Bushiku bumo, kalulu aile aleenda mululamba
Iwamumana

Infubu nayo ekoyali, yaletandala nokulwa
umulenfwe uusuma sana

Infubu tayamwene ukuti Kalulu nao ekoali,
epakumunyanta pakulu. Kalulu ayambile
ukupundilila infubu. "Wenfubu iwe!
Taulemona ukuti naunyanta pakulu?"

Infubu epakulomba ubwelelo kuli kalulu.
“Njelelako, nshacikumona. Napapata
njelelako!” Nomba kalulu talefwaya kunfwa,
epakukalipila infubu ati, “wacicitilafye
umufulo! bushiku bumo ukacimona,
nkakulimuna!

Kalulu epakuya mukufwaya umulilo
nokuweba ati, "kabiyeoce infubu ngayafuma
mumenshi mukulya icani. Acinyanta! Umuliolo
epakwasuka ati, "takuli bwafya mune kalulu,
nalacita ifyofine."

Panuma yakakshita, infubu yalelya icani
ukutali nomumana, "mutule!" umulilo
wabilimuka mulubingu, ulubingu epakwamba
ukoca umushishi wanfubu.

Infubu epakwamba ukulila nokubutukila kumenshi. Umushishi waiko onse ukupya kumulilo. Infubu yakonkenyepo ukulila, “umushishi wandi wapya kumulilo! umushishi wandi onse waya! Umushishi wandi ubusuma!”

Kalulu alitemwa ukuti umushishi wanfubu walipya. Mpaka nalelo, mukutina umulilo, infubu taiya kutali namenshi.
