Loron ida, Koellu la'o hela iha
mota ninin.

Hipopotamo moos iha ne'ebá,
la'o hela no han dut ne'ebé
kapas no verde.

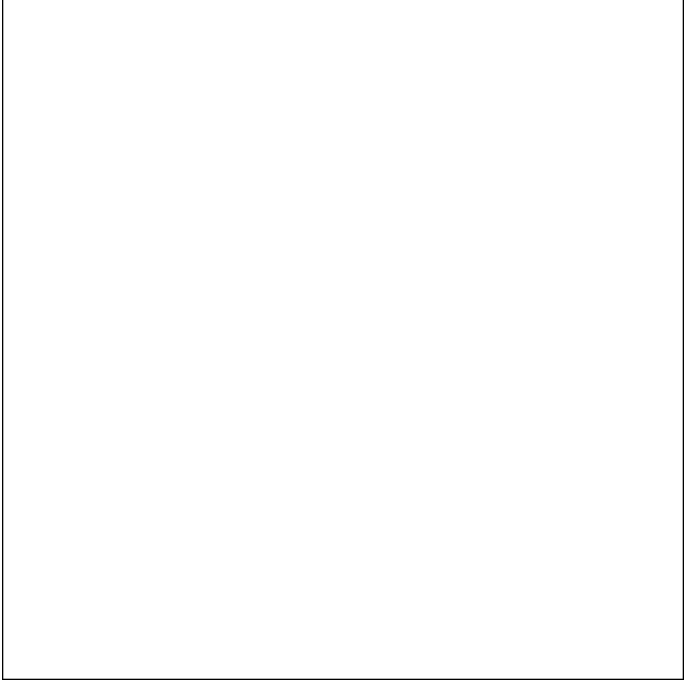

Hipopótamo la haree katak
Koellu iha ne'ebá no la iha
intensaun atu sama Koellu nia
ain. Koellu hahú hakilar ba
Hipopótamo, "O Hipopótamo!
O la bele haree katak o sama
ona ha'u nia ain?"

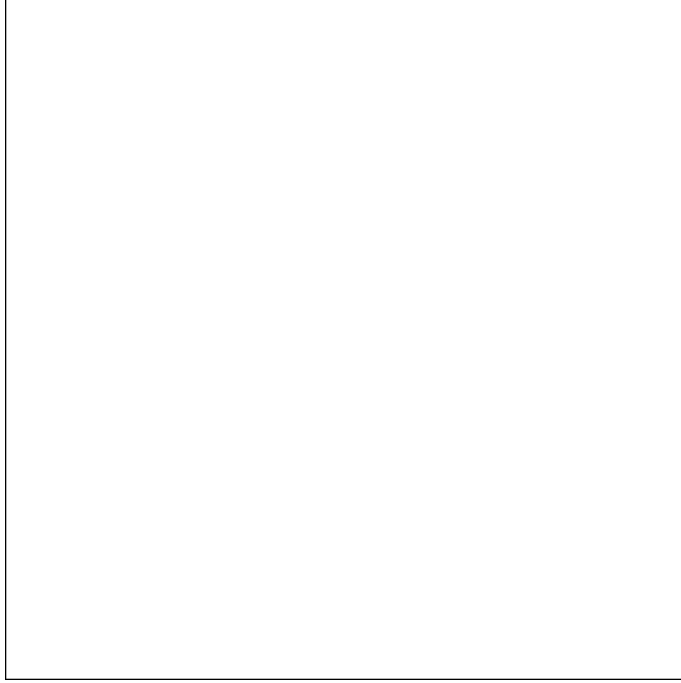

Koellu kontente tanba
Hipopótamo nia fulun mutuk.
No to'o ohin loron, nia ta'uk ba
ahi lakan, Hipopótamo nunka
dook husi bee.

Hipopótamo husu deskulpa ba
 Koellu, "Deskulpa bo'ot. Ha'u la
 haree o. Favor ida perdu
 ha'u!" maibé koellu la rona no
 nia hakilar Hipopótamo, "O
 halo finzili Loron ruma, o sei
 hareei O sei selu mak ne'ei!"

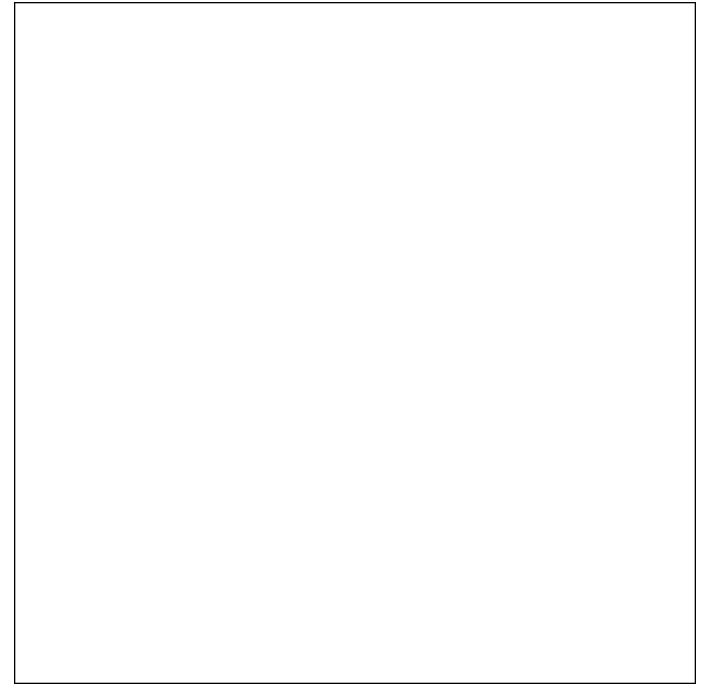

Hipopótamo komesa tanis no
 halai ba bee. Ninia fulun hotu
 mutuk husi ahi. Hipopótamo
 kontinua tanis, "Ha'u nia fulun
 mutuk ona husi ahi lakan! Ha'u
 nia fulun sira ba hotu onai Ha'u
 nia fulun furaki!"

Koellu ba buka ahi no dehan,
“Ba sunu Hipopótamo bainhira
nia sai husi bee laran ba han
du’ut. Nia sama ha’u!” Ahi
hatán, “La problema, Koellu,
ha’u nia belun. Ha’u sei halo
tuir buat ne’ebé o husu.”

Hafóin, Hipopótamo han hela
du’ut dook husi mota bainhira,
“Whoosh!” Ahi lakan sai boot.
Ahi lakan boot hahú sunu
Hipopótamo nia fulun.
