Murumuna wange aryama atinze cyane.
Byuka kare, kuvera ko mpambaye!

Ni ngewe ufungurira izuba.

Mama aravuga, “uri inyenyeri y’igitondo.”

Ndiyozza, ntabufasha na buke nkenera.

Nshobora kwihanganira amazi akonje
n'isabune y'ubururu inuka.

Mama anyibutsa, "Ndiwibagirwe amenyo."
Nkasubiza, "Ntibishoboka, hoya ngewe!"

Nyuma yo yoga, nsuhuza sogokuru na masenge, nkanabifuriza umunsi mwiza.

Hanyuma nkiyambika, nkavuga “Ndi munini /Narakuze ubu Ma.”

Nshobora gufunga amapesu nkanafunga
inkweto zange.

Kandi menya ko murumuna wange azi inkuru zose z'ishuli.

Mu ishuli nkora cyane muri buri buryo bwose.

Nkora ibi bintu byiza byose buri munsu. Ariko ikintu nkunda cyane ni ugukinda no gukina!
