Tani waa sheekada Ngede, shimbir-malabka, iyo nin yar oo dhuuni ah laguna magacaabay Gingile. Maalin goor uu Gingile ugaarsi tagay maqlay ci'da Ngede. Gingile afkiisa ayaa bilaabay in uu dhareero niyeysiga malab dartii. Wuu istaagay wuu na dhagaystay si taxadar ah, oo uu raadiiyay ilaa uu arkay shimbirkii oo laamaha korka madaxiisa ku jiro. "Jiiq-jiiq-jiiq," ayuu ku shanqaray shimbiarki yaraa, isaga oo u duulay geedka ku xigo, hadana kan kale. "Jiiq-jiiq-jiiq," ayuu ku ciyay, istaagayana marba mar si uu u hubsado in uu Gingile soo raacay.

Saacad barkeed ka dib, waxa ay soo
gaareen geed berde duur baaxad le.
Ngede waxa uu si walli ah ugu
booodboday lamihii geedka. Dabadeedna
waxa uu dul dagay mid ka mid ah lamihii,
waxa uu na madaxiisa ku soo leexiyay
Gingile siddi in la dhabayo, "Waa kan!
Kaalay hada! Maxaa wadtiqas dhdeer u
daadaneysaa?" Gingile kama usan arki
karrayn wax shinni ah geedka hooftisa,
laakiiin waxa uu aminiay Ngede.

Gingile waxa uu warrankii ugaarsiga
dhigtay geedka hoostiisa, waxa uu soo
aruursaday xaabo, dab ayuuna shiday.
Markii uu dabkii si fiican u shidmay, qori
dheer oo qallalan ayuu dabkii galiyay.
Qorigani waxuu khaasatan caan ku ahaa in
uu sameeyo qiiq badan marka la shido.
Waxa uu bilaabay fuullidii, isaga oo ilkaha
ku haya dhanka qaboow ee qoriga qiiqaya.

Sidaa darteed, markii Gingile ay

carruurtisa madlaan shheekada Ngede
waxa ay ixtirram u daadaan shimbirka yar.
Mar waliiba oo ay malab soo qurtaan, waxa
hoygeeda. Markii uu Gingile garay hoygii
shinница waxa uu origi qillayay ku riway
meeshii duleeshay. Shinнidi bananka
ayay u yacday, sababto ah ma jeclays
qilla - laakin intaa ka hor waxay Gingile
siiyeen xooqaa daninyo kuli!

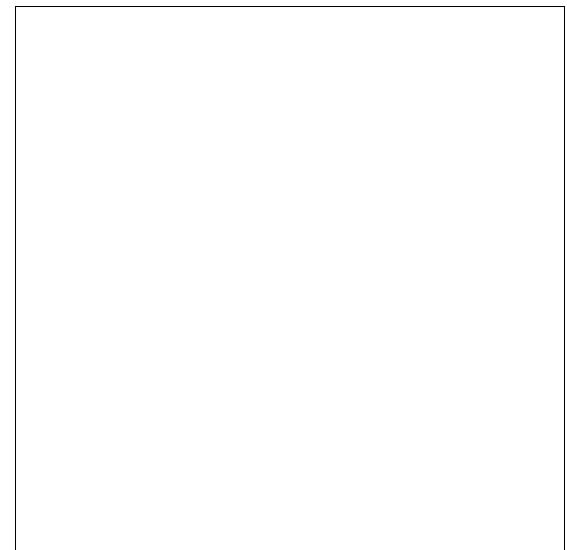

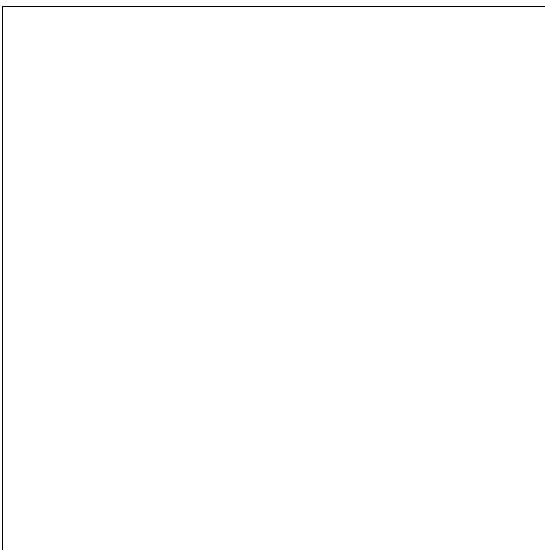

Markiiba waxa uu madli kary "sss-ssss" da
dheer ee shinница masqullisan. Waxa ay
ka galaysay kana soo baxaysay shinница
meel duleeshaa oo geedka jirriidisa ah -
hoygeeda. Markii uu Gingile garay hoygii
shinница waxa uu origi qillayay ku riway
meeshii duleeshay. Shinнidi bananka
ayay u yacday, sababto ah ma jeclays
qilla - laakin intaa ka hor waxay Gingile
siiyeen xooqaa daninyo kuli!

Markii ay shinnidii tagtay, Gingile waxa uu gacantiisa ku riixay buulki malabku ku jiray. Waxa uu kala soo baxay gacan buuxdo xabag-barsheed, tiftifqayso malab iyo diirdiir cadcad oo buudhan. Waxa uu si taxaddar leh ugu riday xabag-barsheedkii kiish uu garabka ku sitay, geedkiina waa uu ka soo degay.

Intii ay haramcaddu weerarin Gingile, si degdeg ayuu hoos uga degay geedki. Degdeggii awgii ayuu laan gafay, waxa uu si shanqar culus leh ugu dhacay dhulka oo wareejiyay canqowgiisi. Sidii ugu dhakhsaha badneyd ee uu karay ayuu u dhutiyyay. Nasiib lahaayaa, haramcaddu aad bay weli u sii hurdeysnayd haday cayrsan lahayd. Ngede, Shimbir-malabkii, wuu helay aargoosigi. Gingile na cashar ayuu bartay.

Ngede waxa uu si xioso leh u daawanaay
 wax walba oo uu Gingile sameynayey.
 Wawa uu sugayay in uu uga tago cad
 xabag-barsheed buurran ah Shimbir-
 malabka si mahad ceelin ah. Ngede lanba
 laan ayuu uga duulay, ugu na sii
 dhaawanayay dhulka. Ugu dambeey
 Gingile geedka salkiisi ayuu gaadhey.
 Ngede dhagax u dhow willka ayuu duu
 istagay waxuu na sugayay abaalmarintisiil.

Gingile wuu fuulay, la yaabbaanaa sababta
 uu u madli wayay "sss-sss-sss" di caadiiga
 ahayd. "Malahaa godku gudaha geedka
 ayuu sii jiraa," ayuu ku fikiray. Laan kale
 shinnida eegili laha, waxa uu indhaha ku
 dhufty haramcad! Haramcaddu aad bay
 ugaa carootay in hurdaadeedi si edeb darro
 ah looga dhexgalay. Indhaha aayay isku
 kuduudday, afkeedana way kala qaadday
 iyada oo ilkaheeda waaweyn ee afka badan
 dibedda u soo saraysa.

Laakiin, Gingile dabkii ayuu damiyey, warrankiisii na qaataay oo socodkii gurigiisa billaabay, isaga oo inkiraya shimbirki. Ngede si carro leh ayuu u ciyey, "Fiiq-fifiq-fiifiiq!" Gingile inta istaagay, oo shimbirki yaraa eegay ayuu aad ugu qoslay. "Waxa aad rabtaa xoogaa malab ah, ma rabtaa, saaxiib? Ha! Laakiin hawsha oo dhan aniga ayaa qabtay, aniga ayaana qaataay qaniyo oo idil. Maxaan kuula qaybsadaa malabkan la jecelyahay?" Dabadeedna wuu iska dhaqaaqay. Ngede aad ayuu u carooday! Ma ay ahayn in sidan loola dhaqmo! Lakiin wuu aargoosan doonaa!

Asbuucyo badan kadib, maalin, markale ayuu Gingile maqlay ci'da malab sheega ee Ngede. Waxa uu xusuustay malabkii macaanaa, si xiiso leh na u dabagalay shimbirkii mar kale. Sidii uu kaynta dhinaceeda ugu horkacayey Gingile, Ngede waxuu dul istaagay geed weyn oo qodxo dallad ah leh si uu ugu nasto. "Ahh," Gingile ayaa ku fikiray. "Godka shinnida geedkan un buu ku yaal." dhaqso ba waxuu samaystay dabkii si yaraa waxa uuna bilaabay in uu fuulo, laanti yarayd ee qiiqeysayna ilkaha ku sita. Ngede wuu fariistay oo iska daawaday.
