Isang elepante ang iinom
ng tubig.

Dalawang dyirap ang
iinom ng tubig.

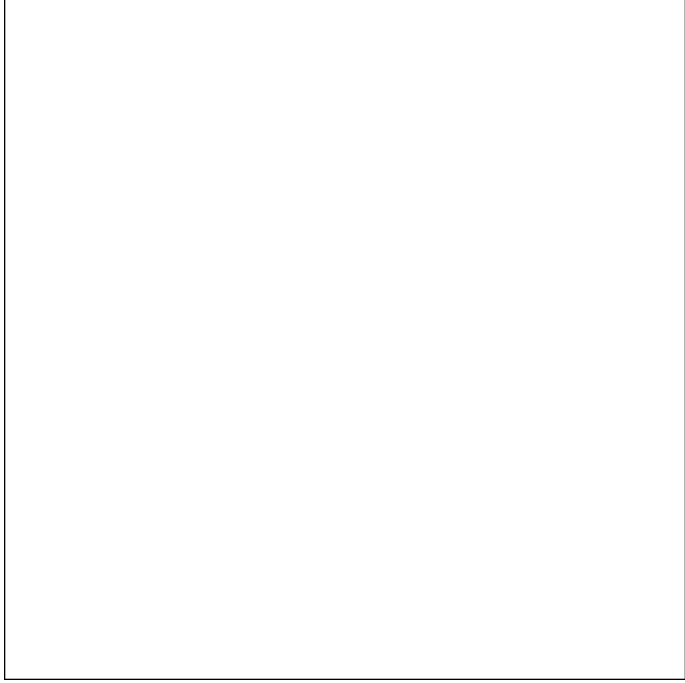

Tatlong kalabaw at apat na
ibon ang iinom ng tubig.

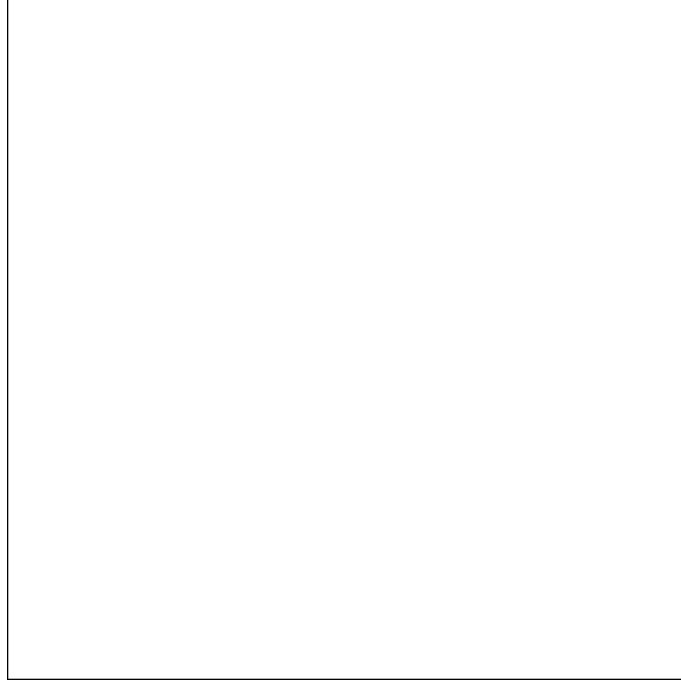

Isang elepante ang
umiinom kasama ng leon.

Limang impala at anim na baboy-ramo ang papunta sa tubig.

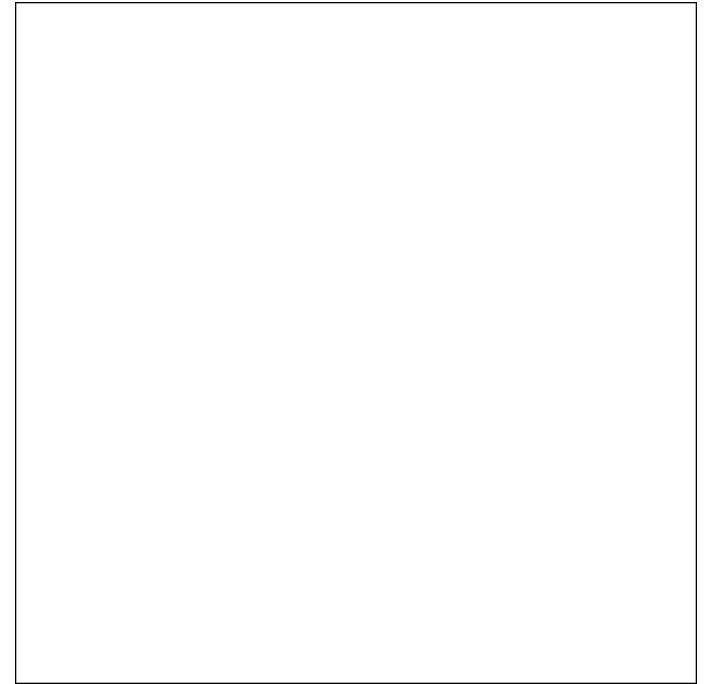

Isang leon ang umatungal. Gusto rin niyang uminom ng tubig. Sino ang takot sa leon?

Pitong zebra ang tumatakbo papunta sa tubig.

Walong palaka at siyam na isda ang lumalangoy sa tubig.
