Bogologolo tala batho ba ne ba sa itse sepe. Ba ne ba sa itse jaaka go tlhonngwa, go dira sepata,kgotsa go dira didirisiwa tsa tshipi.Modimi Nyame kwa loaping o na le botlhale jotlhe jwa lefatshe.O bo beile sentle mo pitseng ya boraga.

Letsatsi lengwe, Nyame a tsaya tshwetso ya gore o ka naya Anansi pitsa ya botlhale, a ithuta sengwe se setsha. Go ne go itumedisa!

Ke gopola fa Anansi a ne a le pelotshetlha, “ke tla baya pitsa sentle kwa setlhoeng sa setlhare se se leele.E be le gore ke kgona go bo e tshegeletsa!”A loga thudi e e telele a e gokela mo pitseng ya boraga,a e gokela mo mogodung wa gagwe. O ne a simolola go palama setlhare.Mme go le thata go palama setlhare ka pitsa e e mo ngatang mo mangoleng.

Ka nako yotlhe mosimane yo motlana wa ga Anansi o ne a eme ka fa tlase ga setlhare a mo lebile. A re, "A go ne go se ka go na bofelo fa o palama o gokeletse pitsa ya boraga mo mokotleng wa gago? Anansi o a leka go gokelela pitsa ya boraga ya botlhale mo mokotleng wa gagwe, mme ruri ga nna bofelo."

Ka nako e e sa fediseng pelo a fitlha kwa setlhoeng sa setlhare. Mme a ema a akanya,"A mme tota ke nna fela yo o tshwanetseng go na le botlhale jotlhe, ke fa morwaake o ne a le botlhale go mphitisa!"Anansi o ne a kgotswa jaana gore a latlhele pitsa ya boraga fa fatshe go tswa mo setlhareng.

Pitsa ya thuba mo diphatseng fa fatshe. Botlhare bo ne bo gololesegile go abalana le mongwe le mongwe. Ke gone jaaka batho itse go rua, go dira sepata, go dira didirisiwa tsa ditshipi, le dilo tse dingwe tse batho ba itseng go di dira.
