Ngibonani ngamehlo ami.

Owesifazane okhulwe ebambele

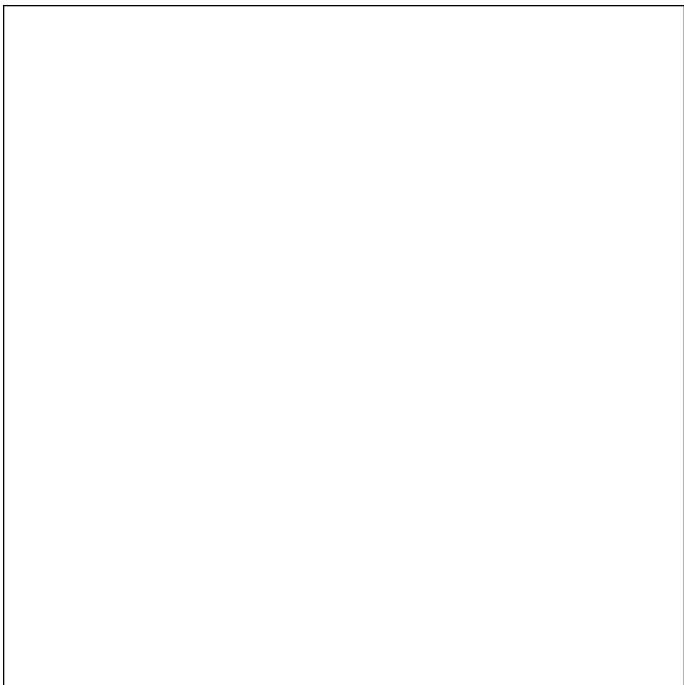

Umphakathi wamamukela ukuthi

Wamthola umama wakhe,bahlala kahle ndawonye. Lapho umama wayegibela kumntwana wakhe bazulazule endaweni yangakubo.

Ngabo lobo busuku wezwakala

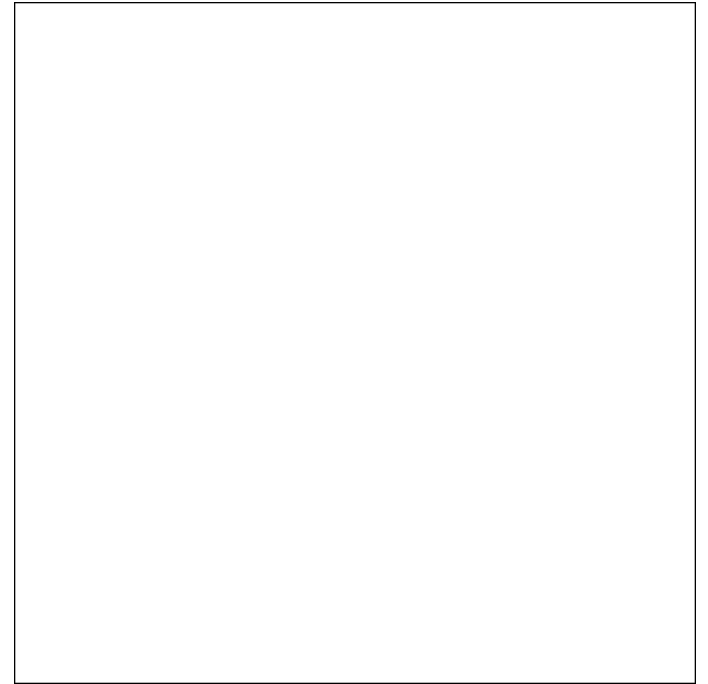

Umbongolo wayehamba ezibuza,
Ngabe nguye umama wami lo.

Wabeletha umntwana oyimbongolo.

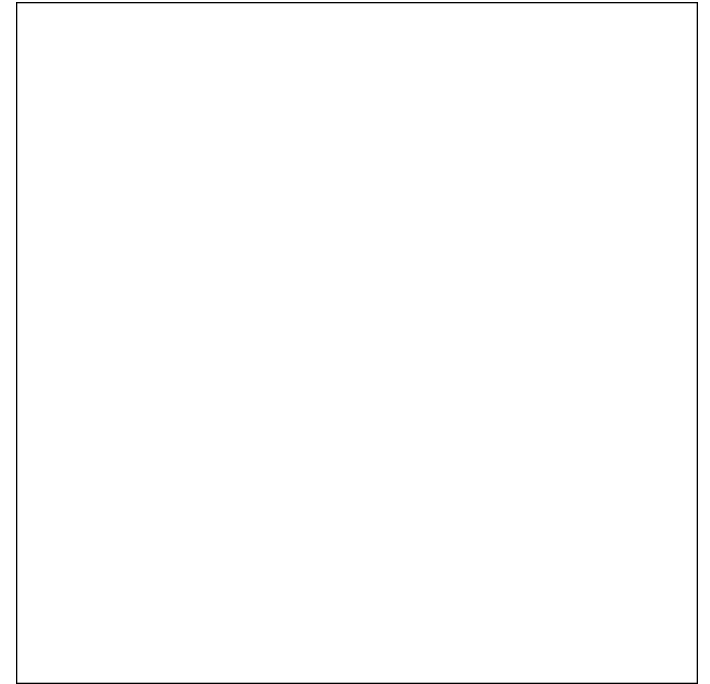

Umbongolo wayekhathazekile.
Waphindela

Sizokwenzenjan? Abantu besho bemangala.

Umbongolo waphaphama

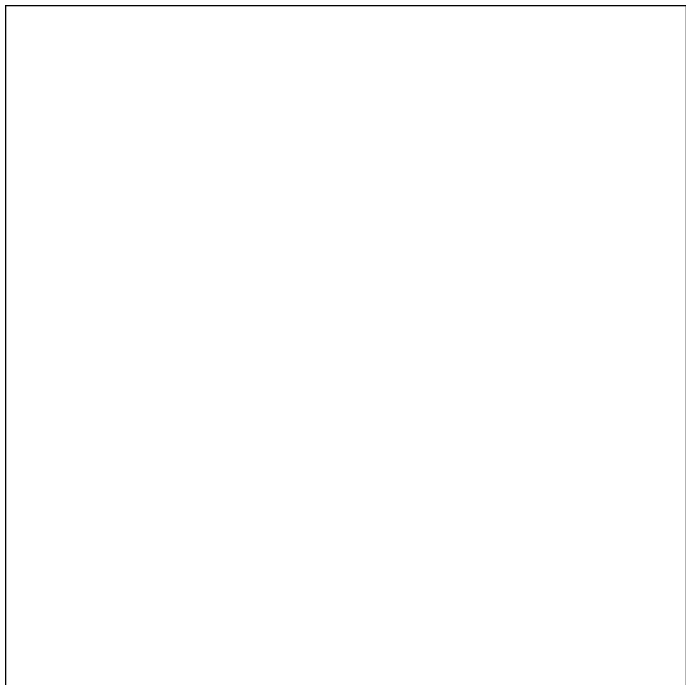

Babaleka bonke abantu.
“Ngizokwenzenjani ngalomntwana
oyimbongolo?” Kucabanga lo
wesifazane.

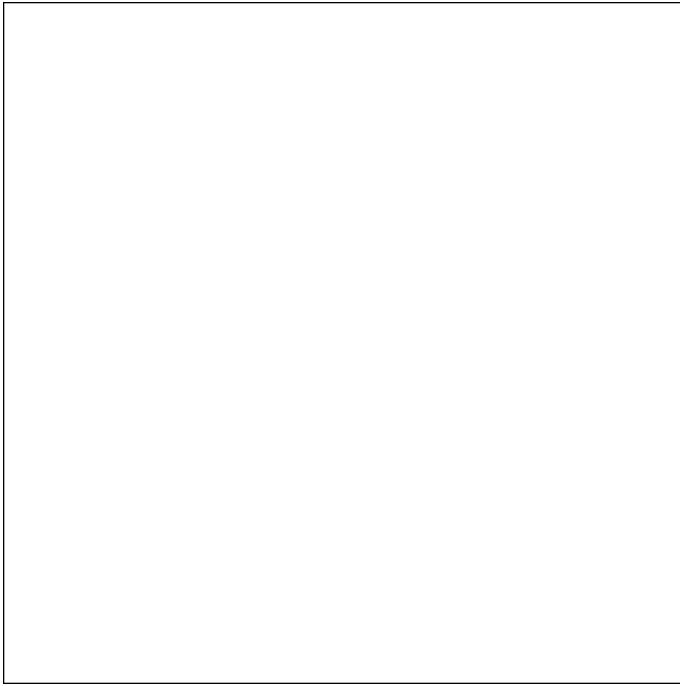

Ngolunye usuku banyukela

Ekugcineni wazibophezela
ukumthanda

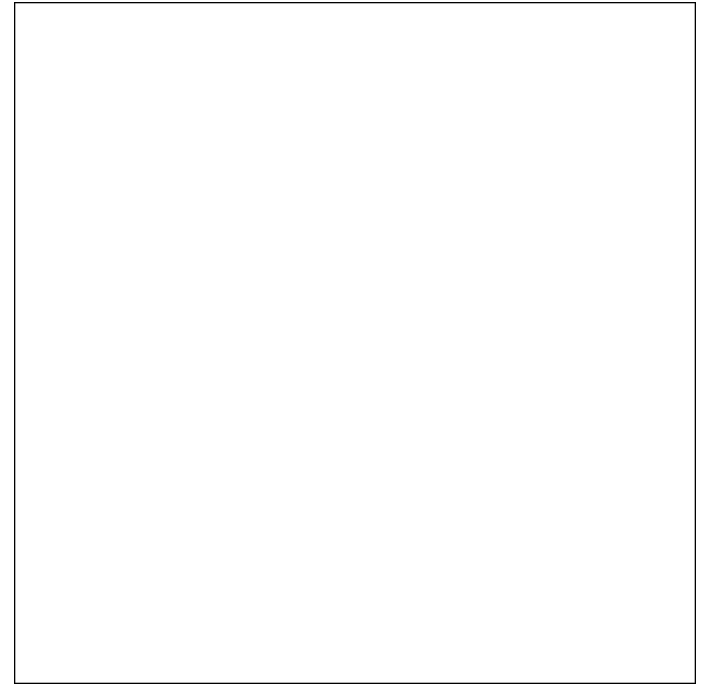

Esekhulile umbongolo, indoda

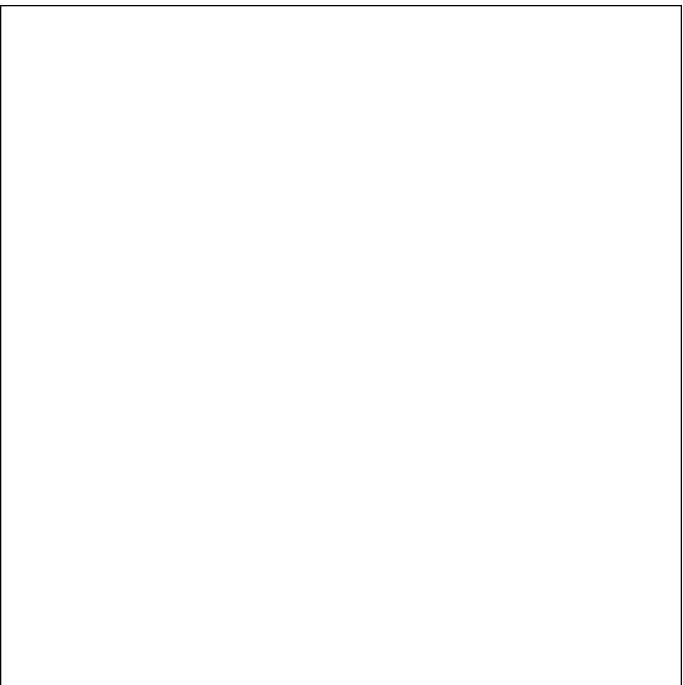

Umntwana oyimbongolo wakhula

Indoda yamthatha umbongolo

Umama wakhe waphatheka

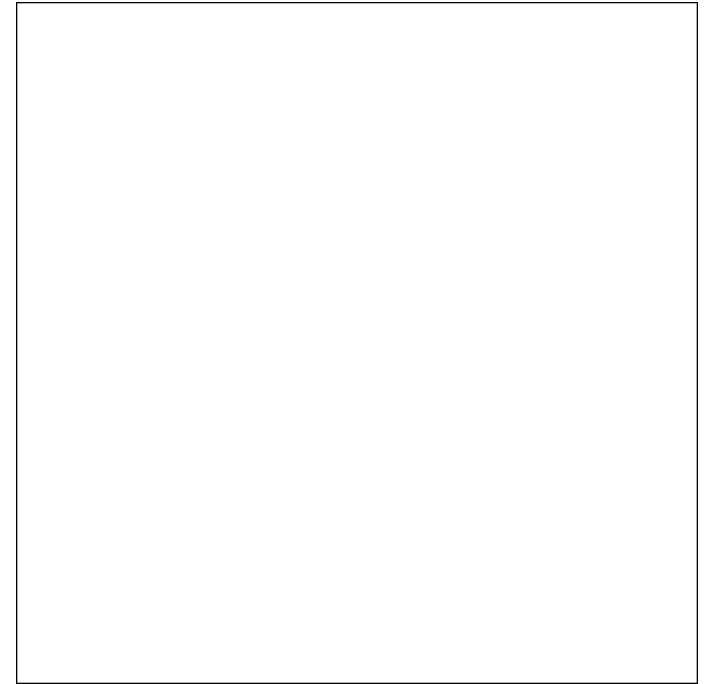

Waphaphama sekumi indoda

Umntwana umbongolo wabaleka

Umbongolo wazizwa
enomzwangedwa, elambile futhi
ekhathele. Wagcina ezumekile.
