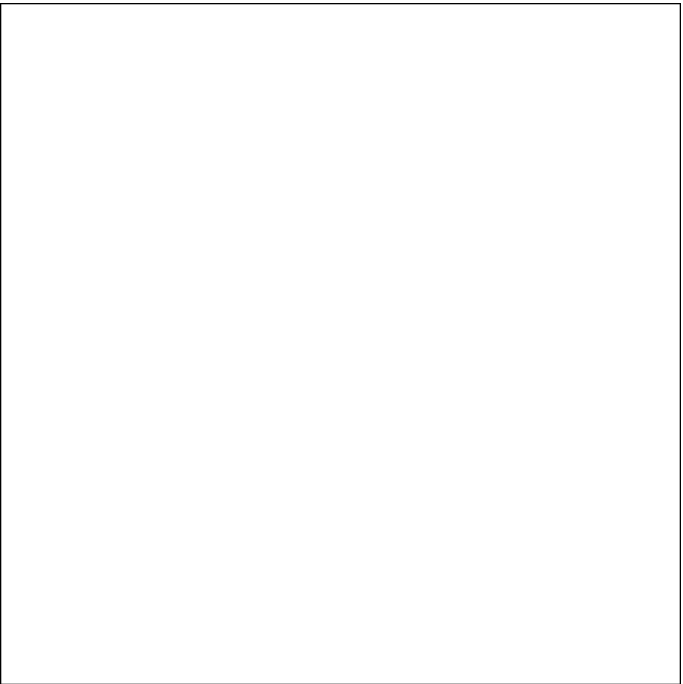

Eeygi waxuu bixiyay xoogaa dheerad ah, sababtoo ah ma uusan haysan lacag sax ah.

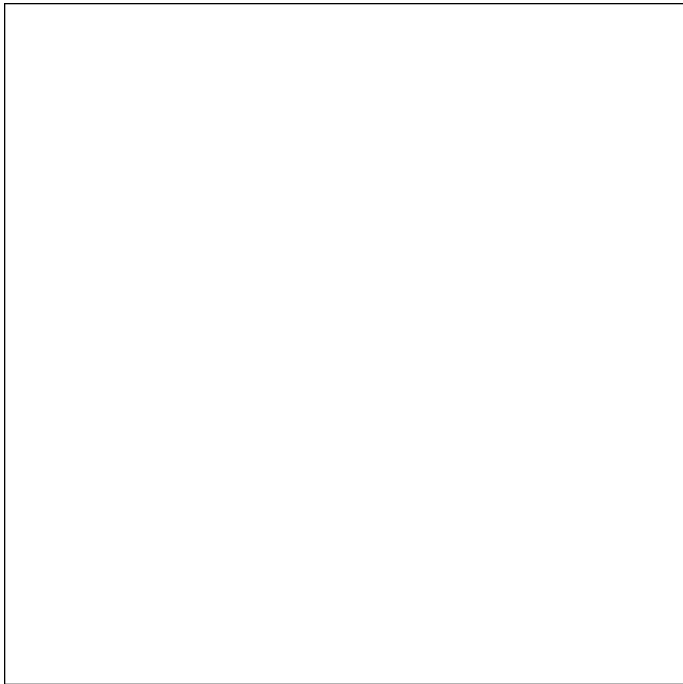

Saca na dan kamalahan markuu baabuur soo socdo. Saca waxuu qaataa waqtigiisa si uu jidka u gudbo sababtoo ah waxuu og yahay in uu bixiyay nooligiisi si dhameystiran.

Darawalka waxuu siin rabay  
eyga baaqiisa markay rida  
carartay ayadoon waxbo  
bixinin.

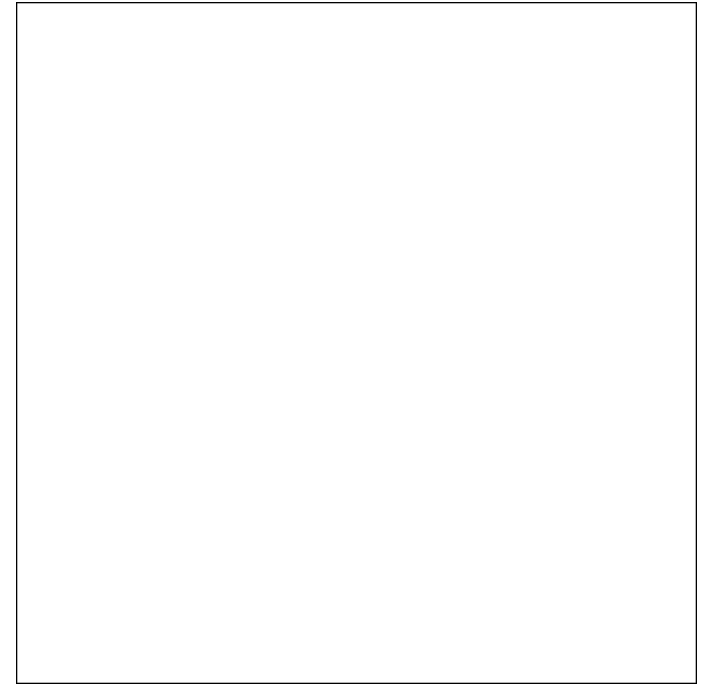

Rida waxa ay ka carartaa  
baabuurka xiinkiisa. Waxay  
kacabsi qabtaa in loo xidho  
bixin la aanta nooligi.

Darawalka aad buu u xanaaqay. Garrigii buu waday asagoo siinin eeygi baaqigiisi.

Taasina waa sababta xitaa maanta, eeyga uu ugu ordo gaadhiga si uu u qooraansado oo u helo darawalkii ka qabay baaqiga.
