**Global Storybooks**

Mar waayihi hore kamid ah,  
Digaagad iyo Galayr ayaa saaxiibbo  
ahaa. Waxa ay nabad oo la  
noolaayeen shimbiraha kale oo  
dhan. Midkoodna ma duuli karin.

Hal maalin, ayaa waxaa dhulka ka  
jirtay abaar. Galaxykii waxaa ay u  
socoaty meel aad u fog si ay cunto u  
hesho. Waa ay soo noqotay iyada oo  
aad u daallan. "Waa in ay jirtaa si  
sahlan oo loo safro!" Ayay tidhi  
Galaxykii.

Habeen ay si fiican u seexatay ka dib, Digaagaddii ayaa caqli fiican heshay. Waxa ay bilowday uruurinta baalasha ka daatay shimbiraha saaxiibbadeed ah oo dhan. “Aynu ku tolno dusha baalasha kuwa naga,” ayay tidhi. “Malahaa taas baa sahli in la safro.”

Maraka uu hooiska baalasha galayrka  
dhulka ka soo muuqdo, Digaaqaddu  
waxa ay u digtaa boojaa laheeda.  
„Ka tagga dhulkaan bananaan ee  
qalallan.“ Iyaguna waxa ay ugu  
jawaabaan: „Doodomo ma nihin.  
Waan carri doonaa.“

Galaryki ayaa ahayd mida keiliya  
tuulada ee heysata irbad, marka  
iyada ayaa markii koooward baalashii  
isku toshay. Waxa ay sameystay  
laba joog baalal ah oo aad u  
qurxoon kor ayeyna u duushay  
digaaqadda korkeeda. Digaaqaddi  
waxa ay soo amahatay irbaddi  
lakkin dhakhsa ba wey ku dashay  
tolliinkii. Waxa ay irbaddi uga  
tagtay armaajada korkeeda waxa

ayna u kacday jikada si ay cunto ugu  
diyaariso ilmaheeda.

Markii ay Dafadii timid maalinkii  
dambe, waxa uu arkay Digaagaddii  
oo carrada faageysa, laakiin aan  
irbaddii hayn. Sidaa darteed  
galayrkii si degdeg ah ayay hoos  
ugu soo duushay oo daftay mid ka  
mid ah carruurtii. Waa uu la duulay.  
Abid markaa ka dib, mar walba u  
galayrka soo muuqato, waxa ay  
aragtaa Digaagadda oo carrada  
faagaysa oo irbaddii ka raadinaysa.

Lakkiiin shimbirhi kalle ayaa arkeen  
 Galaxykii oo duulaysa. Waxa ay ka  
 codsadeen Digagaddii in ay  
 amahiso irbadda si ay iyaguna  
 baalal u sameystaan. Markiba waxa  
 la arky shimbiro duulayo meel  
 kasta samada.

“Bal hal maalin isi,” aye  
 Digagaddii afadii ka bariiday.  
 “Dabadeed waad giiqsan  
 doontaa baalashada oo duuli  
 doontaa mar kale si aad cuntu u soo  
 hesho.” “Maalin keiliya uun baad  
 hayastaa,” aye tidhi Galayrkii.  
 “Haddii aad irbadda heli weydo, wa  
 in aad magdhwii siiisa  
 carruurtada midkood.”

Markii uu shimbirkii ugu dambeeyey  
soo celiyay irbadda amaahda aheyd,  
Digaagaddu ma joogin halkaa.  
Marka ilmaheedii ayaa irbaddii  
qaatay oo bilaabay waxayna  
billaabeen in ay ku ciyaaraan. Markii  
ay ku daaleen ciyaartii, irbaddii  
waxa ay uga tageen carrada  
dhexdeeda.

Mar dambe gallapkii, ayey galarykii  
soo noqotay. Waxa ay weydiisay  
irbadii si ay u hagaajiso baalal kasoo  
dabcay intey safarka ku jirtay.  
Digaagaddii waxa ay ka eegtay  
armaajadii. Waxa ay ka eegtay  
jikadii. Waxa ay ka eegtay daaradda.  
Laakiin irbaddii meelna lagama  
helin.
